SERIOUS CHARGE LAID ON AN IMAGINARY TOUR

BY FISHERY OVERSEER AGAINST LEEDS RESIDENT.

Thomas Shipman Summons For Illegal Netting and For Interfering With Officer in Discharge of His Duty.

Gananoque, June 14.—Fish and Game Overseer George Toner has laid information before Police Magistrate W. B. Carroll charging Thomas Shipman, of the Front of Leeds and Lansdowne, township, near Beck's post, with interfering with an officer in the discharge of his duty, and illegally netting fish. Chief Ryan served a summons on Shipman on Thursday evening to appear on Saturday afternoon to answer to these charges. The case as far as can be learned is rather a serious one. The overseer found Shipman drying a net on the line at his house and on attempting to land to make a seizure of the net Shipman seized a gun and threatened the overseer, who at once returned to town and preferred the charges.

THE COUNTY COUNCIL

Granted \$1,800 To General Hospital and \$1,250 To Hotel Dieu.

(Continued from page 5). On Saturday morning the County Council held its closing session. It was decided to place \$850 in the hands of County Solicitor Nield to settle all liens against the Sydenham high school wing.

On motion of Councillor Salmon and Foley, the council voted \$1,800 to the Kingston general hospital and \$1,250 to the Hotel Dieu, for caring for the county sick poor for the year, this to be in lieu of the dollar-a-day charge allowed by statute. On motion of Councillor Calvin, the hospital grants were made upon the condition that both institutions furnish the county clerk, before the January session, with a detailed statement of the county patients treated.

A grant of \$100 was made, on motion of Councillor Hawkey, for repairing the Glenvale Swamp Road.

The usual grants were made to the agricultural societies. Anglin & Co. were awarded the contract for supplying coal and wood for the jail and court house.

The council adjourned until the fourth Tuesday in November.

Memorial To Cadets. The recruit class of the Royal Military College of this year, of which Cadets J. W. Logie and A. L. Smith were members, is considering placing a memorial to their dead comrades at the college on Point Frederick. It is also understood that relatives of the deceased are going to put up a memorial.

The commandant of the college will apply to militia headquarters, Ottawa, for permission to have a memorial installed, which will likely take the form of a window.

Looking For Bodies. Col. W. A. Logie, of Hamilton, and Senator Smith, of Winoona, father and uncle, respectively, of the late Cadets J. W. Logie and A. L. Smith, on Saturday afternoon, went down to the head of Howe Island and vicinity, where the canoe and articles were found after the fatality, on the look-out for the bodies of the deceased. They attended the memorial service in St. George's cathedral in the morning.

Farm Labor Very Scarce. The farmers all over the country are complaining about the shortage of labor. A prominent farmer told the Whig that if he was not able to get labor very shortly he would be compelled to sell his farm. All the farmers are called upon to do statute labor on the roads, but this is a very difficult matter on account of not being able to get help.

The firemen had another run to the celebrated dump on Lower Bagot street, Friday afternoon, at 4.30 o'clock.

DELIGHTED AUDIENCE AT FIRST BAPTIST CHURCH.

A Journey Through Quebec and Ontario Formed a Fine Programme On Friday Evening—Missionary Dialogues Were Also Given For Worthy Cause.

The Mission Band of the First Baptist church put on a delightful and profitable entertainment, Friday evening. "An Imaginary Tour Through Quebec and Ontario," with solos, dialogues and recitations, formed the very entertaining programme.

Miss Hilda Calvin, president of the band, presided. Dr. Lake, by means of his stereopticon, threw the words of the choruses, sung by members of the band, upon the screen. Norman Frost acted as lecturer, giving information about the many points touched upon in the imaginary journey. Howard Salisbury made a good conductor on an imaginary train, never failing to blow the whistle at the right time.

Letters from mission churches at different points referred to in the journey, were read by Allan Lewis, Frederick Martin, Wilfrid Wainwright, Andrew Titus, Howard Salisbury, Percy Livingston and Ivan Sinclair. Vincens McCullagh gave a recitation, Miss Ida Lezongue sang a solo, the Misses Linton, Louise Jones, Hilda Calvin and Muriel Breathwaite gave an interesting missionary dialogue, Miss Irene Lake presided at the piano as accompanist in a most successful way.

There was a good audience and all well pleased with the success of the young people. A free-will offering of between \$13 and \$14 was collected. The band supports a boy in one of the mission schools in India. This costs them \$17. The offering goes towards this object.
