## WEDDING AT ROCKFIELD.

Rev. Alexander Fokes, of West Brome, Quebec, Takes Bride.

Rockfield, Aug. 15.—The residence of R. A. Foley, Rockfield, was the scene of a pretty wedding, Thursday evening, Aug. 14th, when the marriage was solemnized by Miss Edna Mabee, only daughter of Mr. and Mrs. R. A. Foley, to Alexander Fokes, B.A., B.D., of West Brome, Quebec. The ceremony was performed in the presence of sixty friends and relatives by Rev. G. W. Snell, a former pastor of West Brome, assisted by Rev. Mr. Wigstone, of Escott. Miss Mary Avery presided at the piano, playing Mendelssohn's wedding march as the bridal party entered the drawing room. The bridesmaid was Miss Pauline O'Keefe, of Prescott, cousin of the groom. Ellis Foley, brother of the bride, attended the groom. The bride's gown was of white mousseline silk trimmed with soutache braid. The bridal veil was silk net, caught in orange blossoms. Her travelling costume was a suit of navy whipcord. The bridesmaid wore a pink silk gown a la mode Parisienne, with bead trimming. The bride carried a bouquet of white roses, the bridesmaid pink carnations.

After the ceremony the guests retired to the dining hall for a veritable royal feast. The decorations were beautiful, the whole house being a perfect fairyland bower. After supper Egbert Herbinson took the wedding party to Kingston in his auto. Leaving Kingston the happy couple took the boat for Toronto and Niagara, returning to their home in West Brome by the lake and river route.

The presents to the bride were many and beautiful, including several substantial cheques. The groom's gift to the bridesmaid was a gold ring set with opal birthstones, to the groomsmen a gold stick pin set with pearls.

Out of town guests were: Mrs. E. J. Fokes, of West Brome; Miss Pauline O'Keefe, of Prescott; Richard Waggoner, of Farnsville, Ind., and Mr. and Mrs. J. A. Fokes, of Stratford.

The groom was once a former pastor on the Escott circuit, where his work was most successful. The bride, a graduate of Whitley Ladies' College in art and music, has always been here. Her ready willingness to help in every good work made her a mainstay in the community.

The bride was given away by her uncle, Samuel Woods, of this city. The bridesmaid was Miss Essie Gordon, of Kingston, and the groom was assisted by Norman Cairns, of this city, brother of the bride. The bride was becomingly attired in white mull, trimmed with sequins and pearls. She wore the bridal veil, caught up with orange blossoms, and carried a bouquet of Killarney roses and lily of the valley. Her travelling suit was of navy blue Eddiford, with picture hat. The gown of the bridesmaid was embroidered mull, and she carried a bouquet of Killarney roses.

Following the wedding ceremony a reception was held at the home of the bride, 53 Ontario street, and the happy couple left on the midnight train for Montreal, where they will take the S.S. Megantic and sail for Ireland. After three months' honeymoon in Scotland, Mr. and Mrs. Hermon will return to the United States, and take up residence in Pittsburg, Pa. Many beautiful gifts were received by the bride, reflecting the place she and her husband hold in the esteem of their friends.

## The Late William Weese.

Napanee Beaver.  
The late William Weese was born at Centreville over seventy years ago. During the greater part of his life he followed the occupation of farming but in the spring of 1912 he left his farm at Switzerville and came to Newburgh to live.

Deceased had never been very robust and in October, 1912 was taken quite seriously ill, but rallied somewhat during the winter, and in the warm days of spring he occasionally took a walk and his many friends hoped that the summer days would see him fully restored, but Providence deemed otherwise, and he gradually grew worse until death ended his sufferings, which were borne with Christian resignation, on Sunday, August 3rd.

During his long illness he was tenderly cared for by his wife, who, with their three children, are left to mourn the loss of a devoted husband and father.

One son, Andrew, died a number of years ago. His children are: Mrs. W. Henderson, of Switzerville; Briden, also of Switzerville, and David, at present at his home in Newburgh. He leaves also three brothers: Robert, of Tremont; Charles, of Fredericksburgh, and James, of Centreville.

In politics Mr. Weese was a conservative and was a member of the Ancient Order of United Workmen.

## Bush Fires in Lennox County.

Napanee Beaver.  
Bush fires have been threatening farmers' property in several places in Lennox county for the past week. On Wednesday the town was dense with smoke. The reports came that on Wednesday the woods belonging to Edward McCabe, Hay Bay, were destroyed and many other farms were in danger. Also from Richmond that Elias Smith's woods and farm were burning. Few fences are left between Napanee and Kingston, on the Grand Trunk line, but have been burned by sparks flying from engines. If there was a heavy wind blowing the whole countryside would be in danger. It would be a good idea for every person who discovers a small fire to take time and put it out during this dry spell.

## LETTERS TO THE EDITOR.

### The Purchase of Land at Dorval by Col. Hughes.

Montreal, Aug. 14.—(To the Editor)—I noticed in your paper, of August 12th, an article from Montreal, headed "Colonel Sam. Hughes Fooled in Land Deal." All the statements in the article are so absolutely far from the truth that while I have not a particle of interest in the transaction, in any way, and as a rule have not the time to write to newspapers, I feel that an old and respectable paper like yours would not knowingly lend itself to such false statements as are contained in the despatch.

The government would certainly be very lucky if they had more white elephants on their hands like this property. The man who sold the property to the government has offered to buy it back at a fifty per cent. advance, and, notwithstanding that money is pretty tight and there is a slackening up in real estate around Montreal I believe that if the government decided to sell the property twenty-four hours would not elapse before they could get an offer of at least sixty per cent. over what the land originally cost them.

I think instead of Col. Hughes being fooled, the boot is on the other foot, and it is the "Witness and Telegraph" who have been the victims of this canard. They state that this property was bought for a rifle range, I feel convinced if the Witness would turn back to its old files of last year they would find out that the property was bought for a barracks, for a unit of the permanent force, which has been badly needed for training purposes in Montreal for years past.

Certainly this so-called scandal is not going to injure Col. Hughes, as the statements, contained in the article you have published, to any person that knows conditions around Montreal in real estate, would stamp the despatch absurd. As a matter of fact I hardly know any land on the Island of Montreal at the present time that could be bought at \$1,200 per acre, while around Dorval and Lachine, where this property is situated, prices of land is costing between \$2,000 and \$5,000 per acre.

If you feel that my letter is too strong or too much in favor of Col. Hughes you are perfectly at liberty to modify it as you think best. It does not seem fair, however, that false statements of this kind should go unchallenged, and published as bona fide news by an honorable paper.—Yours truly, S. W. EWING.
