

**TWO COUPLES WEDDED**  
**AT THE METHODIST PARSON-**  
**AGE IN GANANOQUE.**

**Brother and Sister Were Parties—**  
**One of the Brides Was Miss Ethel**  
**Veal, Formerly of Kingston.**

Gananoque, Aug. 28.—A pleasing social event took place last evening when two young men of the town and two young ladies, also of the town, participated in a double wedding. The parties were Miss Edith Hampton, daughter of the late William Hampton, Charles street, and Frederick Nelson, son of Mr. and Mrs. John Nelson, former residents of the town, but located for the past few years in Vancouver, B.C. The other couple were Miss Ethel Veal, formerly of Kingston, and Joseph Hampton, brother of the bride of the first party. Each couple was attended by the other. The ceremony was solemnized at the Methodist parsonage by Rev. Melvin Taylor, at 7 p.m. After the ceremony the bridal party repaired to the home of Mr. and Mrs. John Garrard, River street, Mrs. Garrard being a sister of Miss Edith and Joseph Hampton. There the usual wedding cheer was dispensed. Both brides were the recipients of numerous tokens of esteem and good-will from their many friends. Mr. and Mrs. Nelson will take up residence on Charles street. During the severe electric storm which passed over here on Tuesday evening, a bolt struck the summer cottage on McDonald's Island, and shattered some of the woodwork. The inhabitants were away from home at the time. Fortunately no fire started.

The steamer Hebon was in port early yesterday morning, handling the freight in place of the Alexandria, which was disabled on Monday.

At the Wilson Opera House last evening "The Missouri Girl" was presented by a strong cast, and drew quite a fair house.

Word was received here by relatives yesterday that Mrs. Peter Ledger, who was taken to the Hotel Dieu, Kingston, for treatment recently, was in a very critical condition. Her mother, Mrs. Graham, Garden street, left at once for her bedside. Slight hopes are entertained for her recovery.

E. P. Wright, manager of the Wright Dry Goods Company of this town, who has been quite seriously ill for the past few weeks, has so far recovered as to be able to about the streets again, but is as yet unable to assume the cares of business.

Miss Birdie Bedard left yesterday for Orillia to spend a few weeks with her aunt, Mrs. Joseph Rolland. Howard Johnston, of Halifax, is spending a few days in town with his sister, Mrs. E. X. Binois, King street. Joshua Zivian, Ottawa, is spending a short time in town with his parents, Mr. and Mrs. Zivian, King street.

Mrs. T. O. Middleton and daughter, Miss Bessie Middleton, left yesterday to spend a week in Toronto. Mrs. E. Schoenleber and son, William, left yesterday for a visit with friends and relatives in Toronto, Niagara Falls and Buffalo, N.Y. Mrs. Jas. Latimore, Stone street, left yesterday to spend the week in Toronto.

**THE SPORT REVIEW**

**MONTREAL WANTS "PUD" HAMILTON FOR COACH**

The New York Giants To Play In Toronto On Sept. 9th—Meeting of the Interprovincial Rugby Union.

Walter Johnson, of Washington, has won twenty-seven games and only lost five this season. His last fourteen have been wins.

Ross Binkley will manage the Toronto Argonauts this year, and "Jack" Newton will act as honorary coach.

There is great likelihood of "Pud" Hamilton being again the Montreal football coach for the coming season. "Pud" is now at Sault Ste. Marie. He was formerly captain of the old Kingston Granites.

Kenseth of last year's Argonaut team, is now in Regina, and the football followers of that city are making an effort to keep him there during the coming season.

Heavyweights will be barred from contests in Kenosha and Racine, Wis., boxing centres in the middle west, following the killing of "Bull" Young in his bout with Jesse Willard at Los Angeles.

Frank Gilhooley and "Eddie" Burns, the Montreal baseball stars, football captain of the Leland Stanford university last season, acted as coach to the students of the Keio university during the recent stay of the Pacific coast college nine there recently in Tokyo, and then Japanese quickly caught on to many of the points in passing and dodging with the ball.

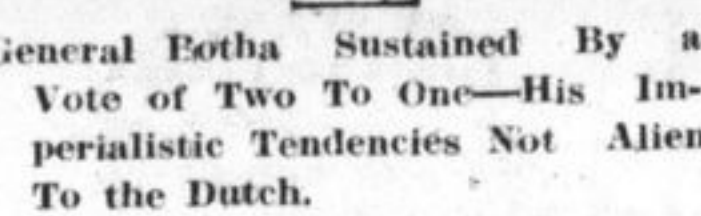

The Toronto baseball management have arranged to bring the New York Nationals, who have clinched the National league pennant, and who will meet the Athletics for the world's championship this fall, to play the Leisler exhibition game at the island on Tuesday, Sept. 9th. Mathewson and all the Giant stars will be on the job.

Notices calling a meeting of the Interprovincial Rugby Football union for Saturday at Hamilton have been sent out by President Ben Simpson. The meeting is called for the purpose of drawing up the schedule and the appointment of a permanent board of officials. The season will open on the first Saturday in October.

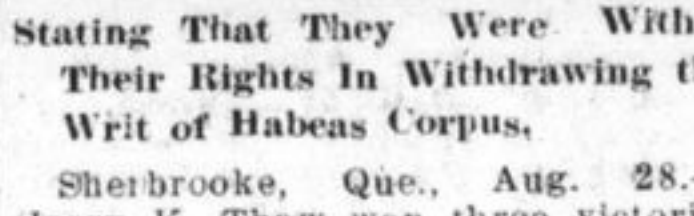

Hawker, the English aviator, as the end of the record flight was in sight, tumbled into the sea, and was rescued.

**LORD HALDANE.**  
**LORD HIGH CHANCELLOR**

**RT. HON. HERBERT SAMUEL, POSTMASTER GENERAL.**

**JUDGE ARTHUR GLOVINSKY**

Lord Haldane, Lord High Chancellor and Right Hon. Herbert Samuel, Postmaster-General in British cabinet, sailed for Canada Saturday. This is remarkable, since it may be the first case on record where a British cabinet minister has visited Canada during his term of office.

Stating That They Were Within Their Rights In Withdrawing the Writ of Habeas Corpus.

Sherbrooke, Que., Aug. 28.—Harry K. Thaw won three victories from the New York state authorities yesterday and last night was locked in the Sherbrooke jail immune for the time being from action on the part of the Dominion immigration authorities after having received an ovation from the townspeople of Sherbrooke that would have done honor to a prince of royal blood.

So riotous was the scene in the superior court when, at the morning session, Judge Arthur Glovinsky refused to allow counsel representing New York state to be party to the proceedings, that the court subsequently warned spectators that a repetition of the cheering, chair clubbing, handkerchief waving and general hysteria would mean jail sentences for the demonstrators.

Speaking from the bench at the afternoon session, he said that never in his experience as a member of the bar and of the bench had he been a witness to "such a disgraceful scene."

It was carried out in the presence of court attendants in judicial robes, shouting and cheering, who stood immobile while emotional women rushed toward Stanford White's lawyer, crying: "Three cheers for Thaw; three cheers for the British flag! We will give you justice, Harry!"

Last night with Thaw's term of confinement indeterminate and the key to the riddle unfound, there was a general exodus of those who rushed hither after the fugitive's sensational escape from Matteawan eleven days ago.

William Travers Jerome, former prosecutor of Thaw and his life, left last night for Quebec, accompanied by Franklin Kennedy, deputy attorney-general of New York.

To-day will depart District-Attorney E. A. Conger of Dutchess county; Sheriff Frederick Horbeck of Herk county; Superintendent Kibb of Matteawan; John E. Mack, former district attorney of Dutchess county, and with him sheriff and deputy sheriffs of Vermont and New Hampshire who were ready to string themselves along the border line and Thaw in the event of his deportation.

Messrs. Jerome and Kennedy will confer at Quebec with the attorney-general of the province in the hope that he may be able to open the legal lock that holds Thaw in jail.

In the face of the judge's solemn warning not a sound escaped the crowd when the court sustained Thaw's counsel in their contention that they were within their rights in withdrawing writ of habeas corpus.

The court held, in brief, that a man may discontinue any proceedings he initiates not a sound on his behalf, provided that there is no specific law forbidding it. "I, therefore, grant the application," he concluded, "and order him (Thaw) re-committed to jail to be dealt with according to the law on the charge that stands against him."

Opinion differed as to whether this meant that Thaw would remain in jail until some high dominion official interfered or whether he could demand trial by jury at the king's bench next October.

Mr. Jerome said that, in his opinion, Thaw would ultimately be sent back to New York.

**HERTZOG-BOTHA CLASH THAW BACK IN JAIL**  
**RESULTS IN SPLIT IN DUTCH AFRICANER PARTY.**

General Botha Sustained By a Vote of Two To One—His Imperialistic Tendencies Not Alien To the Dutch.

London, August 28.—According to the Times correspondent, the much-heralded meetings which took place at Rustenburg in the Transvaal, resulted in a complete split in the Dutch Africaner party quarrel between Gen. Botha and Gen. Hertzog, which frequently found expression in bitter speeches and developed into open rupture. The Hertzogite party had demanded that Botha should resign, and they declared his imperialistic tendencies were alien to the feelings of the Dutch as a whole.

In the course of a lengthy speech, Hertzog declared, as regards the Dutch "empire": "I would ask my audience whether, so far as they are concerned, there is any other government, I say no. There are five other dominions on the same footing as ourselves. These other dominions, like themselves and like the people of England, were free people. The whole policy of imperialism was the policy of a closer union and nothing else. Botha held that any kind of imperialism or closer union must be accepted. One of the great questions they might have to decide was whether they would have a federal imperial parliament in which South Africa might have one representative for every sixty representatives of England. Would they consent to their South African parliaments being reduced to the status of a provincial body, and would they allow their own questions to be dealt with by a parliament in which they had a representation of one in sixty? Apparently Gen. Botha would say yes. The form of imperialism was a matter entirely to be decided by the people concerned. That was the position accepted by the English people, but Gen. Botha seemed to think there was a sort of demigod between here and heaven, prescribing the form of imperialism. That policy must naturally lead to national disaster. There had always been people who, under the guise of imperialism, had only been attending to their own interests."

Replying to a question as to whether he did not think there would be conflict with Great Britain if they did not conciliate here, Gen. Hertzog declared it was nothing but silly talk. He could assure them their constitution would never be taken away. The men at the head of the government in England were men who did not always shout for imperialism. So far they had always kept their promises to the dominions.

Speaking on the subject of imperialism, Gen. Botha said: "I am South African above all, but I do not say what I am going to do if the imperial government does anything in conflict with South African interests. There is no necessity to make threats in advance. The position taken up by Hertzog is like that of a man on his honeymoon telling people what he will do if his wife becomes untrue to him."

Voting at the close of the rival machines showed a majority of 1,454 to 757 in favor of Botha.

**ATTEMPT TO KIDNAP**  
**Lloyd-George Failed—Male Suffragist Revealed Plot.**

London, August 28.—A suffragette plot to kidnap David Lloyd George, which just failed to succeed, has been revealed, states the London Daily Sketch.

For \$2,500 three desperadoes were to cause a collision with and damage Mr. Lloyd-George's automobile, while he was near Walton-on-Hill. Then they were to seize him and carry him in a fast automobile to a secret place arranged by the suffragettes. A male suffragist revealed the plot.

**NAVAL FLOATING FACTORY**  
**Capable of Making Repairs To Warships Without Drydocking.**

London, Aug. 27.—The British admiralty has issued specifications for a large floating factory for the Cromarty naval base capable of making any repairs to warships possible without going into drydock. To co-operate a floating dock for the newest vessel will be built 4,550 feet in length and 90 feet in breadth with square hull, having many watertight compartments to be used for the bunkers and boiler. Turbines will generate the power to operate the plant aboard. The superstructure measuring 420 feet will contain the foundry, the machine, the electrical and boiler shops, all of which will be operated by turbine current. The above factory which is to provide for the housing for 136 officers and men is for delivery in June, 1914.

A cup of tea or coffee contains from 1.1-2 to 3 grains of caffeine—a poisonous drug.

Five grains of caffeine is enough to kill a rabbit. Of course that much wouldn't kill a man.

But continual tea and coffee drinking usually produces bitterness, headache, dullness, sleeplessness, irritability and heart agitation. Many people have gotten rid of these troubles by quitting tea and coffee and using

**Instant Postum**

It is pure and made entirely of Northern wheat and the Juice of Southern sugar-cane. Postum is a genuine food-drink—rich in Nature's phosphates, and contains no drug whatever.

Postum comes in two forms.

**Regular Postum** (must be boiled.)

**Instant Postum** requires no boiling, but is made instantly by stirring a level teaspoonful in a cup of hot water with cream and sugar to taste.

Experiment until you get it to suit your taste, then have it always made that way. Made right, Postum has a delightful flavor.

If tea and coffee don't agree, suppose you leave them off ten days and try Postum.

Drink it instead of tea or coffee.
