COMB SAGE TEA IN LIFELESS, GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Weyth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Weyth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears after another application or two it is restored to its natural color and looks glossy, soft and abundant.

COMPANY SKIPS OUT

AFTER LEASING TWO GANANOQUE AMUSEMENT PLACES

Medical Missionary and His Wife Leave Gananoque To Prepare For Their Return To Sze Chuan China.

Gananoque, Sept. 13.—The Wilson Opera company, which leased the Star Amusement hall, together with the McKenzie opera house, has left for parts unknown, and in consequence the place is closed.

Albert La Chapelle, caretaker at the Gananoque Yacht club house during the past season, has accepted the position of caretaker of the poultry department at Glenholme farm, left vacant by the leaving of William Ferguson.

Tupper A. Sheets, a former resident of the town, located for the past years in Calgary, Alta., is spending a short vacation in town with his brothers here. Mrs. George S. Cowan, who has been spending the past few months with relatives in the western provinces, has returned to town. William Kelly, for a number of years past clerk for David Darling, grocer, King street, left recently for a trip through the western provinces, where he may possibly locate. Dr. and Mrs. Ford McCullough of Fort William, are in town for a short visit with the former's parents, Mr. and Mrs. Robert McCullough, King street.

Dr. A. E. Lindsay, medical missionary from the Methodist mission fields at Sze Chuan China, who with Mrs. Lindsay, was spending part of their year's furlough with the latter's parents, Rev. and Mrs. Melvin Taylor, in camp at Tremont park, left on Thursday for Toronto, to get things in readiness for their return at an early date. Mrs. Lindsay left on Friday for a visit with her brother, Garnet Taylor at Wellington.

Mrs. Southworth of Toronto, has been the guest of her brother, Senator George Taylor, at his island residence "Apoahqui" during the past few days. Miss Katie Webster, Charles street is spending a short time with friends in Brockville. Mrs. David Waldie, a former resident of the town located for a number of years past in Watertown, N.Y., is spending a short time with friends in town. Miss Bertha Aikens, returned at the end of the week from spending the midsummer vacation at Thorolton, with her parents, Mr. and Mrs. A. D. Aikens, to resume her studies in Gananoque high school. Mrs. (Dr.) A. H. Parker, Church street, and Miss Nina Middleton, King street, have left for a visit with relatives in Chicago.

OGDENSBURG EXHIBITION

Will Offer An Unrivalled List of Attractions On Sept. 22-26th.

Ogdensburg Journal, August 26th. with the approach of the forty-second annual exhibition of the Ogdensburg Fair and Horse Show, the executive staff of the association is redoubling its efforts in anticipation of the greatest fair in the history of the society. The main attractions will be the races, horse show, music and flying machine, together with numerous others already announced. The racing stakes and purses aggregate \$7,500, the largest amount ever offered at the Ogdensburg fair, and all indications point to the best class of horses and the best harness sport in the history of the association. Vice-President J. Wesley Allison, who is judging at some of the largest shows in the east, sends word here that the quality and quantity of the Ogdensburg horse show this year will outrank all former ones. Among the noted stables to be shipped here will be reginald C. Vanderbilt's Sandry Point Farm, entries of Newport, R.I. Mr. Vanderbilt himself will come here to stay through the show as he did last year, despite the rain that lasted for three days.

The famous Governor-General's Foot Guards band of Ottawa has been engaged for the whole week and will play many new selections. Thursday will be the big day of the fair on that occasion the people will have an opportunity to see the famous Foot Guards regiment, which will visit the fair 400 strong and give an exhibition drill.

The flying machine exhibition Tuesday, Sept. 23rd, will be made by Capt. Paoli in Capt. Thomas Baldwin's famous Red Devil aeroplane. The birdman's contract calls for two fully equipped machines on the ground so that if an accident happens to one the other will be immediately available. Capt. Paoli will make two twenty-minute flights, one of which he will take up a passenger. Special dining arrangements will be provided under the grandstand at the fair grounds.

COL. SAM RESPONSIBLE

For Causing English Papers To Cry Shame.

London Daily Express.

The younger generation is knocking at the door, politely, very patiently, but insistently. Col. Sam Hughes, the Canadian minister of defence, has come to England officially to attend the autumn manoeuvres. Canada is a nation, and in common with all nations they are not ashamed to show their prepared to defend herself should the necessity occur. But Canada is also a member of the British empire, as Col. Hughes says in an interview printed in another column, "ready to share in the responsibilities of empire defence and ready to share in the dangers." It is possible that next year a Canadian brigade may cross the Atlantic to join our regulars and territorials. This year Col. Hughes has come to observe and to learn. He will teach, too, if we will listen, for though Canada depends on its citizen soldiers they are not amateurs. Thorough is the characteristic of the overseas dominions, and thorough has ceased to be a habit in the motherland. We are deluded by words. We refuse to recognize facts. The manner in which Canada and the other dominions realize that nationality should make us ashamed. They are eager to assume responsibility. They yearn to share British greatness, and to pay for their share. We are too often eager to forget responsibility and duty, and to assume that a nation's greatness can continue without effort and sacrifice. It is a sorry thing when children blush for their mother—but that may happen to Great Britain.

THICK, GLOSSY HAIR ALL DANDRUFF GONE

Girls! Try It! Hair Gets Soft, Fluffy and Lustrous! No More Falling Hair.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair. Besides, it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine! If eventually—why not now!

THE SPORT REVIEW

SENIOR PLAYERS IN O.R.F.U. TO BE NUMBERED

Gallagher, a Former Queen's Scrimmager, To Play With Ottawas—Brookville Expects To Turn Out a Good Rugby Team.

Carrigan of Boston leads the American league catchers with a mark of 884, with Schaik of Chicago second 822.

Art Brophy announces he will not be able to spare time to play with the Montreal rugby team. Sinek McEneaney, the McGill quarter, is counted on for quarter-back.

Toronto Mall and Empire: That libel suit in Hamilton will enable the Alerts to keep in the public eye a little longer.

The board of referees appointed by the Alberta Rugby Union for the coming season number among them some old eastern stars, namely, Dr. Whit Latley, Percy Hardisty and Hugh ("Bull") Ritchie.

Paul Smith, one of the best rugby coaches in the northern states, is expected to arrive in Ottawa within the next few days to arrange exhibition matches between the University of Ottawa team and the Assumption College team.

The drafting season for the American and National baseball leagues comprises five days, from Sept. 15th to 20th. The A. A. leagues draft from the 22nd to the 27th of this month. Class A from September 29th to October 3rd and Class B from October 5th to 10th.

Niagara Falls N.Y., and Erie, Pa., will probably replace Berlin and Guelph in the Canadian baseball league next season. Sunday ball is permissible in both of the American towns. The Canadian league's application to the national association for the proposed territory was successful in the case of Niagara Falls but Erie is still under question.

The Canadian rugby championships this fall will be decided on the grounds of the winners of the Ontario and interprovincial unions, so that the intercollegiate winners will have to play two games away from home to win the premier honors. The first or semi-final game will be played by the intercollegiate and Ontario union winners on the latter's grounds while the team which is successful in this contest will play on the interprovincial grounds.

The O.R.F.U. has decided to have all its senior players numbered. This decision was reached at the meeting of the senior representatives and should find favor with the followers of the national game. The Big Four and intercollegiate have talked over the numbering question, but have declined to take it up, although it is being worked successfully in the west.

The initial practice of the Brookville football club brought out a large number of likely candidates who are expected to make Ottawa and Montreal hustle in the intermediate series of the Quebec union this season. Dr. Carroll is again in charge as coach and gave the boys only a light workout. Among the players of last year's team in line were: McHenry, Bissett, D. Simon, Layng, Fairbairn, James and Ryan. The season is expected to be one of the best in the history of the club.

Ottawa Free Press: A glad piece of news was waited around yesterday when it was learned that "Tiny" Gallagher, one of the best side scrummers ever developed at Queen's would be on hand. He is now residing in the city. Mike Killian also surprised the talent by dropping in on Friday evening, and he will likely stay in the city for some time. Micky will be a useful man to have around. Rumor has it that Dick Sheehy has reconsidered his determination to enter University of Toronto. The freshman rule has not been suspended there yet, which bars him from playing with the Varsity team. His return will make prospects rosier for the back division.

HAVE MADE FINE SHOWING

In the Writing Contests Held Every Year.

There are three Kingston pupils who have made a splendid showing in the writing contests held every year, the exhibits being placed at the Horticultural show.

These three pupils are the children of Police Constable Marshall Armstrong—Gertrude, May and Herbert. In fact it is doubtful if there is another family in the city where a more creditable showing has been made in this contest.

Gertrude Armstrong has written on the examinations four times, and has captured three first prizes.

Herbert has written on the examinations three times and has secured three prizes, and May won four prizes in as many contests.

This certainly is a good record, and Constable Armstrong is being congratulated on having a family composed of such star writers, for the work of the children has been very highly commented upon.

The children look forward to the annual examinations with a great deal of interest. Gertrude is in the senior fourth grade, Herbert is now in the third book and May has just started in the Collegiate Institute.

The Late Mrs. Gilbert.

Mrs. Jane Gilbert, relict of the late Major Gilbert, died at her summer residence in Ompah, Frontenac county, Wednesday, Sept. 3rd, after a short illness, death being the result of a paralytic stroke. The remains were taken to Ottawa and interred in Beechwood on Friday morning, Sept. 5th, Rev. Walter Loucks, rector of St. Matthew's church, officiating.

The deceased was born at St. George's, Bermuda, and was a daughter of the late Captain Webster, of the Royal Artillery, and came to this country with her husband, he being attached to the imperial army. After he died, she resided in Ottawa and spent her summers at the old home. She was an Anglican in religion and was greatly respected in the circle in which she moved.

She is survived by one son, Emmanuel W., of the department of marine and fisheries, Ottawa, and four daughters: Mrs. George Bayden, Newboro; Mrs. F. Ostler, White Lake; (these three were with her when she died); Mrs. George Dunlop, Edmonton, and Mrs. (Rev.) E. M. Rowland, West Flamboro. One brother, James S. Webster, Toronto, survives his sister.

Algonquin Park in September.

In the Algonquin National Park of Ontario, the month of September is one of the most beautiful of the year. The "Highland Inn" situated on Cacic Lake, 2,000 feet above sea level offers all the comforts one may desire at reasonable rates. The region is a natural playground of over 2,500,000 acres, only 168 miles west of Ottawa, and 200 miles north of Toronto, and those who love nature and the wild things that live in her confines can enjoy themselves there to their heart's content. For anyone whose nerves are troublesome, or through over-work needs a rest, or whose health is run down, there is not a more beneficial place in America. Write to J. E. Colson, manager, "Highland Inn," Algonquin Park, Ont., for all particulars and illustrated booklet.

Never try to do business with a cornet; you are bound to be stung.
