T. F. HARRISON SPOKE

ON CONDITIONS IN JAPAN, CHINA AND KOREA

His Impressions of Japan Pessimistic—Declared That the Mikado's Country Is Physically Rotten From Immoral Living.

Speaking at a gathering of the teachers and officers of Sydenham street Methodist Bible school on Tuesday evening, T. F. Harrison dwelt, in part, on a comparison of Japan, China and Korea, as they presented themselves, at the present time, for evangelization. His impressions of Japan were pessimistic. Although the Japanese would resent the charge that they are not a religious people, the returned member of the world's Sunday school commission says that this island, which has no national form of religion, presents the greatest need in the world to-day. It is the most difficult to reach. The country is physically rotten from immoral living. The traffic in women is large. "They have no sense of the moral standing of a woman," he said. In spite of the advised reports that 96 per cent. of the Japanese boys and girls attend day schools, Mr. Harrison said, and the minister of education admitted (1), that invariably he found, during school hours, hundreds of children working in the stores and industries. The Japanese, as a race, have no ideals beyond the grasp of the present. Nothing but the power of God will reach them. But even in Korea the situation is different. The natives are of a receptive mind, and, to a very large extent, respect God. They are hungry for the truth in their present condition. They have lost their nation, and their very individuality has been taken away from them.

Mr. Harrison, with others, was presented to the provisional head of the new Chinese government, Yuan Shih Kai, who last year asked for the prayers of the Christian world on behalf of the new government. Mr. Harrison disapproved, at some length, on the worth of this, his advisors, half of whom are Christians, and signified his personal sympathy with the Chinese.

The event at which this resume of affairs in the east was given was of the nature of a welcome to the teachers and officers of the school to the superintendent, Mrs. Harrison, Miss D. Chown and Miss O. Chown. An excellent tea was served, at which upwards of 100 sat down. E. P. Jenkins presided during the programme which followed. The ladies also very fittingly responded to the welcome extended them by Mr. Jenkins. Abraham Shaw and the pastor, Rev. Alfred Brown, also contributed to the speech-making, and P. R. Anglin tendered the thanks of the whole to E. P. Jenkins, who, as one of the associate superintendents, had charge of the school during the seven months of Mr. Harrison's absence.

Miss A. Tweddell sang solos, Miss L. Shaw acting as accompanist, and Mrs. W. Craig and Miss V. Posselt white cleverly contributed recitations.

NO BAKESHOPS IN BASEMENTS.

Notification has been received by the city clerk from the provincial department of agriculture, that in future all plans of factories must be submitted to the department before the buildings are allowed by the city. It is also pointed out that no bakeshops shall in future be allowed in the basements of buildings.

Headaches and Heart Trouble

Nervous Prostration of Three Years' Standing Cured a Year Ago by Dr. Chase's Nerve Food.

Anyone who knows the discouragement and despair which accompanies the helplessness of nervous prostration will appreciate the gratitude felt by the writer of this letter.

Mrs. H. C. Jones, Scotch Lake, C.B., writes: "I suffered from nervous prostration for nearly three years. I had frequent headaches and no appetite and was troubled with my heart. After consulting two doctors without obtaining satisfactory results, I began the use of Dr. Chase's Nerve Food, and was completely cured by this treatment. It is nearly a year since I was cured, and I want others to know of this splendid medicine. I now attend to my household duties with ease and comfort, and am glad to have the opportunity of recommending Dr. Chase's Nerve Food."

At least some benefit is bound to be derived from each dose of this great food cure, as day by day it forms new blood, and builds up the system. 50 cents a box, \$ for \$2.50. All dealers, or Edmondson, Bates & Co., Limited, Toronto.

Maple Syrup Tested.

A bulletin has just been issued from the laboratory of the inland revenue department, giving the result of a test made by the inland revenue department on maple syrup in the Kingston district. Tests were made of syrup sold by nine dealers, and of that number three samples were reported as being adulterated, with another bearing a label to guarantee purity.

Made a Presentation.

The members of the Helping Hand Bible class of Beth Sunday school gathered at the home of George Wilson, 88 Quebec street, on Tuesday evening, to bid farewell to Mr. Wilson, who is leaving for Kamloops, B.C., where he has accepted a position. They made a presentation.

Picton Fair Excursion.

As yet no successor has been appointed to fill the position formerly held by Prof. Robert Laird, of Queen's theology college. No action will be taken until the next regular meeting of the board next month.

IN MARINE CIRCLES

Movements of Vessels Reported Along the Harbor.

Report received in local circles states that the storm has cleared on the upper lakes, and that vessels are now making good headway.

Several grain vessels are expected to reach Kingston the latter part of the week, to discharge at the elevator of the Montreal Transportation company. The steamers to discharge are the Noble, Fairmount and Turret Chief.

The steamer Beventon cleared for Belleville, to load cement for Fort William.

Co's elevator: Tug Emerson, light, from Port Dalhousie; tug Bartlett cleared, light, for Port Dalhousie, and will return with the barge Union, grain laden, for Montreal; tug Thomson cleared, light, for Prescott, and will return with three light barges; steamer Turret Crown arrived, Tuesday afternoon, from Fort William, and is discharging 88,500 bushels of barley. The Turret Crown was ahead of the storm on the lakes, so was not delayed.

The steamer Belleville went east on Wednesday morning.

The steamer Rideau King was due down from Ottawa on Wednesday evening. She will lay up at the end of the week.

SYKA DIRECT ON CIRCUIT.

Wolfe Island Mare Been Racing In Michigan and Ohio.

Syka Direct, belonging to Oliver Hawkins, of Wolfe Island, among her successful races on the circuits in the states of Michigan and Ohio, where she has been travelling under the direction of P. B. Hawkins, won first money in the 2.15 class in Ohio last Thursday. This is the mare, with a mark of 2.13, which was matched, and beat, W. H. Carson's mare, May Wess, here a couple of years ago. Mr. Hawkins has also St. Anthony with him. At Balding, Ohio, she won the free-for-all class, in which the fastest heat was 2.11. Syka Direct took second money in the 2.15 class, at 2.13.

TO INVITE JOSEPH RUSSELL.

To Tell What He Knows Of Penitentiary Conditions.

The Prison Reform Commission, which will hold its first session in the court house next Tuesday morning, will invite Joseph Russell, the ex-lawyer-convict, to appear and give evidence. Mr. Russell's criticisms of the Portsmouth prison, as given to the Orange Sentinel, have been noted by the members of the commission, who would be glad to hear what Mr. Russell has to say with regard to improving the prison conditions.

The commission also expects to hear Inspector W. S. Hughes, formerly accountant of the Portsmouth penitentiary, who has thoroughly conversant with conditions there.

TORONTO-KINGSTON TRAIN

On C.N.R. To Run By the End of Year.

It is reported that the Canadian Northern railway expects to have its Toronto-Kingston train operating before the end of the year, and that as good time will be made by it as the Grand Trunk. This is counting for the time lost by the latter road transferring its passengers at the outer junction.

On the C.N.R., between this city and Toronto, including the terminals, and the Queen street stop at Toronto, there are about 25 stations, as well as half a dozen at which the train may be flagged.

Run Over By Buggy.

Lloyd Watts, a small boy who attended the Wolfe Island fair on Tuesday afternoon, was run over by a buggy in which George McCready was driving. The injuries were slight. The lad, who a number of his companions were playing outside the building where the fine arts, ladies' work, grains and vegetables were on exhibition. As the team driven by Mr. McCready was rounding the corner, after he and another man had been looking at the horses, Lloyd, it appears, rather ran into the outfit than was run down by it. Mr. McCready, who immediately picked up the boy, feared that the horse on the right would kick. One of the wheels passed over young Watts' legs.

Convention at Cornwall.

The tenth biennial convention of the Epworth League societies of the Methodist church in the Montreal conference will be held at Cornwall on Tuesday and Wednesday, Oct. 7th and 8th. A number of representatives from the Methodist churches of this city will attend, and Rev. F. G. Robinson, of Princess street church, and Miss L. Knapp, of the Sydenham street church society, are on the programme. Rev. Melvin Taylor, of Gananoque, is also one of the speakers.

Weather Notes.

The western disturbance, which is moving towards Lake Superior, appears to be quite unimportant and the weather is more settled in all the provinces. Sharp frosts have occurred in the western provinces and light local frosts in Ontario.

AT THE GRAND.

A Very Farcical Comedy Was the Feature.

"The Lady of Ostend" was presented at the Grand Opera House on Tuesday evening, before a fair audience. It certainly was a farcical and extravagant comedy, based largely on the lure of a woman engaged by a cinematograph manager to create pictures for him. Men were easy marks and the presentation of the moving pictures led to endless trouble for gay married men. There was lots of noise and motion and the actors worked hard to produce the whirlwind comedy.

Guy Brothers' Minstrels.

For the past thirty-nine years Guy Brothers' Greater Minstrels have been continuously on the road and playing to crowded houses and pleasing hundreds of people every night, a record that no other company can claim. George Guy, the proprietor and manager of this company, is always assured of good business, as the theatre-going people are sure to witness a clean, wholesome and refined production. Never has a single word been uttered or anything acted on the stage to offend man, woman or child. Guy Brothers' minstrels always please, and will continue to do so this season. Don't miss hearing it next Saturday, matinee and night, at the Grand Opera House.

RECOVERED HIS WIFE

Chaumont, N.Y., Man, Finds Missing Spouse At Harrowsmith.

George La Rose, of Chaumont, N.Y., who has been searching for his wife on this side of the border, has at last found her. He located her near Harrowsmith, on Monday, and the couple returned to the city on the Wednesday morning C.P.R. train. His wife disappeared from her home recently and made her way to Canada.

On Saturday the husband arrived in the city and made some inquiries about the missing woman.

St. Paul's Tea and Sale.

The Womens' and Girls' Guild of St. Paul's church are holding a tea and sale at the residence of Mrs. T. D. Potter, 474 Brock street, on Thursday afternoon and evening, September 25th. Ice cream and cake will be served in the evening. Admission 10 cents.

Bungled Civic Affairs.

North Vancouver, B.C., Sept. 20.—It was discovered this morning that the by-law, forming the city on the whole as a ward, had not been signed by former Mayor McNeish and City Clerk J. A. Brown, nor was the seal of the city affixed. Consequently the elections held since are not legal nor are Mayor Haynes, or the aldermen, qualified to hold office.

Acid Stomachs Are Dangerous

Common Sense Advice by a Distinguished Specialist

"Acid" stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus hindering and preventing the proper action of the stomach and leading to probably nine tenths of the cases of stomach trouble from which people suffer. Ordinary medicines and medicinal treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized and its formation prevented, and the best thing for this purpose is a teaspoonful of bisulphated magnesia, which can be obtained in a simple antacid, taken in a little warm or cold water after eating, which not only neutralizes the acid, but prevents the fermentation from which acidity is developed. Foods which ordinarily cause greatest distress may be eaten with impunity if the meal is followed with a little bisulphated magnesia, which can be obtained from any druggist, and should always be kept handy.
