Granulation of the Eyelids

Is Cured by Dr. Chase's Ointment—Scores of Uses for the Great Soothing, Healing Ointment.

Most people know Dr. Chase's Ointment best as a cure for eczema and itching piles. Nor is this to be wondered at when you think of the remarkable record made in this class of cures.

But there are scores of other uses for this ointment which are only discovered when it is kept constantly at hand.

Mrs. Martin, 13 Carroll street, Toronto, formerly of Bowmanville, Ont., writes: "We have used Dr. Chase's Ointment for years and found it invaluable in treating skin irritations and all sorts of burns and wounds. In fact we would not be without it in the house. It is a most excellent treatment for granulated eyelids, from which I suffered without finding anything to help me."

Wherever there is itching of the skin or a sore that refuses to heal you can use Dr. Chase's Ointment with full assurance that it will prove entirely satisfactory. 60 cents a box, all dealers, or Edman, Bates & Co., Limited, Toronto.

Old Folks Find Croxone Relieves All Kidney and Bladder Miseries
DRIVES RHEUMATIC PAINS AWAY, FEW DOSES RELIEVE BACKACHE AND BLADDER DISORDERS.
Sleep disturbing bladder weaknesses, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life. Croxone relieves all such disorders because it reaches the very cause of the trouble. It soaks right into the kidneys, through the walls and linings, cleans out the little filtering glands and cells and gives the kidneys new strength to do their work properly. It neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism; and makes the kidneys filter and sift out the poisonous waste matter from the blood and drive it out of the system.
It matters not how old you are or how long you have suffered, Croxone is so prepared that it is practically impossible to take it without results. There is nothing else like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate case.
An original package costs, but a trifle and all druggists are authorized to return the purchase price if Croxone should fail in a single case.

SICK, SOUR STOMACH, INDIGESTION OR GAS

Take "Pape's Diapepsin" and in Five Minutes You'll Wonder What Became of Misery in Stomach.

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.
If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

her, and a number of her husband's relatives assisted. A series of evangelistic services are in progress in the Methodist church, under the leadership of Rev. Mr. Auz, Troyconferance N.Y.

John Greenwood has rented Mrs. William Henderson's farm. Archibald McDonald is renovating the house he purchased recently.

SOCIAL VICE PROBLEMS

Report of Moral Reform Board of Methodist Church.

Toronto, Oct. 24.—Waste and wilfulness, profligacy, extravagance and perversion in modern fashion, licentious displays appeals to eye and ear, the whole question, the experience of youth, wretched surroundings, starved affections and many other factors enter into the problem, constitute a challenge to the constructive Christian thinker.
The foregoing is from the report of social vice presented to the Temperance and Moral Reform board of the Methodist church by Rev. W. Lashley Hall, at the meeting at the Metropolitan church.
In regard to the social evil, satisfaction is expressed at the more humane point of view with regard to the victims and the substitution of the hospital and home for the law court and the prison, as well as the amendment made this year to the prima code, which for the first time seeks to put offenders of both sexes on a par. Further steps are recommended to be taken in connection with British Columbia, which is regarded as a scandal to Canada.
The committee on amusements reported recorded an emphatic protest against those exhibitions which make a frank appeal to the sensual in men by the exposure on the stage of semi-naked women clad in flesh-colored "tights."
"We would suggest," says the report, "that in cases in which actresses code which appear in tights they be compelled to use some color which should not in any way resemble human flesh."

AUSTRALIAN RECIPROCITY

London Paper Hears Western Men Urging Speedy Adoption.

London, Oct. 24.—"Traveler" writes in the Standard that in Western Canada practical men are combining to urge upon the government at Ottawa the desirability of hastening an era of reciprocal trade arrangements with Australia and other British dominions. "We are sure that they will receive an intelligent and sympathetic hearing by Canada's brilliant minister of trade," the Standard states.
Charity begins at home, but we don't always find it there when we call.

LESS MEAT IF BACK AND KIDNEYS HURT

TAKE A GLASS OF SALTS TO FLUSH KIDNEYS IF BLADDER BOTHERS YOU.

Eating meat regularly eventually produces kidney trouble in some form or other, say a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.
The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.
Jad Salts cannot injure anyone; makes a delightful effervescent lithia water drink which millions of men and women take now, then to clean the kidneys and urinary organs clean, thus avoiding serious kidney disease. Agent, Geo. W. Mahood.
