The games scheduled for next Sat arday in the soccer league are between C.L.C. and Departmental increase and efficiency campaign which teams, and Shipyards, and R.C.H.A. The last game will be the more interesting of the two, and if the Shipyard is in as strong condition as at last Saturday's game it will easily be another win for it. The last game which these two teams played resulted in a victory for Shipyard, after a very strenuous contest, the Shipyard scoring in the last few minutes, making the tally 1 to 0. The Shipyard team is, however, much stronger than it was at that date when it defeated R.C.H.A., having had several new and more experienced men added to the line-up.

> It would be hard to say which of the teams will win in the second game between C.L.C. and Departmentals, as the latter team gave R. C.H.A. a pretty warm match last Wednesday, and it ended in a draw. They are in fine shape, and if the C. L.C. do win it will not be by a large
