**How to Make Better Cough Syrup than You Can Buy**  
 A Family Supply, Saving \$2 and Fully Guaranteed.  
 Sixteen ounces of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it in less than 24 hours. Excellent, too, for croup, whooping cough, sore throats, asthma, hoarseness and other throat troubles.  
 Mix two cups of granulated sugar with one cup of warm water, and stir for two minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a 16-ounce bottle, then add the sugar syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.  
 This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.  
 The effect of pine and sugar syrup on the inflamed membrane is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quinine and all the natural healing pine elements. Other preparations will not work in this formula.  
 The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been imitated, but the old successful formula has never been equaled.  
 A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

**DEAFNESS CANNOT BE CURED**  
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing is destroyed forever; nine cases out of ten are caused by catarrh, which is often but an invariable condition of the mucous surfaces.  
 We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular to J. C. HENNEY & CO., Toledo, O.  
 Take Hall's Family Pills for constipation.
