That the cold weather has just commenced. So let us help to keep you warm by fitting you with a pair of Felt Boots. Prices \$1.75 to \$3.50

JOHNSTON THE PRACTICAL SHOE-MAN 70 BROCK ST.

ON "INDULGENCES"

A SERMON BY REV. W. F. FITZGERALD.

In St. Paul's Church on Sunday Evening—The Bishop of Kingston Was the Evening Preacher in St. George's.

St. Paul's church was filled on Sunday evening when the vicar, Rev. W. F. Fitzgerald, continued the preaching of the series of special sermons relating to the papacy.

Mr. Fitzgerald dealt with the idea of indulgences, with their origin in the Roman Catholic church of the middle ages, and the effect of the practice has had on the Roman communion.

The service was conducted by Canon W. W. Groat, Canon E. Loucks and Archdeacon O. G. Dobbs assisted. The choir capably led the singing portion of the service.

In St. George's Cathedral

Rev. E. J. Bidwell, bishop of Kingston, preached at the evening service in St. George's cathedral, delivering a fine discourse from John 1:14.

WEDDED AT MERRICKVILLE

The Newman Jakes Nuptials on 30th of December

Trinity church, Merrickville, was the scene of a pretty wedding on Tuesday, December 30th, when Miss Edna May Jakes, eldest daughter of Mr. and Mrs. J. Chester Jakes, was united in marriage to William Arthur Newman, B.Sc., of Kingston.

The bride was Miss Laura Jakes, sister of the bride, who was gowned in a handsome costume of palest pink satin charmeuse, trimmed with white fur.

John Clark, of Smith's Falls, was best man, an interesting fact in this connection being that his father, the late J. M. Clark, officiated in a similar capacity at the marriage of the groom's father, the late Michael Newman.

Mrs. and Mrs. Newman left at noon for a wedding trip to western points, and on their return they will take up their residence in Kingston, the groom being a member of the staff of Queen's University.

The bride wore away a smart tailored costume of navy blue serge, a black hat trimmed with osprey and black fox and ermine fur.

The groom's gift to the bride was a handsome diamond and sapphire ring set in platinum. To the groomsmen he gave a pearl scarf-pin.

JOHN TURNER LOCATED

He Was Ill of a Fever in New York City.

Mrs. William Howland, of 196 King street, who feared that her brother, John Turner, might have been the man who succumbed by jumping off a ferry steamer between Windsor and Detroit last week, has received a letter from New York, stating that the young man has been ill of a fever in that city for some time, and was unable to write.

He is convalescent and will soon be able to return home. He left Windsor after he last wrote to his relatives here, on November 26th. After reaching New York he was stricken with illness, and being without friends, word could not be sent to his home here. The young man has been in a hospital for a month.

Weather Notes.

The disturbance which was over the South Atlantic states on Saturday moved north-eastward, passing off the New Jersey coast, and has caused heavy north-easterly gales near the shores of the maritime provinces. The weather has turned somewhat colder in Ontario and Quebec, and milder in the western provinces.

To-Convert Into Stores

A permit has been taken out for the erection of a new front in the building known as the Russell hotel, which is to be converted by the new owner, John Laird, into two stores.

Captain James T. Boyland, formerly a well-known resident of Cape Vincent, aged ninety years, is the oldest member of the commandery in the county, having been made a Sir Knight in 1855 when George C. Sherman was eminent commander.

The A. P. R. steamer, Montrose, which left Halifax for London, suffered damage to her machinery when seventy miles out and had to return to Halifax.

Four Egyptian convicts were killed and fifty wounded during a mutiny. They were fired on by the guard.

A gathering of Moral Crusaders demand the closing of all night cafes in Montreal.

THE SPORT REVIEW

FRONTENACS MADE A RECORD ON THEIR TOUR.

Without Practice They Lost Only One Game In Four Games Played—Detroit Sat Up and Took Notice.

The Frontenac hockey players arrived home from Detroit on Sunday morning. They speak in glowing terms of their trip. The citizens of Kingston have need to feel proud of the boys, when they consider that the team left the city without any ice practice, played four games and lost one. After leaving the city, last Monday evening, the team was matched against a conditional outfit in Preston. On this occasion the locals lost by two points. Wednesday evening a tie match was played at Sarnia.

After the Frontenacs crossed the border, they showed Detroit that they could play the game, by winning both matches. This was a record at Detroit, as Frontenacs was the first team to win two games in that city.

The team also made a travelling record, in that it played four games in four days and journeyed between five and six hundred miles. On the trip home from Detroit the Frontenacs dropped off at Toronto. There they witnessed the Quebec-Toronto game, in the Arena, on Saturday evening. When they arrived at the rink, the Toronto, of which Allan Davidson, a former member of Frontenacs, is a defence player, were losing to Quebec, which led by 2 to 0. The cheering of Frontenacs seemed to put new life into "Davie." A few minutes later he rushed up the ice for the first Toronto goal of the evening. The whole team seemed to pull together and as a result Toronto won out by 6 to 3. Davidson landing three of the six goals.

When it became known at Detroit that a Canadian team was to play in that city on Thursday evening the many residents of Detroit, who are Canadians by birth, flocked to the rink and cheered the local boys to victory.

Every man who accompanied the Frontenacs played well. Cook was a marvel in the nets; Stanton and Ferguson were faster than ever; Roginski Crawford, at centre, has improved wonderfully; Brouse is going like a house on fire; while Boyer and Reid, the wing men, have improved greatly since last winter.

The following juniors accompanied the seniors: Norman Millan, Rubie Millan, Derry, and W. Cooke. The management of the team feels that after the showing which these juniors made in Detroit the local hockey fans of their present tour, and will be represented by the strongest junior squad that ever wore the uniform.

On Friday evening the team which defeated the Americans by 5 to 1 was made up of juniors, with the exception of Brouse, Cooke, the new man at right wing, is certainly a "comer." His play in Detroit was excellent. Capt. R. Millan, played his cool game at centre ice. His brother, "Terry," played a strong game at the rover position.

On New Year's morning the team got together at Sarnia and elected Rubie Millan as captain of the junior outfit. No better choice could have been made. With his brother, "Terry," at centre ice, the Millan family can certainly feel proud of the hockey ability displayed by these two.

While in Detroit the local hockeyists were given two theatre parties and also a supper at the new Frontenac cafe.

The sporting writer in the Detroit Tribune makes the following comment:

about the game on Friday evening: "With their entire forward line composed of boys under the age of twenty the Frontenacs played spectacular hockey. R. Millan, who played a star game at centre, scored the most points, tallying once in the first and once in the second half. His brother, 'Terry,' Millan, the rover for the Canadian team, scored in the first half. Faster and cleaner than any exhibition on the ice this year, was the clash between Frontenacs and the Detroit arena hockey team on Friday evening."

Toronto News on Frontenacs

C. H. Good, sporting editor of the Toronto News, commenting on the teams comprising the senior O.H.A. grouping, says:

"There are not a few hockey critics of the opinion just now that Midland and Kingston will provide the keenest competition in the senior O. H.A. and that if they do not win out they will come pretty close to doing so. The Frontenacs, carefully nursed along by J. T. Sutherland, have been showing mighty good form on their present tour, and will be a much harder proposition than they were last season, when they were compelled to play without having more than two or three practices. They will undoubtedly give the St. Michaels hard battles both at home and at the Arena. Rankin has apparently gone off his game completely and there does not seem to be any one capable of filling his place. If he is not able to play the Saints will be weak in centre ice and will be shorn of much of their effectiveness. Kingston is a well-balanced team and their easy victories over Sarnia and Detroit indicate that they are in pretty good shape for their opening game here next Saturday with Varsity."

Will Play Friday Evening

The Kingston Collegiate Institute hockey team will play its second game at the covered rink on Friday evening, when it meets Belleville. The local bunch are looked upon as winning the group.

Game Was Called Off

The game between Sarnia and Frontenacs, which was slated for Saturday evening, had to be called off on account of the lack of ice.

Hockey Notes.

The Frontenacs are grateful to Regiopolis for loaning the younger Millan to them for their tour.

The junior Frontenacs will practice at the covered rink from 10 till 11 o'clock to-night, after which the team will play in Peterboro on Tuesday night, which will be picked. The players will leave on the 12:20 train Tuesday in charge of George Vanborne and "Senator" Powell. J. T. Sutherland has to go to Toronto on business, and will be unable to accompany the boys.

Eaver Bey, has been made minister of war to Turkey. Trouble is feared from Russia over the appointment.

The federal government will build a dry dock at Esquimaux, B.C.

Child Had Bronchitis

Once people get acquainted with the wonderful control which Dr. Chase's Syrup of Linseed and Turpentine exerts over bronchitis, whooping cough, croup and colds it is not easy to persuade them that anything else is "just as good." This is why the imitators never get very far.

In 1902 Mrs. Eugene Her, King street, Truro, N.S., writes as follows: "From an infant one of my children was troubled with bronchitis and the least cold would aggravate the trouble. We could not get anything to help him, and were often greatly alarmed. Hearing of Dr. Chase's Syrup of Linseed and Turpentine as a treatment for bronchitis, we used it and are glad to state that it effected a complete cure. If any of the children take a cold or cough I give this medicine, and have never known it to fail to bring relief."

Mrs. Her now writes that she has since proven this medicine to be a cure for whooping cough, and would not be without it in the house.
