UTILITIES COMMISSION HALLIDAY ELECTED
AS REEVE OF PORTSMOUTH IN CONTEST ON MONDAY.
Defeated Reeve John Fisher by Twenty-Four Votes in a Keen Contest—Candidates Made Short Addresses to the Electors.
James Halliday is reeve of Portsmouth, defeating Reeve John Fisher, in a keen contest on Monday by a majority of 24 votes. The vote stood 196 to 82. As the councillors were re-elected by acclamation, the vote re-elected centered in the contest for reeve, and both sides got out and worked hard.
At the elections a year ago, Reeve Fisher defeated R. J. Baiden by 24 votes. There were five spoiled ballots in the contest Monday, three being marked for Halliday and two for Fisher.
After the returns had been announced in the village hall, the reeve-elect and defeated candidate addressed the electors.
Mr. Halliday thanked all who had supported him in the fight, and stated that he would do all in his power to promote the interests of the village. During his term in the council, he had endeavored to the best of his ability to give the electors the best possible service, and would continue to do so.
Reeve Fisher tendered his thanks to all who had supported him in the contest.

HAWKEY ELECTED REEVE
Of Kingston Township Over Byron Gordon by 30 Votes.
In Kingston township on Monday Joseph T. Hawkey, reeve, deputy-reeve, was elected reeve over Byron Gordon, who has occupied that position for the past two years by a majority of thirty. The contest was one of the keenest ever fought in this township. Mr. Hawkey had a superior organization and went into the fight to win, just as he did when in the wrestling game. The figures are:

For deputy-reeve—Benson Coulter, 393; A. E. Weller, 277; John Clyde, 88.

MUST DEBAR CHILDREN
From Selling Newspapers in the Hotel Bars.
Rev. A. E. Smart, the inspector for the Children's Aid Society of Kingston, and Frontenac, has sent notices around to all the hotels notifying the bar tenders to stop children selling newspapers in the bar. A case came before the inspector about a little girl who had been in one of the local hotel bars selling papers, and was not acting in a proper way. Mr. Smart would like to have this state of affairs stopped.

Coffee by the Ton.
Generally we think and speak of coffee by the pound, but by looking at James Redden & Co's advertisement in to-day's Whig we see that they speak of it by the ton. Almost five tons sold during the past year is truly a marvellous record. This large amount of coffee is all roasted on the premises and ground as required by their electric mill. Perfect freshness, guaranteed purity and high quality make a combination hard to beat. Anyway the people think so, judging by the quantity Messrs. James Redden & Co. sell. We wish them still greater success during 1914.

Left to Itself Eczema Spreads
When left to itself, eczema, as a rule, runs on indefinitely. Even with careful treatment it is often obstinate in resisting curative measures. The cause is often difficult to find, but you can readily obtain relief from the dreadful itching by the application of Dr. Chase's Ointment. This treatment cleanses the sores and soon sets up a process of healing which leads to complete cure. Patient and persistent treatment is necessary in severe cases, but as you can readily see the improvement from day to day as Dr. Chase's Ointment is applied, you will be encouraged to keep on until you have driven out the disease and restored natural, healthy skin. Attention to the general health is advisable in order that the cure may be lasting, but you can depend on Dr. Chase's Ointment to stop the itching and heal the skin. So well does it accomplish this that many cures it brings about are almost like miracles. Put it to the test and you will be surprised and delighted with the results.

PLEASED WITH REMARKS
Thanks Whig For Sentiment Expressed Towards French.
J. E. H. Howison, 129 Montreal street, writes to the Whig to the following effect, in regard to the address of Hon. Mr. Lemieux, and which led to some remarks in an editorial in the Whig:
"I have read with great pleasure your editorial of Tuesday last, headed 'Harmonizing the Races,' and I desire to tender you my most sincere thanks for the sentiment which it expresses towards the French.
"I am of your opinion that the Nickle idea concerning the French is the correct one and I have not the slightest doubt that by the interchange of thought Mr. Nickle, pronounced in his address to the commercial travellers at their recent banquet, the people of Ontario and Quebec would understand each other the better."
Mr. Howison further discusses the attitude of a contemporary on the same question, and which had led to a short controversy, and without seeing me if you want to save money on all kinds of household goods.

ERNIE MARKS AT THE GRAND.
Company Presents "The Canadian Gentleman" to Crowded House.
The Ernie Marks' Stock company opened a week's engagement at the Grand opera house last evening, an immense audience being present. The company consists of some old favorites, with the irrepressible "Ernie" at the head. The piece presented was "The Canadian Gentleman." Mr. Marks scored in securing this play. It is a big feature in high-class dramas and one of the masterpieces of the season. The story centres around the career of a young heirless, stolen by the gypsies, and her final restoration to her father, Miss Carol Lynn, in the role of "Carana," the stolen gypsy girl, was charming in her part, and carried the audience by her gentile and winning ways. Harriet Carrolton (Marie LeTour) portrayed the arts of a woman who hates, and whose schemes are baffled. Miss Leda Gardner, "Mother Zara," the old gypsy hag, was perfect in her role. "Polly Brighteyes," by Miss Hazel Brown, was bright and cheery and acted well. Webb Chamberlain, Wesley Berney and Charles A. Taff, as "Zeppo," took their several roles cleverly. The specialties were mirth-provoking and were put on by high-class comedians. The Two Browns in their singing and talking number were warmly applauded. Gus Howard's singing and dancing were a feature of the entertainment, while his rendition of "When the Twilight Tells the Story to the Rose" won for him a vigorous encore. Frank Clayton, the "Ba! Ha! Man," with his jokes and his imitation of the bagpipes and his tomato can callope, proved himself to be a real fun maker.
To-night the company presents a pretty drama entitled "Sweet Clover."
