WAR IS EXPENSIVE

average American has been talking and a new clause puts it in the pow- worry if it is going to take as long peace, and General Wood suggests er of the commissioners to take these to train a new leader as it took to that he talk war, and prepare for it. complaints into account and to act train Moses. The Hon. "Jimmy" will Truly the military craze is spreading, upon them, and especially for mis- not care what happens forty years and if there is not war, desolating, conduct, to cancel the licenses at hence. the fault of the alleged "military stratagists." The following statement, so modestly made as to almost escape attention, in the Syracuse Post-Standard, should be cut out and sent to General Wood with the request that he give it his prayerful consideration : "Montenegro is bankrupt, Bulgaria in- of solvents Greece hard up and Turkey in ments, tending to induce the public its chronic state of indebtedness. War to believe that the use of intoxicants is an expensive game." America does not want it at any price.

Carnegie is spoiling Dumfernline, Seotland, his native town. He given it another \$10,000,000 for pub- one hundred dollars and costs, and in lie improvements. Do the people any town appreciate the fine things it for two manths; and for a third or possesses without cost to them. Citi- hundred dollars and costs, and in dezens do not like taxes, but they like fault of payment an imprisonment for the things their money has bought, three months." and take good care of them.

A VERY STRONG CONCESSION

The Whig has been asked, How do you like the Utilities' Commission? Very well, indeed. It is largely composed of the men whom this paper through experience, for the positions they hold. The mayor is the choice of the citizens. He must enjoy their confidence. Ex-Mayors Ross and Rigney, and ex-Ald. Toye, are ex-chairmen of the committee. They bring to their deliberations a knowledge of the power, water and light business which must help them very much. Mr. Birkett is the only new man, and he is exceptionally well-posted in many departments of industrial life outside of miers in Canada, but he is a his own, accounting. Two of these gressive and courageous legislator. He members were leaving the Council this out. So that they would not be the bar, and the bill which is now available for service on a committee before the house shows that what had the new system continued. It is ever he approves he is willing . to not argued or assumed that men so carry through.
