THE PUBLIC LIBRARY THE BOARD OF WORKS

WANTS \$500 ADDITIONAL FROM
CITY COUNCIL.

The Library Has Barely Enough to
Keep Running—Membership Must
Be Increased—Good Work Be-
ing Done.

The annual meeting of the Kingston
Public Library was held on Tuesday
afternoon, at which the following were
present: Dr. A. E. Ross (who pre-
sided), Dr. Isabel McConville, Lieut-
Col. H. R. Duff, Prof. W. L. Grant,
Col. G. H. Ogilvie, T. McK. Robertson,
T. J. Rigney, James Redden and A.
Strachan.

The chief business discussed was
about the lack of necessary funds to run
the library as it should be done. James
Redden was of the opinion that instead
of the city only allowing a grant of
one thousand dollars a year, the coun-
cil should be petitioned to give an extra
five hundred dollars, or an annual grant
of fifteen hundred dollars.

Another thing which came up for dis-
cussion was the membership. Mr.
Rigney favored the project of placing
posters in the Locomotive Works and
other industrial places giving speci-
ficates to workers. Prof. Grant claimed
that if a special rate were offered the
students, say one dollar and a quarter
for six months session, he was of the
opinion that many would not doubt be in-
terested to enroll as members of the
library. For the year 1913 there were
only ten new names over the mem-
bership of the preceding year.

At this rate it is almost impossible to
pay expenses, besides placing new books
into the library. In view of this the
city council should look into the matter
and do everything in its power to help
along the good work which the institu-
tion is doing, in the way of educating
many of the school children who from
time to time are constantly dropping
into the library, reading room and re-
ceiving much benefit from it. This is
one way in which the city can do much
in the way of educating its children if
the necessary steps were taken to place
such an institution as this public library
on a good and sure footing.

Lately it has been achieving excellent
results under the charge of Mrs. A.
Kennedy, the librarian, whose report
showed everything to be in the best
condition. As Col. Duff said: "A short
time ago the complaints reaching me
about the library were numerous, but
now, I am glad to say that those com-
plaints have ceased, no doubt through
the good management of Mrs. Kennedy."

Mr. Robertson claimed that the library
should be enlarged, and work towards
the point where the city will have a
Carnegie library.
Mrs. Kennedy and the other's present
thought this too big a step for the pre-
sent as larger premises would be re-
quired. Furthermore it would also ne-
cessitate the purchase of more
valuable books. It was agreed that for
the present the present institution would
be the desired aid. From what has
been shown as to the financial conditions
of the library, there should be no hesi-
tation on the part of the city council in
granting a further sum of five hundred
dollars.

The election of officers resulted:
Mayor Abraham Shaw, honorary presi-
dent; Dr. A. E. Ross, president; James
Craig, vice-president; Dr. Isabel Mc-
Conville, secretary; James Redden,
treasurer. There will be a book com-
mittee composed of Prof. W. L. Grant
(who will act as chairman), Col. G. H.
Ogilvie, T. McK. Robertson, James M.
Farrell, Dr. Isabel McConville, Miss L.
Mowat.

The board of management will con-
sist of the above officers and the fol-
lowing: T. McK. Robertson, Archibald
Strachan, Prof. Grant, Col. Duff, T. J.
Rigney, Col. Ogilvie, J. M. Farrell, W.
H. Macnee, Miss Annie Davidson, Miss
L. Mowat, Mrs. W. G. Myke.

RELIEF FOR FAMILIES
No Very Serious Cases Have Been
Reported Yet.

The Whig made inquiries on Wed-
nesday morning and was informed by
parties who are in a position to
know that while there were a few
cases which were being attended to
there were no serious cases of dis-
tress in the city. Lack of employ-
ment for the month given as the
cause of all the trouble.
It is stated that the number re-
ceiving aid from the poor relief com-
mittee this year is much larger than
last. The committee has been called
upon to give out coal and in one case
had to provide food.
The charity workers have received
several offers from citizens to pro-
vide coal for needy families and the
kind offer has been very greatly ap-
preciated.

MILDER WEATHER COMING
Thursday Will Have Higher Tem-
perature and Snow

Cheer up, the weather man has
good news. He says that Thurs-
day will be milder. His prediction at
noon Wednesday was "milder with
snow."
This will be good news for King-
stonians, who have been experiencing
the coldest spell in some years. At
noon the weather moderated consid-
erably, but it has to go down some-
more before it will be at all com-
fortable. Everybody is talking about
the extreme cold weather. A cold
wave has been sweeping all Eastern
Ontario since Monday morning.

Early Morning Fire
On Wednesday morning at 12.10 o'-
clock the firemen received a telephone
call to 65 West street, to a house
owned by Mrs. Olive and occupied by
Captain Robert Fraser. A delect-
ive chimney caused the trouble, and
the loss to the building will amount
to about \$30, with slight loss to the
contents from dust. A portion of the
brick work behind the fire grate had
to be removed, so as to get at the
wooden joists, which were burning.
One third of a gallon was used from
the chemical extinguisher.

District Orange Lodge
The district Orange lodge met on
Tuesday night, and elected the follow-
ing officers for 1914: District master,
James McCann; district deputy mas-
ter, W. Lowry; chaplain, A. Bry-
ant; recording secretary, R. McCorkle;
financial secretary, W. Neill; treasurer,
J. Murray; D.O.C., F. Miller; first lec-
turer, W. Milligan; second lecturer, W.
Cullen.

TO DEAL WITH THE TELEPHONE
POLE QUESTION

Thought the City Can More Easily
Get Concessions From Property
Owners—The Market Tollques-
tion.

On Thursday afternoon the Board of
Works at its first meeting of the year
will likely give some consideration to
the Bell Telephone company's request
that the city secure for it rights of
way so that it may remove its poles
from Princess street. The opinion is
held that the reason the company asked
the city to do this was that the
civic corporation might prevail upon
property owners to allow the company
to carry its wires over its buildings
and erect poles in their lanes and
backyards in quicker time than the
company could secure the same con-
cession. It is admitted that the Board
of Works has a task ahead of it, if the
pavement on Princess street is to be
laid this year. A canvass will have to
be made at once of the property own-
ers concerned.

Ald. T. F. Harrison will have a lit-
tle conference this afternoon with his
property committee. The chief matter
before this committee, will be whether
the market tolls should be abolished.
Last year's committee shewed the
matter, but individually the members
were opposed to abolishing the tolls.

STILL UNDER INVESTIGATION
Alleged Trafficking in Tobacco by
Pen "Guards."

The alleged trafficking in tobacco, by
the guards at the penitentiary, is still
under investigation by Lieut.-Col.
Ogilvie, the warden. It was reported
that several guards had been found
guilty of an offence and had been
dismissed, but Warden Irvine stated to
the Whig that there has been no more
dismissals, although the matter was
still being probed.

Girls' Fellowship Club

The Girls' Fellowship club met in the
Y.W.C.A. Tuesday evening, with a good
attendance. The president, Miss Birdie
Jamieson, gave an excellent report of
the Y.W.C.A. convention held in
Muskegon in June last, at which she was
a delegate. Miss Lizzie Cullen rendered
a fine solo. After discussing other
business concerning the club, light re-
freshments were served.

Grand Concert

By Y.M.C.A. glee club, assisted by
Mrs. Etta Doherty Robinson, leader,
and Miss Goldie Bartels, violinist, in
the Association Gymnasium, Thurs-
day evening, Jan. 22nd. Twenty-five
of Kingston's best trained men voices,
Choruses, duets and instrumental
solos, readings, etc. Admission, 25c.

This is great weather for making
ice, but it is too cold to enjoy
skating.
Remember Queen's Musical club's
annual concert to-night. See Advt.
Page 7.

Kingston's Famous Fur Store

Real Fur Weather

CROW LAKE ITEMS

The Whig Regrets Publishing a Mis-
leading Letter.

The Whig regrets to learn that the
news items from Crow Lake, published
under date of the 16th Dec., contain
a number of misstatements. These
items were published by us in good
faith; they were signed by a regular
subscriber, whose veracity we had no
reason to doubt. It appears now,
however, that this signature was a
forgery, and that the items were sent
in by some irresponsible individual. If
the publication of this letter has caused
annoyance or injury to any one,
the Whig sincerely regrets it. This
paper has ever been careful to verify
items sent in from country points, and
nothing is published that does not
bear the signature of the writer. When
signatures of reputable residents are
forged, a paper is quite apt to be
misled. In such cases it can only ex-
press its regret and tender its apolo-
gy to any and every reader whose
feelings have been hurt.

TRAINS ARE LATE

The Cold Weather is Causing Delays
on the Railways.

The railways all over the country
are also "up against" the severe
cold weather. Although the trains
on the Kingston sub-division of the
C. P. R. were pretty well on time,
those on the main line are late.
The C. N. R. train into the city on
Wednesday morning was a little be-
hind time.

The Grand Trunk trains were
practically all behind time on Tues-
day and Wednesday, due, it is
other lines, to the difficulty in keep-
ing up steam and trouble with the
boxes. On Wednesday noon the
G. T. R. trains from the west were
thirty-five minutes and one hour
late, and the two from the east
about the same. Travelling is not
very pleasant these days.

A Lady's Illness.
Word has been received in the
city that Mrs. J. Leslie, Huntington,
W.Va., has been removed to the hos-
pital there pending a serious opera-
tion. Mrs. Leslie is well known in
Kingston, having spent part of last
summer with her brother, Thomas
Davidson, Pembroke street.
