INDOOR BALL GAMES

PLAYED IN THE MILITARY OFFICERS' LEAGUE.

The 14th Defeated the 41st by 26 to 15 — The 15th Won From Kingston Permanent Officers by 28 to 25.

At the Armouries, on Monday night, the officers of the 14th Regiment took those of the 41st Regiment, of Brockville, "into camp" to the tune of 26 to 15, in a game in the Military Baseball League. It was the second of the double-header, and concluded about 11:30 o'clock. This was the local rifle officers' first home game, after the Belleville officers "had carried out a tactical movement" which left them behind in that city last week. But Brockville's argument on Monday night was fairly persistent, and the 14th outplayed them throughout.

Capt. Campbell's team secured a lead of five runs in the first few innings and, as "every little bit added to what they had made a little bit more," hit the region of 26 by the last inning. The teams were: 14th—Lieut. J. W. Stagg, c.; Capt. P. G. Campbell, p.; Capt. W. Y. Mills, lb.; Capt. E. B. Sparks, 2b.; Lieut. A. W. Winnett, 3b.; Lieut. P. d'Estero, r.s.; Lieut. G. Dawden, l.s.; Lieut. L. C. Lockett, r.f.; Lieut. H. D. Wightman, l.f.

15th—Lieut. F. Byler, c.; Capt. H. H. Edwards, p.; Capt. C. T. Wilkinson, lb.; Capt. R. A. Bowie, 2b.; Capt. J. V. Brown, 3b.; Capt. W. M. Edwards, r.s.; Lieut. C. Campbell, l.s.; Lieut. C. R. McHenry, r.f.; Lieut. J. A. Brennan, l.f.

The second game, that between the Kingston permanent officers and those of the 15th Regiment, of Belleville, was the snappier of the two exhibitions. The visiting military men won it by a close margin of 28 to 25 runs. They about held their own until the fifth inning, when their "brothers-in-arms" had to acquiesce and seven runs. Although their local opponents shot in ten runs in the seventh and eighth, Belleville added nine and held a lead. The teams were:

15th Regiment—Lieut. P. K. Ketcheson, c.; Capt. W. J. Cook, p.; Lieut. B. L. Hyman, lb.; Capt. Tennant, 2b.; Capt. R. D. Ponton, 3b.; Capt. A. P. Allen, r.s.; Capt. W. H. Hudson, l.s.; Lieut. E. D. O'Flynn, r.f.; Lieut. J. J. Middleton, l.f.

Permanent Force—Capt. C. F. Constantine, c.; Major D. Young, p.; Lieut. J. M. Hughes, lb.; Lieut. Col. H. A. Panet, 2b.; Major J. E. Mills, 3b.; Lieut. H. P. Lafferty, r.s.; Capt. H. E. Bank, l.s.; Lieut. C. V. Bishop, l.f.; Capt. H. A. Chisholm, r.f.

Col. Sergt. W. Hall, of the 14th, and A. McNeil, of Toronto, acted in both games as umpire and scorer, respectively, and gave mutual satisfaction. After the game, before the visiting officers took the night trains for the east and west, they were entertained by the local officers in the mess rooms at Tete de Pont barracks and the Armouries.

FORGOT TO GIVE
The City Engineer "a Chance" to Make an Explanation.
When the paving question was under discussion by the City Council on Monday evening, Ald. Nickle remarked that the city engineer should be given a chance to say whether or not a change made against him at the last meeting of the Board of Works by Ald. Fair was true or not. Ald. Fair stated that the engineer had inserted with a purpose the word "assist" in connection with the appointment of T. H. Mather, of Syracuse, N.Y., as consulting engineer, in regard to the paving of the street railway allowance. According to the motion passed by the board last year, Mr. Mather is to "assist" the city engineer in preparing the plans and specifications.

The mayor ruled that the matter would have to be brought up under another order of business, but nothing more was heard of it. To the Whig the city engineer stated that he made no change in the motion of the board. The motion appears on the books just as it passed.

Y.M.C.A. Boys Debate
On Monday evening, at the meeting of the Young Men's Bible class, held in the Y.M.C.A. building, a debate took place between four members of the high school boys' club on the subject, "Resolved that electricity is a greater power ~~at~~ the present day than steam." Harold Farrar and George Dawson were the speakers for the affirmative while Wellington Simmons and Clifford Reynolds argued for the negative. J. W. Kelly, W. J. Saunders and Rev. S. J. Campbell acted as judges, and decided in favor of the affirmative by seven points to two.

VEGETABLE GROWERS

Held Annual Meeting at Cataract On Monday.

The annual meeting of the Kingston branch of the Ontario Vegetable Growers' association was held in the township hall at Cataract on Monday afternoon, following the meeting of the agricultural society. During the discussion of matters having a bearing on the interests of the vegetable growers it was shown that the aim of the association is to get the best seeds at the most reasonable prices, and to keep in check the continued encroachment on the people's rights of the large wholesalers of same who are continually petitioning the government and waiting on it in delegations to stop small lots from coming in by increasing duties on the same. Only last year one of the largest wholesale houses in Canada threatened Henry Mette, of Quidenberg, Germany, that if he continued to sell his goods to the growers of Canada they would cancel all orders they had placed with him and order two more until such time as he refused to sell the growers direct.

The Ontario Vegetable Growers' Association this year has appointed a buyer, Mr. Kerr, of Ottawa, to procure seeds for it, and it will buy seeds and onions for transplanting, and nearly everything they require in their business at an annual saving of from thirty to sixty per cent. In fact on some varieties, as high as two hundred per cent, after paying him ten per cent for transacting business for them. The impression has gone abroad that they had banded together to raise prices on our products. It is incorrect.

The election of officers resulted: President, R. J. Bushell, Bath Road, (re-elected); vice-presidents, John Baker, Cataract; John Watts, Kingston; secretary-treasurer, E. K. Purdy, Kingston; directors, Leon Morrison, Walter Cooke, William Weston, Wesley Harpell, Cataract; John Friendship, Kingston; Henry Baiden, Portsmouth.

The financial statement showed a balance on hand.

Epworth League Gathering
A large gathering turned out to Queen Street Epworth League, on Monday evening, to hear addresses given by Rev. G. I. Campbell and Rev. A. E. Smart. The former gave a graphic account of his trip through the Rockies last summer, and the many things which he witnessed. Mr. Smart spoke on his work in connection with the Children's Aid Society. During the course of the evening a solo was sung by Mrs. McHenry and a duet by the Misses E. Ross and L. Deury.
