## 15 - DAYS CASH SALE ONLY - 15

The weather before Christmas has been very unfavorable, therefore we have been left with more stock than expected, so we have decided to put the Knife in all our departments. We have one policy that never changes, viz.: We will not carry one season's goods till the next. In order to clear our big stock our prices have been greatly reduced, that is less than a garment can be manufactured. Our \$45,000 (Forty-five Thousand Dollar) stock must be reduced in 15 days. The people attended our sale last year no doubt are aware what exceptional bargains were given. This year we have gone through our stock carefully and marked our goods in plain figures. Bigger, better values than ever. We must raise \$25,000 cash at once. In order to do this we will cut the heart out of the goods. You need the goods and we need the money. No one can realize the wonderful offerings here without seeing the qualities and styles. Your chance is now.
