RAILWAY AMENDMENTS

BY DELEGATION FROM MUNICIPALITIES

Indiscriminate Shouting and Whistling Waxed Stopped—Railway Alone Shall Pay For Elimination of Level Crossings.

Ottawa, Jan. 20.—A representative delegation of the Canadian Union of Municipalities waited upon Hon. Frank Cochrane, minister of railways, this morning, and presented certain proposed amendments to the railway act dealing especially with railways passing through large towns and cities. There were present, the minister, the chairman, H. L. Drayton, of the Railway Commission, and many local representatives. Restrictions were desired to prevent indiscriminate shouting and whistling of engines and trains in residential districts.

The delegation further protested against the municipalities being forced to pay the cost of protection or elimination of level crossings where the board of railway commissioners found that such crossings should be eliminated or protected. The railways should pay the cost.

The delegation urged strongly that there should be no discrimination in the matter of granting commutation tickets to various outlying towns where the density of population and circumstances were similar. The minister promised that the proposals should receive his earnest consideration.

McCurdy's New York Reports
Offerings of stocks continue to be limited in supply according to reports of floor brokers bidding for standard issues.
Accumulation of industrial bonds returning more than five per cent. is found for conservative account. The general bond demand is understood to be very strong for medium grades.
Attention is called to the point that market at the New Year will level the lowest in ten years, excepting the panic periods of 1903 and 1907.
Predictions are being made that Europe will soon enter this market on a large scale.
Herald: In the circumstances of the market exports of gold to Paris will create uneasiness.
Commercial: The bond market continues to rise, and that is the true foundation for a real bull market.
American: Prices of stocks continue to creep up in a quiet way.

THE HALLS OF QUEEN'S

A Dickens Evening in Convocation Hall.

F. M. Bell-Smith, B.C.A., delighted a fair-sized audience in Convocation Hall last night. The subject of his discourse was Dickens' "Christmas Carol." The story was strikingly portrayed by Mr. Smith. A life-like representation of Scrooge's meeting with the saints in his room and his visits to the poor was impressed upon the audience. Steps leading to Scrooge's reformation were clearly followed. Mr. Smith's impersonations of Scrooge, the spirit, and Tiny Tim, were especially good.
A musical programme was also provided for the evening.
The preliminaries of the Intercollegiate assault-at-arms were run off last evening. In the wrestling, Sheek, in the 115 pound class, was successful over Milne. Following this Shields in 135 pound boxing knocked out Wilkinson. In the 125 pound class Countryman defeated Craig. "Pat" O'Connor defeated Colquhoun in the 145 pound class. The semi-finals will be run off in the gymnasium at 5 p.m. The following Saturday the intercollegiate assault-at-arms will be held.

HOCKEY AND CURLING

ONTARIO TANKARD GAMES STARTED ON TUESDAY

Frontenacs Play Osgoode Hall in Toronto—A Queen's Hockeyist Had Toe Broken.

On Monday afternoon Queen's senior hockey squad had a workout at the covered rink. All the regular players were on hand with the exception of Len Smith, who has not returned from Montreal. Dr. J. J. Hartly was on hand for the practice. Hapell was used at the rover position instead of Len Smith. Gogley and W. Smith are rounding into two good defence players. The team will not have another game until January 30th, when it clashes with Varsity.

Frontenacs vs Osgoode
The senior Frontenacs left by special excursion train for Toronto, on Tuesday afternoon, to meet Osgoode Hall in the return game of the O.H.A. grouping, this evening. A win for the locals will put them in good running for the group championship, providing they are later able to trim St. Michael's.

Suffered a Broken Toe
"Jim" McLenn, a member of Queen's II hockey squad, suffered a broken toe while practising with the seniors, on Monday afternoon. It appears that when Dobson went to jump over a couple of sticks, his skate hit McLenn's toe.

Ontario Tankard Games
The primary round of group No. 1 of the Ontario tankard opened at the curling rink on Tuesday afternoon at two o'clock. Six clubs were represented by two rinks in each case. The following are in the group: Campbellford, Belleville, Napanee, Kingston, Brockville and Prescott. The final round will be played on Wednesday.

Game Called Off
The exhibition hockey match which was hoped would have been arranged between Queen's seniors and New Edinburghs, of Ottawa, has been called off. It is understood that the Ottawa outfit wanted too large a guarantee.

Ladies' Curling Club Bonspiel
The Kingston Ladies' Curling Club is sending two rinks to Toronto, on Monday, January 26th, to play a couple of games with Toronto lady curlers. The following ladies will likely represent the local club: Mrs. W. R. Givens, Mrs. R. S. Waldron, Miss F. Cunningham, Miss M. Gordon, Miss F. Smythe, Mrs. W. Mitchell, Miss P. Knight and Miss Mabel Dalton. It is altogether likely that Miss Minnie Gordon and Miss Mabel Dalton will skip the rinks.

The ladies are arranging for a big bonspiel to be held at the local rink, on January 29th and 30th. The following clubs have been invited to send rinks to compete: Toronto, Belleville, Peterboro, Montreal and Lachine.

VISITORS FROM GANANOQUE

Almost Missed Their Train While Saying Goodbye.

Louise Rebekah lodge, No. 10, of Kingston, held its installation on Monday evening, members of Harmony lodge of Gananoque officiating. The members later entertained the degree-team to a "treat" of home-made dainties, which were served by male waiters from Cataract and Kingston lodges.

The only incident to mar the evening was when the members went to the Grand Trunk station to see the installing team off. The members were so busy talking to their guests that they did not hear the conductor call all aboard, and the first thing they knew was that the train was under way and the guests who couldn't get aboard had to be driven to the outer station, where they barely caught the train.

City Council Notes.

The City Council will renew its petition to the Militia department, asking that the lease of the Barrisfield granite quarries, now held by T. S. Kirby, of Ottawa, be cancelled and transferred to the city, which would agree to furnish the Militia department with all the granite it required, at cost.

The request of the Associated Charities that the council open quarries so as to give work to the needy was referred to the Board of Works with power to act.

Alfred Newman, when the council was about to adjourn after eleven o'clock, suggested to the mayor that he "choke off" talkative aldermen so that the council members could get home at a seasonable hour.

The question of changing the sign by-law will be further considered by the Board of Works.

Death of Napanee Citizen

Edward Hogeboom, of Napanee, died in the Hotel Dieu on Tuesday morning. The late Mr. Hogeboom was forty-two years of age, and was born near Parker. For the past eleven years he resided at Napanee. He was a Methodist in religion. The deceased leaves, besides a wife, one brother and one sister, the former living in Watertown, N.Y. On Tuesday morning Messrs. Ming and Hambley, undertakers of Napanee, came to the city to take the remains to that place, where a funeral will be held from the home of deceased's brother-in-law, T. D. Scrimshaw, on Thursday afternoon.
