SEVERE NEURALGIA

Cured Through the Use Of Dr. Williams' Pink Pills

There is an excellent reason why Dr. Williams' Pink Pills have cured the most severe cases of neuralgia, sciatica and other complaints in the group known as disorders of the nerves. This group also includes St. Vitus dance, partial paralysis and the common state of extreme nervousness and excitability. Each of these complaints exists because there is something the matter with the nervous system. If the nerves have tone and are strong and healthy you will not have any of these complaints. The reason why Dr. Williams' Pink Pills cure nervous disorders is that they restore weak, run-down nerves to their proper state of tone. They act both directly upon the blood supply and the nerves. The highest medical authorities have noted that nervous troubles generally attack people who are bloodless and that the nerves are toned when the blood is renewed. It is thus seen that Dr. Williams' Pink Pills cure nervous disorders by curing the cause of the trouble. The following is an instance. Miss Annie Jones, London, Ont., says: "For over a year I was an intense sufferer from neuralgia, which located in my face and head. The pain at times was so intense that I could scarcely keep from screaming and nothing I was doing for the trouble seemed to help me. As time went on my whole nervous system was affected. At last when I felt that my case was almost hopeless I was advised to try Dr. Williams' Pink Pills. The result of this treatment was that I am now enjoying such comfort as I had not known for years, and only those who have suffered from neuralgic pains can realize what a blessing the Pills have been to me."

If you are suffering from any blood or nervous disorder begin to cure yourself to-day with Dr. Williams' Pink Pills, which you can get from any medicine dealer or by mail at 50c a box or six boxes for \$2.50, from the Dr. Williams' Medicine Co., Brockville, Ont.
