DRASTIC MEASURES URGED. To Fight Smallpox Epidemic Niagara Falls.

Albany, N.Y., Jan. 30:-In a telegram to Dr. Edward Clark, of Buffalo, a member of the state health couneil of the district in which Niagara Falls is located, Dr. Herman M. Biggs, the state health commissioner, urged drastic methods for fighting the smallpox epidemic in the latter city. The commissioner proposed the closing of all churches, theatres and places of amusement immediately, and either the closing of all schools, hotels and factories or the exclusion of unvaccinated persons from them. He also requested Dr. Clark to call the attention of the mayor to the telegram and urge him to convene a meeting of the local authorities to take up the situation. The commissioner asked to be advised of whatever action, if any was taken by the mayor, and added that he hoped it would be possible for the health department to work jointly with the local authorities and stamp out the disease. NOT BOOMING SUBSTITUTE

Vatican Indignant at Article Cabled to This Country. Rome, Jan. 29 .- The Vatican is in-

dignant at an article which appeared yesterday in La Temps, of Paris, and was cabled to Canada saying that the pope saw nothing wrong in the tango, itself, but objected to the extreme manner of dancing it. The article added that the Pontiff was booming a new dance intended

Vatican officials denounced the story as baseless nonsense. They said dances of any kind, and never has interested himself in matters of such a trivial nature. The only way in which he has taken action in regard to the tango was by approving the condemnation of that dance issued by the cardinal vicar recently.
