Acid Stomachs are Dangerous

Nine-tenths of All Stomack Trouble Said to be Due to Acidity.

A Physician's Advice on Cause

fire chief be instructed to sign the heart burn, which not only irritated and influmed the delicate lining of the stomach, but also set up gastritis and stomach ulcers. It is interesting to note that he condemns the use of patent medicines as well as of medical treatment for the stomach, stating that he and his colleagues have secured remarkable results by the use of ordinary bisuraced magnesia, which, by neutralizing the acidity of the food, removes the source of the trouble. He contends that it is as foolish to treat the stomach itself as it would be for a man who stepped on a tack to rub linament on the foot without first removing the tack. Remove the tack council decided to ask the Board of and the foot will heal itself—neutral. Education to prepare for use in the ize the acid and stomach troubles wi Irritating medicines treatments are useless, so remain acid; remove the acidity, and there will be no need for medicine—the inflamed lining of the stomach will then heal itself. Sufferers from should get a small bottle of bisprated magnesia from their druggist, and take a teaspoonful in a quarter of a glass of hot or cold water after meals, repeating in fifteen minutes if An adjustment regarding the fire in-necessary, this being the dose which the doctor has found most efficacious warance on the plant was left in the

No action was taken on the communication of the Leavitt-Jackson Engineering company, recommending its "E" chlorinator, to be connected up with a cylinder containing 100 pounds of liquid chlorine, which will deliver the proper amount of chlorine per million imperial gallons. The manager reported the breaking

erator, seventy-five horse-power size, alternating current, which, unless in use it was necessary to operate the big machine at night. He was empowered to purchase the electric armature re-

To End Donnelly Lease

The commission decided to this year terminate the lease which the Donnelly Salvage and Wrecking company holds for whariage at the waterworks pump-house property. The yard will be utilized for storage purposes. The lease expires in April. The company has been paying \$300 a year rental. The matter was brought to a head when Mr. Folger asked what repairs the commission purposed making to the wharf, which has been abused by the boats and sea.

The manager's recommendation re-paint, number and index all city hydrants, was endorsed. The fire chief will be supplied with the infor-

The matter of arranging for the disposal of three direct current moters, of Drs. J. Third and D. A. Black, and John Gilbert, grocer, was left with the manager. These are all that main im fleaving this west section clear for the alternating current.

Those present at the meeting were . J. Rigney, (chairman); R. H. Toye, H. Birkett, Dr. A. E. Ross and

JUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers.

People Do Not "Look Up" to Rates our blood is filled with uric acid, says a well-known authority, who warns lus to be constantly on guard against

> but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the en-

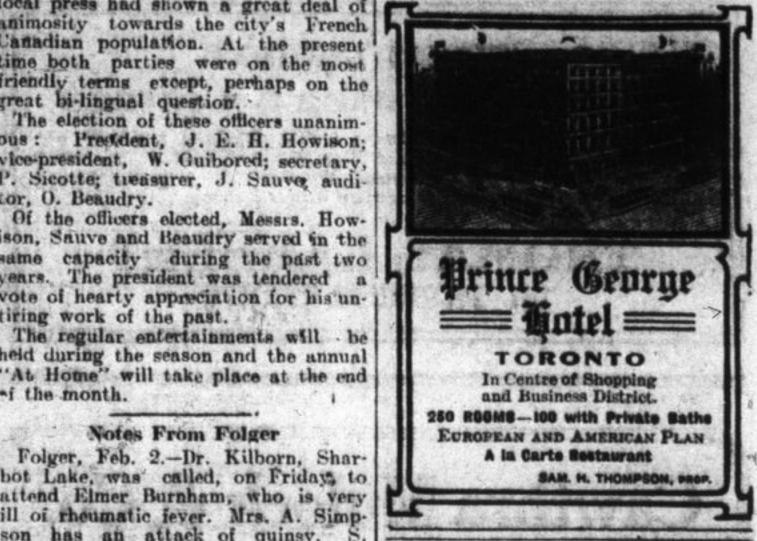

When the kidneys ache and feel like lumps of lead, and you have stinging pains in the back, or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night, when you have |severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous account of the milk costing less per salts is made from the acid of grapes and lemon juice, combined with lithia. and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder dis-

Jad Salts is inexpensize and cannot make a mistake by taking a little occasionally to keep the kidneys clean

DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Thickness. Hair that loses its color and lustre or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive use only

this old-time recipe. Nowadays we get this famous mixture by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides it takes of dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this anadian Educational association was through your hair, taking one small held Monday night in their rooms, at strand at a time. By morning the streets. The treasurer's report showed lights the ladles with Wyeth's Sage and sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an apdress on the work of the association pearance of abundance. Agent, Geo. W. Mahood.
