CURLING AND HOCKEY

KINGSTON LADY CURLERS TO PLAY IN BELLEVILLE

In the Ontario Tankard Competition—Frontenac-St. Michael Game on Friday Evening Promises to be a Ripper.

The Kingston Ladies' Curling Club is arranging to send a couple of rinks to Belleville some day next week to compete in the Ontario Ladies Tankard games, which take place in that city. This is a new organization. A prize has been offered by a Toronto man. Rinks from Toronto, Peterboro, Kingston and Belleville will compete. As yet the ladies who will compose the local rinks have not been chosen.

The Montreal Herald of Feb. 3rd states that two curling rinks, representing the Kingston Curling Club, intend making a tour of Canada. One of the players, when speaking to the Whig on Wednesday morning, stated that it was a joke as the club had no intention of making a tour.

On account of the mild weather the games between Napanee and Kingston, in the Central Ontario curling league, which were to be played at the local rink this evening, have been called off.

The games in the district cup series, which were called off last week on account of the mild weather, will be played at the local rink on Thursday and Friday. The draw will be taken on Thursday afternoon at two o'clock.

Ho! For Friday's Game

The clash between the senior Frontenacs and St. Michael's here on Friday night should certainly be the best exhibition of the local season. St. Miques are touted to be possibly the best aggregation playing the amateur game to-day, and they were little superior to Frontenacs when they met in Toronto last Friday night. The visitors will come to Kingston on Friday with their full team, and "Jim" Sutherland will bank up against them with his regular squad. With fast ice the game can be nothing but a ripper.

Game This Evening

At the covered rink this evening R. M. C. I. and Queen's III will clash in the second game of the intermediate intercollegiate hockey league. When these teams met on Tuesday evening, January 27th, they played a tie game.

Belleville Excursion To-morrow

Special train leaves G.T.R. at 5 o'clock, running into Belleville city. Come up and see Frontenacs win on fast ice. Fare \$1.50 round trip.

Won By Deseronto

The Auguston Business College team was defeated here on Tuesday afternoon by a team from Deseronto. The score was 4 to 2.

Ready for His Match

Frank Phillips has finished training for his wrestling match with "Con" Albright, of Howell, N.Y., at Ontario Hall, on Thursday night, and is in the pink of condition. A very interesting programme has been provided, and a very large attendance is looked for. There will be two very good preliminary bouts between Hagerty of Montreal, and P. McElroy of Kingston, and Stockbridge and Smith. Mr. Phillips has extended an invitation to Mayor Shaw and members of the city council to attend.

Played the Game

The hockey teams from Bath Road and Parrott's Bay, played a tie game, on Monday. After fifteen minutes overtime the score stood two all. The teams were:

Bath Road—Goal, F. Thowgal; defences, C. Young and W. Shepherd; rover, R. Stevenson; centre, A. Carroll; wings, P. Covert and G. Smith.

Parrott's Bay—Goal, A. Lane; defence, J. McDonough and R. Miller; rover, G. Lewis; centre, M. Parrott; wings, A. Browning and A. Smith. Referee—"Red" Neilson.

Hockey Notes

The senior Frontenacs practice at the rink Wednesday evening between seven and eight o'clock. This is the only workout they will get before Friday night's game with St. Michael's.

Senior O.H.A. game: Varsity, 6; Osgoode Hall, 2.
