Those who saw the game say the better team did not win. In the rates via parcel post and express on Hudgins, at A. Woods; Mr. and Mrs. first half Frontenacs had shots galore on Oshawas net, but only one counted, when Ruby Millan scored four minutes from the start. Oshawa evened up twenty-seven miunt es after play started, and at half time the teams were a tie one goal

In the second half Oshawa pressed hard and after two minutes Miller scored. Derry evened up six minutes later. Oshawa scored two more in the last fifteen minutes and with only ten minutes to go, they hatted in the final count, leaving the score 5 to 2.

Frontenacs certainly had all the hard luck in the closing period. Four times in succession the forwards got through and fizzled the the shot on goal. The local boys are confident they can win out on Monday night. They feel that they are six goals better on their own ice, and are determined to pull down the three goal lead and win

Every bog on the team played a hard, fast game. The worst the Frontenacs should have had was a tie game. Oshawa shot about four times on Kingston's net in the first half while Kingston showered at least fifty on Oshawa's goal. The shots were all wide however, due to the strange rink, Cook, Derry, Ruby Millan and Norman Millan played fast consistent bockey all through. while Godard on the defence, along with Angrove proved their worth. Mills was cool in goal and handled himself well. Oshawa outweighed the local team by considerable, but Frontenacs had the speed.

Monday night's game will certainly be a battle royal, one worth going a long way to see. Frontenacs wore their red shirts, as Oshawa's uniform is exactly the same as the Kingston teams.
