FRONTENACS HOPEFUL MAY BE PUT OUTSIDE

OF WINNING THE JUNIOR ROUND FROM OSHAWA

They Have Three Goals to Make Up - Assault at Arms Events at Queen's Gymnasium.

The clash between Frontenacs and Oshawa juniors, at the covered rink, this evening, promises to be one of the best games ever played here. The idea that it can hold its three-point lead and by so doing play off in the semi-finals for the junior O. H. A. silverware.

On the other hand the local boys are confident that they can pull down the lead and win by a couple of points. The game in Oshawa, on Friday evening, is by no means an indication of the merits of the teams. The Frontenacs went on a sheet of ice fifteen to twenty feet narrower than the covered rink, whereas the Oshawa players were accustomed to the ice area. Combination work was impossible. The Frontenacs, who played a four-man combination, were compelled to play a two-man combination.

The local boys will line up the same as they have done every time this season: Goal, Mills; right defence, Godard; left defence, Angrove; rover, Norman Millan; centre, Rubie Millan (captain); right wing, Cook; left wing, Derry.

Referee—Allan T. Kinder, Preston. The management of the covered rink requests all those who have reserved seats for the game to be on hand early so as to get their seats without any confusion.

Queen's Assault-at-Arms

The preliminary round of the assault-at-arms at Queen's University was spiced off, on Saturday afternoon, when events in boxing took place. In the 135 pound class, H. J. Inman and Lee Dodds were the contestants. G. M. Macauley and J. Holcroft were the contestants in the 145 pound class. No decisions were given.

In the wrestling events J. C. Sherwin won from D. L. Macdonnell in the 135 pound class; D. C. Spears won from J. Mallory in the 135 pound class; J. H. Stewart won from J. E. Fraser in the 145 pound class.

John Fleming acted as judge in boxing, and James Bews in wrestling.

G. Bawden, L. Langdon, O. Aykroyd, George Hanson, skip—12.
H. W. Sheriff, J. L. Taber, H. W. Watts, J. W. Power, skip—6.

McGill Want Basketball

The McGill basketball team placed itself on even terms with Varsity in the race for the Intercollegiate championship honors, on Saturday afternoon, when they defeated the Toronto students by a score of 23 to 18.

Another Randolph Victory

"Hank" O'Brien's Randolph hockey team scored another victory on Saturday afternoon when it defeated the Depot team on their own rink by the score of 3 to 2. "Hank's" team so far has met with only one defeat, and the Irish manager, flushed with the success which his team has been achieving, is considering the question of challenging the Frontenac hockey team, which he has but very little doubt of defeating.

A. H. and H. V. Moore Will Continue in Electrical Business.

Messrs. A. H. and H. V. Moore have just returned home from Toronto, where they completed the sale of their automobile property, to an English concern, to be known as the Porritt Garage company.

The new company, which has already taken over the business is under the management of Joseph Porritt, who has also taken over the agency for the Cadillac car.

Messrs. A. H. and H. V. Moore are continuing in the electrical business, exclusively, at their old stand at 295 Wellington street.

The Changing Age

Girls and boys from 14 to 19 years of age undergo physical changes which tax their strength to the utmost and the strain is always apparent from pale cheeks, colorless lips, and tired bodies—sometimes eruptions of the skin and the utter lack of the ambition and animation with which their younger years were filled.

EXCLUDE COUNTIES OF ULSTER FROM HOME RULE

Latest Report Says, Down, Antrim, Derry and Armagh, the Majority of Whose Population is Protestant, Outside Scope of Ireland's Self-Government Measure.

London, Feb. 16.—It is circumstantially stated this morning that an agreement has been arrived at of the Ulster problem. There will be a partition of the Ulster counties, Down, Antrim, Derry and Armagh, with an area of 3,325 square miles and a population of 791,274 Protestants and 361,372 Roman Catholics, will be excluded from the operations of the home rule bill, while Donegal, Tyrone, Fermanagh, Cavan and Monaghan, with an area of 4,963 square miles and a population of 96,606 Protestants and 339,414 Roman Catholics, will be included in the rest of Ireland under the self-government plan.

The completion of the settlement of the terms depends upon the question of landing the customs and postal duties to the parliament at Dublin.

It is stated that a condition of the Unionist acceptance of the scheme will be a general election immediately the compromise bill is passed. This would kill the Welsh disestablishment and the plural voting bills, and consequently the bitterest opposition is anticipated from the advanced radicals. This could doubtless be overcome, however, by a promise that these measures would be at once passed upon the return of the government to power.

McCurdy's New York Reports

New York, Feb. 16.—The announcement of further suspension of advances in freight rates by the eastern railroads by the I.C.C., came as a surprise to the street and caused a general unsettling of speculative sentiment. There was no demand for stocks, and pressure appeared to run practically over the list. Before the end of the first hour declines of a point to a point and a half were registered in such issues as Reading, Union Pacific, United States Steel, and even Southern Pacific, was very weak. The pressure was not very severe, however, and the demand at the lower level was good and was sufficient to check any further declines. The market, however, rallied by 1/16. Some specialties exhibited marked strength, notably Western Union, which rose a point, and Central Leather, in which the pool marked up the stock without any regard to the rest of market. A good many stop orders were caught on the decline, but this kind of selling seems now to have been completed and the market is dull and steady at lower level.

J. H. PERRIN PREACHED

In Ideal Theatre Sunday Afternoon and Evening.

On Sunday J. H. Perrin, who is connected with the International Bible Students' Association, gave two interesting addresses, one in the afternoon at three o'clock and the other in the evening at eight o'clock in the Ideal theatre. Both services drew forth fair-sized audiences. The speaker's subject in the evening was "Earth's Great Jubilee When All Have Their Way."

Mr. Perrin took his text from Leviticus.

Mr. Perrin referred to those angels who, at the time Adam was driven from the garden of Eden, became contaminated. God cut them off from His heavenly kingdom. The question now arises will they forsake sin and go back into the holy state or will they cut themselves off and dwell in everlasting sin or destruction.

Mr. Perrin said that God's kingdom is going to be established and all those souls who wish to continue in God's holy word will pass over the threshold into everlasting joy but those who are indifferent will be cut off and destroyed.

The marriage of Miss Bessie Anna, third daughter of Mrs. Manly Cross, Wilstead, to Frederick Graham Mullins, Montreal, son of Sydney Mullins, Gananoque, took place on February 7th, in Lansdowne Methodist church.

Smith's Falls public library board has decided to open the Carnegie library on Sundays. Books will be distributed, but the reading rooms will be opened and in charge of the Daughters of the Empire on that day.

Mary Hitchcock, widow of Mr. James Timlock, died at her home in Smith's Falls, on Wednesday, aged fifty-two years. She had been ill for some time.
