

EX-QUEEN'S MEN WON

HOCKEY MATCH WITH THE INTERCOLLEGIATE TEAM

On Saturday Evening by 4 goals to 3—Basil George Captained the Graduates Who Paid a Visit to Kingston

By the exceptionally good goal-tending of Gilbert and the strong resistance of his defence at the critical points of the game, the Queen's Old Boys' team, from Queen's seniors by 4 goals to 3 on the covered rink on Saturday night. The exhibition match, on fast ice, before a large crowd, was speedy throughout. It was played in three twenty-minute periods. At the end of the first period the Queen's team had a 2 to 0 lead. The second period finished with 4 to 1 for the visitors, but Queen's scored twice in the last twenty minutes to their opponent's blank. This told the 4 to 3 story. The game, handled by "Bounce" Brouse, was characterized from time to time by irregularities and injuries.

During the hour of play, but particularly in first period, although Queen's did a lot of wild shooting, it was only "Vie" Gilbert who saved scores. While stopping and clearing goals, he showed judgment and luck, went out of his nets to meet the student forwards, who were boring in upon him. "Greg" George and "Mawk" McKenzie, were the other more effective men with the "old boys."

Rae Smith, the Queen's goal tend, was up against a spasm of off-color. Although the entire setpiece did not perform at its best, Dobson and Box probably did any "starring" there was. There was twelve minutes going before the initial tally was sounded, and this Forgie batted in from LaRush's pass. "Greg" George took the second, with Queen's scoreless. In comparatively short order the All Stars landed two more in the next spasm, and things looked kind of bad for the regulars, when the Box, after getting through the defence, shot the rubber past Gilbert when the latter came out to meet him.

However, in the last period the intercollegiate players, the almost assured champions, had it over the visitors. They excelled them in combination, skating almost rings around them in the wind-up. "Wallie" Smith pulled off one of the nicest pieces of work when he carried the puck from his defence and placed it safely in the nets. Dobson next secured a counter-attack, but "Lear" Smith retrieved it, when, from an amusing attack of three of the Queen's forwards on Gilbert, the goal was scored.

All of the former tri-color players were classy, especially when they figured on the team when attending the university, and as Gilbert is reliable, most of them have improved since. "Greg" George, of Eganville, tops the list. Of New Edinburgh fame, the Toronto pro. team now has him on the bench, and "Greg" will likely leave amateur ranks now when he plays a game in the N.H.A. The former Queen's man, with lots of speed and ability to stick handle, is seen at his best around the nets.

"Vie" Gilbert, the well-known Kingston boy, is recognized as one of the best goal tenders in the Canadian game today. He and "Snider" LaRush, also Kingston-born, who played with K.C.I. and Frontenac seniors, figure with the Toronto Argonauts. Bert McKenzie and the younger "McK" belong to the Hamilton Centennials. Basil George, who, physically, was far from his best on Saturday night, played with the Niagara Falls team, and Forgie was here before this season with the Toronto O.H.A. Osgood Hall seven. "Tut" Leckie, Toronto, of the Hamilton Alert and later Toronto Argonaut rugby fame, managed the "old boys" team.

The teams were:
Queen's I.—Goal, R. Smith; right defence, Rodden; left defence, W. Smith; rover, L. Smith; centre, Box; right wing, LaRush; left wing, McKinnon (captain).

Old Boys—Goal, Gilbert; right defence, B. McKenzie; left defence, Basil George (capt.); rover "Mawk" McKenzie; centre, "Greg" George; right wing, LaRush; left wing, Forgie.

Referee—"Bouncer" Brouse, Frontenacs.
Queen's regulars worked a few of their other men. Whyte replaced Rodden on the defence commencing in the second period, and Rappel was worked in at rover.
In the first period when "Mawk" McKenzie had trouble with one of his skates, "Shawnee" Reid, the speedy forward of the Frontenacs, who although never a university man, was "in waiting," went on at rover. Instead of Forgie he was Dobson's check in the second period and finished the game. Paolo, the goal tend of Queen's intermediate team, guarded the nets in the last of the three periods.
