FRONTENAC LIBERALS

HELD ANNUAL MEETING ON THURSDAY AFTERNOON

Lieut.-Col. Ferguson Elected President—Addresses Delivered—Conservative Government Not Treating the Farmers Fairly

Matters of vast importance to the farmers were discussed at the annual meeting of the County of Frontenac Reform Association held in the court house on Thursday afternoon.

Mr. Weller, in opening the meeting, stated that there were several matters of importance to the farmers which could be discussed.

The speaker was in favor of wiping out the duty entirely, between Britain and Canada. It was a question as to whether it would be wise to wipe it out with one stroke, or to dispense with it gradually.

Col. Ferguson, in opening, made reference to reciprocity, stating that when it was first talked of, the majority of the farmers were in favor of it.

Referring then to his election as president, Col. Ferguson stated that he was pleased to see that the members of the association had confidence in him.

Another question of interest to the farmers was that of the manufacture of farm implements.

It was a good thing to remove the duty on one machine, it would be good to remove it on everything.

J. J. O'Reilly, Holleford, followed the president, and said that he agreed with him on matters he had referred to.

S. Jamieson and R. J. Vair. It is his address, Samuel Jamieson, of Battersea, spoke on the wheat question, stating that he did not see why the government should not encourage milling.

the discussion on topics of interest to the farmers was concluded, and the election of officers proceeded with R. J. Vair and a warm salute to Mr. Weller, the retiring president, and the other officers.

The New President

After the election of officers the retiring president vacated the chair, and R. J. Vair escorted the newly-elected president and vice-president to their places, and then short addresses were delivered by both the new officers.

Col. Ferguson, in opening, made reference to reciprocity, stating that when it was first talked of, the majority of the farmers were in favor of it.

Touching again on the reciprocity question, the speaker said that Dr. Edwards had stated that if we had reciprocity, our cattle would not be worth as much.

The government had also promised that they would abolish the Canadian navy. A great noise had been made about an investigation of the Transcontinental Railway.

At the close of the president's address Mr. Jamieson, the first vice-president, spoke briefly, returning his thanks for the honor conferred upon him.

CHEESEMAKER REPLIES

TO LETTER OF E. VANLUVEN, OF MOSCOW

Regarding Factory Standing—He Claims That Mr. Vanluven Did Not Present a Fair Case

Moscow, Feb. 26.—(To the Editor): In your issue of Feb. 2nd I find a letter from the pen of E. Vanluven, Moscow, making as he calls it, a comparison between Moscow and Bell Rock cheese factories.

Mr. Vanluven enlarges on the fact that when they ran Moscow factory it was always up with the neighboring factories, due to his guiding spirit, his best of makers and making for 3% of a cent less.

Mr. Vanluven's comparisons of Moscow and Bell Rock factory rates is simply a comparison of "ifs" and "buts" which does not give us his averages and monthly sales.

THE SKIN TROUBLES OF CHILDHOOD

School Records Show Much Time Lost From Eczema

Chafing and skin irritation, whether from changing temperature, rough winds, strong soap or the action of the clothing, naturally develop into eczema, spread over the body and defy ordinary treatments.

Most doctors do not give much attention to skin diseases, and, consequently, it is necessary for parents to select some treatment which has proven a cure for such ailments.

By affording prompt relief from the terrible itching, Dr. Chase's Ointment puts an end to suffering, and removes the cause of scratching.

As the fires of eczema die away the ointment sets up the process of healing and brings about thorough and lasting cure.

As a treatment for the skin troubles of children nothing has ever proven so satisfactory as Dr. Chase's ointment.

AT THE GRAND

Nat Goodwin, Saturday Matinee and Night.

Nat C. Goodwin, always acknowledged as the best comedian in America appears at the Grand on Saturday, February 28th, matinee and night when he will present a farcical comedy, in three acts, entitled, "Never Say Die," written by William H. Post.

The name of Nat Goodwin for the last twenty years has always been synonymous with distinction, and it is again written all over this extraordinarily funny comedy, which not only had over twenty weeks run in New York to start with, but in completing its first year with Charles Hawtry in the title role, at the Apollo theatre.

That "Never Say Die," is a comedy with much laugh-making but foreshadowing does not mean that the position of some splendid acting and those touches of infinite tenderness, in artistic expression, for which the star is justly famous, is not projected into several scenes and interspersed with wholesome merriment.

Miss Margaret Moreland will handle the leading female role in her usual sweet and gracious manner, other members of the company include Miss Gladys Wilson, Charlotte Lambert, Dennis Clough, Clifford Robertson, Isadore Marcel, Walter Cluxton, Don Moyle and Master Bidgood and a metropolitan production is provided.

"Peg O' My Heart." The cleanest and most absorbing comedy ever written, "Peg O' My Heart," Laurette Taylor's wonderful triumph now in its second year at the Cort theatre, New York will be the attraction at the Grand on Wednesday March 4th, under the direction of Oliver Morosco.
