THE SPORT REVIEW

K. C. I. DEFEATED QUEEN'S III. BY 7 TO 2.

And Took the Round By 15 to 5 - They Will Meet Varsity III. In the Finals for the Junior Championship.

The Kingston Collegiate Institute hockey team is now qualified to meet Varsity III in the finals for the junior intercollegiate silverware, having defeated Queen's III on Friday evening by a score of 7 to 2. On Wednesday evening last the K.C.I. boys won from the same team by 8 to 3, so they won the round by 15 to 5.

The members of the team and officers are deserving of great credit for the excellent showing made during the season.

The Queen's players are a great deal heavier than the K.C.I. boys and they certainly used their weight to telling effect when they thought it was needed. The defence worked well, considering the heavy ice. "Bobbie" Ferguson was right to the front with his lone rushes. On one occasion he broke through the Queen's defence and scored.

During the first half the K. C. I. boys were kept on the rush. When the going rang after thirty minutes play the score was tied, 2-2. H. Toland and Ferguson did the trick for K. C. I. while Pope and Burwash found the nets for Queen's.

The second half was all K. C. I., Queen's being unable to get in on the goal. H. Toland scored after ten seconds play. J. Stewart secured the fourth goal on a pass from C. Toland. The same player got the fifth from the face off. Cook landed the sixth counter after a very clever play.

He came down the ice on a lone rush. Every person thought he was going score from the right hand side, to the surprise of the crowd. Cook skated in behind the nets and ed the puck into the net for the left hand goal. "Jimmie" Stewart landed his third goal of the evening eight minutes before time was called.

Pope, White and Burwash were the most effective men on the Queen's team. "Red" Elliott, who generally plays a fairly good game, was off color.

The K. C. I. boys will likely play the first of the home-and-home games with Varsity III about the first of next week. The teams lined up as follows:— K. C. I.—Goal, C. Stewart; defence, Ferguson and Singleton; rover, H. Cook; centre, "Jimmie" Stewart; wings, H. Toland and C. Toland. Queen's III.—Goal, Mallock; defence, Spence and White; rover, Wilson; centre, Elliott; wings, Burwash and Pope.

Referee—Reg Crawford.

Frontenac's Financial Loss. Had it not been for the blow which the O.H.A. sub-committee handed out to the Junior Frontenacs, when it cancelled the certificate of Rupert Millan, the captain of the team, the Frontenac management would have been able to report one of the most successful financial seasons in the history of the club.

With a few exceptions, the games, in which the Frontenacs have taken part, have been very largely attended. The Belleville-Frontenac exhibition drew the largest crowd. After the rink and other expenses had been paid there was a balance of about \$700. The excursion which was run by the club to Belleville was a financial success.

The gate receipts for the Oshawa-Frontenac game were very large. The sudden death game between Frontenacs and Oshawa which was played at Belleville, was another money maker.

The withdrawal of the Frontenacs from the O.H.A. meant a great financial loss. The expense of taking the team as far as Toronto amounted to about \$175.

The cancelling of the Frontenac-Oshawa game in Kingston on Thursday last, meant the loss of about \$200, which would have been the team's share of the gate receipts.

Some of the members of the sub-committee of the O.H.A. which barred Millan, are reported to have said that they knew Millan should have been playing. If that is the case it seems nothing but right that the sub-committee should recommend that a portion of the Frontenac's expenses be paid out of the O.H.A. general fund, for it should not have let Frontenacs leave for Orillia without first deciding the protest.

Queen's Stand Second. In the intercollegiate assault-arms at Montreal part of the events were pulled off on Friday evening. In the preliminaries Queen's men did fairly well. In the "wrestling" Rackmore and McKay lost, while Bodds and Wilson won. In the boxing Harey and Iman lost and Cole and Young won. The fencing was to go on this morning between Queen's and Toronto.

The points made last night were: McGill, 9; Queen's, 8; Varsity, 7. Orillia 8, Oshawa, 4. In the O.H.A. semi-final game at Orillia last night (the one which Frontenacs should) have been the eastern team to contest) Oshawa was defeated by Orillia by 9 goals to 4. The return game is to be played on Monday night in Oshawa, providing the Belleville protest against Oshawa is not allowed.

O.H.A. Senior Final. In the first of the O.H.A. senior final games, Toronto R. and A.A. team defeated St. Michael's on Friday night, by six goals to five.

Mrs. W. F. Chapman, Brockville, died on Thursday from paralysis. She was aged forty-nine years. Graves all accounted White. Box 1045.

IS CANADA COMING TO THIS

Canada has been loath of late years to advertise herself as a country of winter sports, but this year in some parts of the Dominion where the winters are well sustained and skating and sleighing continuous, there have been many inducements held out to the people of the cities of Canada as well as those of the United States, to come and engage in winter sports. In Switzerland many mountain towns have become quite famous for this, notably, St. Moritz, where the above drawing was made by the artist of the "Sphere." The lady is, in many, subject of the picture, "driving a mixed team." They go in for many, during feasts, which are being imitated by some of the tourists at the Canadian resorts in Quebec, Ontario, and British Columbia, where the climate and nature of country is in spots conducive of this sort of thing.

COLLEGIATES DEBATED

OTTAWA REPRESENTATIVES WERE GIVEN THE DECISION. Subject was "Resolved That Canada Should Have Compulsory Military Training."—Large Audience in Convocation Hall.

The Ottawa Collegiate Institute representatives were accorded the honors in the debate in which the Kingston Collegiate Institute students were pitted against them in Queen's Convocation hall on Friday evening. The judges, Principal Gordon, J. B. Walkem, K.C., and Robert Meek, decided unanimously in favor of the visitors, although the claims of the K.C.I. boys ran close. The Ottawa debaters were Charles Jeffrey and Leonard Moran. They were tendered the congratulations of their local opponents, Robert S. Rayson and Russell Germain, and through their chairman, the congratulatory feelings of the audience. Ottawa apparently excelled K.C.I. in support of their point that Canada should have compulsory military training.

The Judges, who were tendered a vote of thanks for acting in that capacity, took a comparatively short time to arrive at the decision, which Mr. Walkem announced. It was to the effect that Ottawa had been a little the better both in form and matter. He made special mention of the splendid manner in which Mr. Moran had followed his lead, and made his presentation of the Ottawa side of the question. Sixty per cent had been allowed for matter and forty for its presentation. Ottawa, as was said after, tried to influence very strongly one of the judges, for in two instances they quoted Principal Gordon to strengthen their arguments.

Walter H. Macnee, chairman of the Board of Education was the able chairman of the evening, and the hall was well filled with the institute pupils, parents, and interested friends. During the intermission, while the judges were conferring, Miss Alice Goodwin executed a pleasing piano solo, and Miss Madge Walker played an acceptable violin selection accompanied by her sister, Miss Ruth. E. O. Sitter, principal of the K.C.I., was called upon at this time, and among other things testified to the interest in, and progress made by his pupils in debating and public speaking. A debate was a daily occurrence in the class rooms of the institute. Mr. Sitter, as well as the chairman, said he hoped that this debate would only be the first of a series between the Collegiate Institute at the "Capital" and its kindred place of learning here. Mr. Macnee went one better than male representation at these events, when he remarked that he anticipated the young ladies sometimes being the principals.

The subject "Resolved, that Canada should adopt a system of compulsory military training," was a live one, and the speeches of the debaters savored of thoughtful review

of the subject. The audience was estimated at about 2,000.

William E. Kearse died in Rochester, N.Y., on Saturday, of Bright's disease. Mr. Kearse is a son of the late Michael Kearse, of Picton. He lived in Rochester for nearly twenty years. His wife died five months ago.

Few sheet corporals left 35c. Duties removed sale. Mrs. Charles Hawkins died at her home in Picton early on the morning of Feb. 19th, following an operation. The deceased was the eldest daughter of Mr. and Mrs. Ed. Koch and was thirty years of age.

YOU'RE BILIOUS AND CONSTIPATED! LIVER IS SLUGGISH--DIME A BOX

Furred tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and constipated bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery--indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will surely straighten you out by morning--a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular and make you feel cheerful and bully for months.

LECTURE TO GARDENERS

By S. C. Johnson, the Ontario Demonstrator.

An interesting lecture on vegetable growing was delivered in the police court room on Friday evening by S. C. Johnson, the government expert demonstrator for the province of Ontario. For a good hour and a half Mr. Johnson spoke and used lantern slides which added considerably in impressing the importance of this subject upon the good turnout of gardeners and farmers who assembled.

R. J. Bushell, president of the society, remarked upon the exceptionally good gathering of gardeners, and upon the distance which some of them came. There was one in attendance by the name of L. Hicks, of Mossy, twenty-three miles from here, and Mr. Bushell did not hesitate to mention the fact, as Mr. Hicks is a progressive gardener of the above place and takes a deep interest in promoting everything along such lines.

Mr. Johnson, who has travelled over the greater portion of America, summed up the various methods of vegetable production. His slides showed a farm after farm and the species of vegetables. The lecturer said the Americans go in for raising on a larger scale, but the results in many cases are not so good as those obtained from Ontario methods. There is now a wonderful demand for greenhouse production of vegetables and Mr. Johnson showed several large houses of this kind throughout Canada and the states.

The lecturer dwelt upon the different methods of irrigation and other important points. Mr. Bushell asked a question pertaining to the forestalling by-law, whereby gardeners are not allowed to sell to stores before a certain hour in the morning. The lecturer said that he had never heard of anything of this nature on his travels and was of the opinion that Kingston was the only place where such a by-law was in force.

A hearty vote of thanks was tendered Mr. Johnson on behalf of the Horticultural Society, by Walter Cooke, and was seconded by F. Lancaster, of Cataraqui.

BANQUET AT PICTON

Dr. Creelman, of Ontario Agricultural College to Speak. Picton, Feb. 26.—In connection with the four weeks' course in agriculture, being held in the Picton office of the department, which closed Friday, Feb. 27th, and which has proved very successful, quite a number of young men attending, there will be held a farmers' banquet on March 6th. Dr. Creelman, president of the Agricultural College at Guelph, has promised to give an address. The catering has been placed in the hands of the ladies' guild of the Anglican church.

Another item of interest will be the ice races at the Picton driving park, Thursday, March 5th. If the weather holds there should be a good day's sport—"A" class, mile heats; "B" and "C" classes, half mile heats.

On March 3rd and 4th, in the Picton market hall, a live stock judging convention will be held. Light and heavy horses, sheep and swine and dairy cattle will be the principal subjects.

Picton is losing one of its most popular young men in the person of Joseph S. Bolton, for several years teller in the Bank of Montreal. He has been promoted to the head office at Montreal.

BATH ICE RACE RESULTS

Bath, Feb. 26.—The races at Bath, on Tuesday, February 24th, resulted: Named race: Jennie Pointer 1 1 1, Little Mack 3 2 2, Little Napanee 2 3 4, Indicator 4 3 3, Little Frank 6 5 5. Time—39 1/2, 41, 40.

2.50 class: King Pointer 1 1 1, Laura Pointer 4 1 2, Lady Dillon 2 2 6, Geo. Hart 2 7 6, Queen Deverens 6 3 5, Flea 5 2 7. Time—39 1/2, 38, 37 1/2.

Free-for-all: Montell 1 1 1, Syke Dixie 2 2 1, Chimes 3 3 3. Time—31, 28 1/2, 32.

There were a number of other horses entered also. The attendance was estimated about 2,000.

William E. Kearse died in Rochester, N.Y., on Saturday, of Bright's disease. Mr. Kearse is a son of the late Michael Kearse, of Picton. He lived in Rochester for nearly twenty years. His wife died five months ago.

Few sheet corporals left 35c. Duties removed sale. Mrs. Charles Hawkins died at her home in Picton early on the morning of Feb. 19th, following an operation. The deceased was the eldest daughter of Mr. and Mrs. Ed. Koch and was thirty years of age.
