One thorough application of Zam-Buk at night will bring ease by morning. Zam-Buk stops the smarting, heals the cracks and makes the hands smooth.

Mrs. A. F. Phillips, of Ayer's Cliff, Que., says: "I suffered terribly from chapped hands. Sometimes I almost cried with the pain and smarting. Zam-Buk was recommended and it gave me ease almost as soon as applied. Now my hands are quite smooth."

Also use Zam-Buk for all skin eruptions, ulcers, piles, cuts, burns and all skin injuries. 50c. box at druggists and stores.

**Na-Dru-Co Dyspepsia Tablets**  
Quickly Put Disordered Stomachs Right

It's a revelation to the chronic dyspeptic to feel no discomfort after a hearty meal, when that meal is followed by one Na-Dru-Co Dyspepsia Tablet. He is hardly prepared for the almost magic relief which the tablet gives him from the various discomforts to which he is accustomed after eating.

Na-Dru-Co Dyspepsia Tablets sweeten stomachs that are sour—relieve stomachs that feel as if a stone had been swallowed—stop heartburns—and give the needed assistance to stomachs that are weakened.

Containing in themselves the active principle needed for digesting every kind of food, Na-Dru-Co Dyspepsia Tablets enable even the weakest stomachs to get the good out of what is eaten, preventing the accumulation of undigested food and gas. With a little help for a while, the digestive organs recover their strength, do their work properly, and your troubles are over.

Don't go on suffering! Get a box of Na-Dru-Co Dyspepsia Tablets from your druggist today. National Drug and Chemical Co., of Canada, Limited, Montreal.

**WHITNEY.**

Characteristic sketch of the convalescent Premier of Ontario. Three months ago Sir James was thought to be dying in New York. An artist proceeded to the General hospital with instructions to see Sir James Whitney and to secure a sketch of him if possible. On entering the corridor he mistook for a student, and was not intercepted. Stepping to the door of the balcony he saw Sir James, wearing a heavy coat and gazing at some distant object, or deeply engrossed in thought. The pose was an ideal one for the artist, and without disturbing the Premier he quickly made the outline of the sketch above and departed.
