Bave Him "Fruit-a-lives" And

"Our little boy, Lawrence, was sorely affected with Chronic Indigestion, and the doctor did not think he would recover. He started with a sore mouth and it developed into this other trouble. Everything he ate just passed right through the system without change. He cried incessantly and life was a misery to him. My husband had been using "Fruit-a-tives" for Indigestion, getting much benefit from them, and I shought what did him good, might help our boy. Wetried "Fruit-a-tives" giving Lawrence % a tablet at a dose, and the result was marvellous. Today, he is the picture of health, and he is perfectly well".
