SALTS FOR KIDNEYS TAKE A GLASS OF SALTS II YOUR BACK HURTS OR BLADDER BOTHERS.

The American men and women must guard constantly against Kidney trouble, because we cat too nuch and all our food is rich. Our lood is filled with uric acid which the kidneys strive to filter out, they reaken from overwork, become slugsh; the eliminative tissues clog nd the result is kidney trouble,

ladder weakness and a general deline in health. When your kidneys feel like umps of lead; your back hurts or he urine is cloudy; full of sediment or three times during the night; on suffer with sick headache or you have rheumatism when the weather is bad, get from your pharnacist about four ounces of Jad salts; take a tablespoonful in lass of water before breakfast for few days and your kidneys will ben act fine. This famous salts is ade from the acid of grapes and on juice, combined with lithia d has been used for generations to o neutralize the aclds in the urine o it no longer is a source of irritation, thus ending bladder disorders. Salts is inexpensive; cannot makes a delightful efferveslithia-water beverage, and begs in every home, because nobody an make a mistake by having a

kidney flushing any time.
