COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief In Novel Way.

Adrian, Mich.—"I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work. In these words is hidden the tragedy of many a woman, housekeeper or wage-earner who supports herself and is often helping to support a family, on meagre wages. Whether in house, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

COUNTRYSIDE TIDINGS

WHAT WHIG CORRESPONDENTS HAVE TO TELL.

News From Villages and Farms Throughout the Adjoining Counties—Rural Events, and Movements of the People.

Notes From Ardoch. Ardoch, March 24.—The patrons of the cheese factory here are busy getting out ice. A party of young people went fishing on Fawa lake, and report a big catch. Miss Annie Fraser is seriously ill in Hotel Dieu, Kingston. Mrs. J. Grey and children, of Harlowe, spent last week visiting friends and relatives here. Guy Watkins is confined to the house with a severe cold. Samuel Grey spent the week-end with his uncle in Harlowe. Michael Myers has returned home, after spending the winter in the lumber woods. Visitors: Mr. and Mrs. W. McKinnon and Miss Frost, of Fernleigh; at A. Gilmour's; Mr. and Mrs. C. Smith, at Mrs. C. Grey's; Mrs. W. Miller and little son, Robert, at A. Jeanneret's; Miss Lemke, at J.P. Watkins.

Married at Parham. Fernleigh, March 24.—At Parham, on Wednesday, March 18th, Miss Louisa Bauder, of Fernleigh, was united in marriage to Charlie E. Wood, of Mountain Grove. The bride was attended by her sister, Miss Evelyn Bauder, while John Flynn, of Mountain Grove, assisted the groom. Rev. Mr. Topping, Parham, officiated. The bride looked charming in a gown of cream bedford cord. The happy couple drove to the home of the bride's parents at Fernleigh, where a number of friends were gathered to partake of the bountiful supper that was prepared. The bride and groom were greeted with a shower of rice. Many and costly were the presents received by the bride, which went to show the high esteem in which she is held. They left on Friday morning for Frankford and returned on their return they will reside at Mountain Grove.

Piccadilly News. Piccadilly, March 24.—The roads are in a very bad condition, owing to the fine spring weather. The young people have been enjoying the good ice on Godfrey's pond. School has been closed for the past week, Miss Genge having been confined to the house with tonsillitis. The concert held in the village hall on Friday evening was a grand success. The proceeds, which amounted to \$36, are to help in the building of a new shed. Miss Holland, of Unionville, spent Saturday reviewing old acquaintances here. Mrs. S. Wells and daughter, of Brighton, returned to their home after spending a few weeks at Mrs. C. Godfrey's. Miss G. Beattie has returned home after spending the week-end with friends at Parham. Mr. and Mrs. F. Leslie and M. Giles, at G. W. Giles'. A telegram was received by Mr. Beattie that his son, Ross, was in the hospital at North Bay with his legs broken, the result of an accident.

Wagerville Reports. Wagerville, March 23.—The kiddies, who have been shut in with measles are able to attend school again. Roy Wagar is rushing his new sawing machine. J. McMahon, assessor, has been making his annual calls. W. Goodfellow, Parham, undertaker, passed through here on Saturday last to McLean, to take charge of the body of the late Mrs. J. Wagar, a respected resident of that place, who passed away Thursday, March 19th, after a lingering illness. Her remains were taken to Centreville and placed in the vault. E. Hawes, who has been very ill, is recovering. A baby boy has come to stay at C. Peters'. Mr. E. Vanvolkenburgh, visiting friends here, has returned to her home at Enterprise. Mrs. S. McCumber spent a few days at W. McCumber's. Mr. and Mrs. F. Peters and Mrs. S. McCumber spent Sunday last at Titus Wagar's. T. Black and Miss H. Goodfellow, Parham, at G. Howe's.

At Slate Falls. Slate Falls, March 22.—A few signs of spring were welcomed received last week here, but the cold storm which followed this week made several of the farmers to start in search of hay; among them were William and Theo. Thompson and Wagar. Several of the young men of this community, who have been engaged in the north country, have returned home. They were: Pale and "Jack" Thompson, Harman and "Billie" John. Excitement was caused last week by the burning of one of the most popular boarding houses in town known as the Chateau house. Visitors: Miss Jennie Thompson at Marguerite Thompson's; Violet Wagar

LATE SNOW IS NEEDED

TO MAKE BUMPER CROPS FOR THE COMING SEASON

Agricultural Experts Declare Blankets of White Linger in Lap of Spring Will Reduce High Cost of Living.

Washington, March 25.—"Don't grow hot under the collar and make uncomplimentary remarks about the continuous succession of snowstorms that are making under foot disagreeable and holding back the coming of gentle springs, for we need this snow in the business of reducing the high cost of living." This is the injunction of the soil experts of the department of agriculture. The longer the snow blanket lingers, the more frequently it is replenished, the slower it is to take its final departure without any sudden dash into the headwaters of the streams with consequent freshets and flood, the better for everybody. It means gigantic crops of corn and wheat, better vegetables, more stock feed and may be lower prices. For a number of years past the country at large has not enjoyed such very general snows as have whitened the country side during the months of February and March of the present year. Also it has been the occasional catastrophe that one great heavy snow will only take the season to be followed by a quick thaw and consequent floods. Now the soil sharp, seeing that conditions are more nearly ideal this season than for a number of springs, are encouraged to believe that 1914 is destined to be a year of bumper crops.

A correspondent, Dr. Jay A. Bone-stial of the bureau of soils, said: "If this snow blanket will only take its time in departing we will have a better crop start this year than for several years. To date conditions could not be hardly more ideal. We have had snow after snow—not too heavy, but persistent enough to keep the ground covered well and the tender shoots of the wheat in perfect condition. This is particularly true of New York state and eastern states generally, but, at the same time, conditions are far better in the middle west than is the general average." "In the corn belt, where there was considerable depletion of the crop through too persistent drought last season, the snow will prove incalculable benefit. The corn belt ought to have a splendid start. "Where snow has long lain upon the ground and there has been considerable opportunity for it to seep down into the earth carrying its moisture from one to two feet the soil is prepared to develop sturdy roots for the crops and the plants, therefore, stand a better chance against possible deficiencies in the matter of rainfall during the period of their growth. Snow is a splendid insurance against drought, not complete, of course, but immensely valuable. "Snow furnishes the underground moisture storage of the year. We have plenty of snow for storage purposes this season and if the snow does not set in with too great a rush, thereby starting destructive floods, we will begin the development of 1914's crops under ideal conditions.

Farmers Sue Uncle Sam. Hutchinson, Kan., March 26.—Suit has been filed here by 110 farmers against the United States for \$370,000. The action is the result of the failure of a United States irrigation plant at Deerfield. The government holds a lien against the farmers for the amount named in the petition, and the owners want their land cleared of the incumbrance. Congress has twice refused to relieve the men of their debt. Secretary of the Interior Lane is made a party to the suit.

An honest man never blows his own horn. An honest man is generally too poor to own one. The average girl has a good many false alarms before she finally meets her fate. A pedigree is all right in its way, but its money that makes the mare go.

This Lady Knows How to Keep Well

She always keeps GIN PILLS in the House

"I think GIN PILLS are the finest things for the kidneys. When I first came to Canada, I suffered with dreadful pains in my back, that made me quite ill. A friend gave me six of your GIN PILLS and after I had taken one dose, I felt less pain. I then got myself a box and before half of it was gone, I had lost all the backache. It did seem a treat to be rid of the pain. If any one tells me what a pain they have in their back, I say 'You should try GIN PILLS.'" Mrs. J. PICKRELL. Take Mrs. Pickrell's advice and take GIN PILLS. They will cure you of every trace of backache, Kidney Trouble or Rheumatism. One a box, 6 for \$2.50. Do not accept of price if your dealer does not handle them. Money back if GIN PILLS do not give prompt relief. Sample free if you mention this paper. National Drug and Chemical Co. of Canada, Limited, Toronto.

Mango-Tone Blood and Nerve Tablets correct Female Troubles and make pure, rich blood. 50c. a box.

How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

Sixteen ounces of cough syrup—no matter how good you buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore lungs, asthma, hoarseness and other throat troubles.

Mix two cups of granulated sugar with one cup of warm water, and stir for two minutes. Put 1/2 ounces of Pinex (fifty cents' worth) in a 16-ounce bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the irritated membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quinalcyl and all the natural healing pine elements. Other preparations will not work in this formula.

The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been limited, but the old successful formula has never been equalled.

A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Toronto, Ont.
