## ENGLISHMEN SKIPPED TO SECURE \$600,000

LEAVING FARMERS WAITING IN HOTEL FOR THEM

Two Immigrants Had Their Passage Out Paid, Having Bargained to Work on Farms Near Kingston.

Immigration Officer George Hunter is on the lookout for the two men who arrived in Kingston from England on Monday morning and immediately beat it for parts unknown. It appears that before the two men left England they agreed to work with two farmers who live about fourteen miles from Kingston. On Monday morning when the young men arrived in the city, they were taken in charge of by the immigration officer who introduced them to their new employers, who were stopping at Windsor hotel. After a conversation with the Frontenac farmers, the two Englishmen stated that they had left their baggage at the station and asked to be allowed to go there for the purpose of getting their belongings. They left the hotel and have never been heard of since.

When the men did not return the farmers informed the immigration officer, but up until the present time he has heard nothing. It is stated that the men were not satisfied with their bargain, and decided to move out. They also claimed that they were misinformed by the authorities in England before they shipped for Canada. Before leaving, their passage was paid on condition that they would refund the money after they secured a position. The agreement with the parties on this side of the water was that they were to deduct three-quarters of their salary until the passage had been paid. The young men would not stand for such a condition.

#### Basket Ball Games

On Tuesday evening one of the keenest fought basketball games which has been pulled off at the Y.M.C.A. in some time, took place in the gymnasium when the teams captained by Harry Twigg and Allan Murray met in the Edgar trophy series. After playing twenty minutes overtime Twigg's team pulled out by one point, the final score being 15 to 14. At full time the score was standing 11 to 14. These games are between employed boys teams and are causing great interest around the "Y." A very large number of the employed boys are on hand to cheer for the teams. The teams lined up: Twigg's team—McLaughlin, McGill, Jamieson, Emer and Tugg; Murray's team—Gimlett, Shaw, Bell, O'Neil, Northmore and Murray.

#### An Interesting Picture

There will be shown every afternoon this week, at the King Edward theatre, 650 feet of picture showing the construction of shoes; how they are made, the machines for making them, the factory of the famous Walk-Over Shoe Co., of Brockton, Mass., and the employees leaving work. The Walk-Over plant is one of the largest in America and turns out 22,000 pairs of men's and ladies' fine shoes every working day. The shoes are sold in Kingston by the Lockett Shoe Store.

#### Non-payment of Wages

In the case of Maurice Judge vs. Fallon Bros. for non-payment of wages, heard at the police court on Monday, a settlement was made by Fallon Bros. paying \$41.50 and costs of the court. He sued for \$66.40. In the case of another workman, John Henry, who sued for \$69, a settlement was made by the payment of \$52.80 by Fallon Bros. D. A. Givens appeared for the complainant in each case.

BY HEAVIER TAXATION ON COMPANIES

The Amendments to the Supplementary Revenue Act Will Bring the Above Amount to the Province.

Toronto, April 8.—A prospective augmented provincial revenue of between \$700,000 and \$700,000 is provided for in a bill to amend the supplementary revenue act of the province, which was introduced in the legislature by Hon. I. B. Lucas, provincial treasurer, yesterday afternoon. The bill, which follows along the lines indicated by Mr. Lucas in his budget speeches this year and a year ago as well, raises the taxes all round on banks, insurance and loan companies, trust companies, racing associations, telephone, telegraph and railway companies.

This new grading-up legislation provides, with regard to the banks, that the tax will be increased to one-fifth of one per cent. on paid-up capital, instead of one-tenth, as at present. This is up to the \$6,000,000 mark, with \$50 for every \$100,000 in excess of \$6,000,000. The tax for the head office is raised from \$100 to \$500, and from \$25 to \$50 for each branch office or agency in the province. The life insurance tax on gross premiums is to be raised from one to one and three-quarters per cent., and other insurance companies two-thirds to one per cent. Fire insurance companies will bring in an extra \$40,000. Loan companies will be levied one-eighth of one per cent. on the paid-up capital, instead of a tax that now works out at about one-twelfth of one per cent. Trust companies, in addition to the present tax, equal to one-fourth of one per cent. on paid-up capital, will pay a tax of one per cent., calculated on the gross annual income. In the case of telegraph companies the tax will be one-fifth instead of one-tenth of one per cent. on the capital invested in the province. One thousand dollars will be exacted from telegraph companies for each 100 miles of distance their business covers. The former figure was \$500.

#### Tuesday in the Legislature

Hon. James Duff's bill to amend factory, shop and office building act passed through committee, and it was agreed to proclaim the clause regarding employment of women by Ontario should privy council decision in Saskatchewan case be favorable. An amendment by Mr. Marshall (Monck) regretting constructive leadership in department of education failed. At the request of Hon. Mr. Hanna C. H. Gooderham withdrew his motion that a commission should be appointed to investigate the working of the present system of municipal government in the province. Mr. Pratt's bill incorporating a board of racing supervisors was withdrawn.
