

IF YOU ASKED US

To "point with pride" to any particular suits in our stock this spring we would probably pick our suits at

EIGHTEEN DOLLARS

It represents the biggest suit value for the money that we have ever been able to show. We have been very strict with the manufacturer of these suits, insisting that they put extraordinary workmanship into every garment. We fairly crowd all the merit, style and excellence of material into these suits that we possibly can.

WE FAIRLY MAKE A MAN COME BACK AND ASK FOR ANOTHER SUIT LIKE THE LAST ONE.

And we know that you will like these suits, in fact so sure are we of their value that we will gladly replace any suit that is not satisfactory.

LIVINGSTON'S
BROCK STREET

A little out of the way, but it will pay you to walk.

The Popular Curtains For This Spring Are Scrim, Voile and Marquisette

We are showing a large assortment of novelty curtains of Serims and Marquisette in white, ivory and Arab; plain hemstitched and with Cluny and Italian Filet insertion and edging to match, 2 1/2 and 3 yards long. This is the most up-to-date curtain, and suitable for any room in the house.

\$2 to \$5 a Pair

Curtain Materials

- Plain and fancy hemstitched Serims.
- Daintily colored bordered Serims.
- Madras Muslins, in white and cream.
- Casement cloths in great variety.
- Art Muslins in pretty patterns.

BOARD STILL HOPEFUL

OF GETTING FREE WATER FOR SEPARATE SCHOOLS

Rev. A. J. Hanley Chairman, Reported Civic Finance Committee Had Not Reported as to Paying Taxes Monthly.

The Roman Catholic separate school board met Tuesday evening at eight o'clock. The following members were present: Rev. A. J. Hanley, (chairman), Messrs. Bailey, Behan, Corrigan, Cochran, Duffy, Lugherna, Leahy and McDonald.

The secretary submitted a statement showing the amount of property assessable for Roman Catholic separate school purposes for the year as well as the rate of taxation and the estimated revenue to be derived therefrom.

The chairman also reported on behalf of the committee that had waited on the Finance committee of the City Council asking that the taxes of the board be paid monthly instead of as at present.

On behalf of the committee to whom was referred at the last meeting the question of establishment of a Band of Mercy in connection with the schools, Mr. Leahy reported that he had an interview with Mr. McDonald, principal of St. Mary's school, with the result that Mr. McDonald informed him that work along these lines was now being regularly done in the schools by the teachers in connection with the nature studies and that this work would be continued in all of the classes in the future.

The chairman had promised and submitted a statement showing the probable cost of furnishing certain supplies to the pupils free. In view of the near approach of the summer holidays it was decided to postpone action on this matter for the present and to obtain further information in connection therewith.

FOR THE KING'S BIRTHDAY

Celebration Meeting to be Held on Friday Evening.

Elsewhere in to-day's issue appears an announcement of the annual meeting in connection with the King's birthday celebration. This annual meeting is a very important one, and it is hoped that a large number of representative citizens will attend. During the past few years, these annual celebrations have been a magnificent success, and this record can only be maintained by the better class of business and professional men giving a part of their time to such public affairs. Every citizen owes a certain duty to the city in which he lives, and the inauguration and carrying out of such public celebrations afford him an opportunity of extending his services on behalf of the people.

It is to be hoped that the meeting which will be held in the council chamber on Friday evening will be attended by a large and enthusiastic number. It is believed that the various committees will be struck, and if the celebration is to be a success this year the right men must be on these committees. The officers who have done so much in past years to build up this annual celebration are deserving of the heartiest support of the citizens.

Marine Notes.

The tug Frontenac is at Swift's wharf taking on coal.

Men are at work refitting the steamer Caspian for the season's work.

Capt. James Dix has left for Midland to take command of the steamer Toller.

The steamer New Island Wanderer, which has been refitted at Folger's wharf, is now ready to sail.

To the schooner Ford River, goes the honor of being the first vessel to leave the port of Kingston this season.

The schooner, under the command of Capt. Chaucey Daryea, cleared on Wednesday morning at 10.20 o'clock for Erie, to load coal for this city.

Glass is Glass

Our lenses are guaranteed to be glass. That's what you buy of any optician. The trick is in fitting them to your eyes properly. Some people know how, others are learning. It has cost our eyesight specialist years of time and several thousand dollars to know how to adopt the proper glasses to your eyes. His method is sure, not a guess. No charge for a thorough examination and test of your eyes at the Rodger Optical Parlors, 247 King street.

Started for Cape Vincent

The steamer New Island Wanderer made her first trip this season on Wednesday afternoon, when she ran down to Clayton. From there she will run to Cape Vincent, returning to Kingston on Thursday.

Popular Cream, at Gibson's.

A MESSAGE TO YOU

A Prize Competition for Cultivating Certain Potatoes.

The Board of Trade, last evening, heard of a scheme which promised to increase the value of the potato crop of this county from \$300,000 per annum to at least \$600,000. It embraced a prize competition, limited to the young men, to the cultivation of certain kinds of tubers, and to an extent not possible without special stimulation. The plan is to offer certain prizes, varying in size, and aggregating not more than \$200. The competition to be conducted by a committee under the direction of the expert of the Department of Agriculture in this district. It is the most promising venture of the kind that has ever been made. The question is one of finance. Who will supply the \$200? The appeal is made to those who can, for the good of a worthy cause, make this contribution without feeling it.

In Carleton county a man came forward and offered to be a benefactor of the people. The cost was not over \$200, and great was the result of his generosity. Who, in Kingston, will answer to the call? It is a matter that cannot be delayed.—Yours hopefully,

R. MEEK,
President Board of Trade,
Kingston, April 14th, '14.

QUEEN'S EXAMS. RESULTS

The Whig will this year, as usual, publish complete results of Queen's college examinations.
Orders for papers left at this office will be given the same careful attention as in the past. Price per copy, including postage, 2c.
The Whig has no canvassers at the college. To ensure the absolute certainty of receiving the paper, leave your order at the Whig office.

Old Disease But New Name

During the past winter a disease has broken out in Kingston which has been named "Blueates." The symptoms of this disease are very simple. First the patient feels melancholy, despondent, gloomy and low spirits. A cure has been discovered which will hereafter be called "Laughteratus." After taking this cure the patient feels joyful, gay and mirthful which is peculiar to the human species. Everyone is advised to take this cure by regularly attending the King Edward theatre: usual admission. Maurice Costello appears in to-night and Thursday's programme. Special.

A young man believed to be Frank Lennox of Tweed, was killed on a C. P. R. bridge at Peterboro.

Special Things For Spring

That you may have been looking for.
