## DIED AT MALLORETTOWN

Albin P. Guild Passed Away on Thursday Evening

One of the oldest residents and the earliest pioneers of Leeds county, in the person of Albin P. Guild, of Mallorettown, Ont., was on Thursday evening, April 16th, gathered to his fathers. The late Mr. Guild was born on the same broad acres on which he lived and died, on December 22nd, 1831, and had therefore reached the ripe old age of eighty-two years and four months. He was a farmer, carpenter and builder by trade, in turns, and was widely known and highly respected throughout the entire countryside. During the past few years he had lived a retired life. Some two weeks ago he suffered a stroke of paralysis, gradually growing weaker until the end came.

The late Mr. Guild was the son of Jarvis Guild, of Mallorettown, who came to Canada from the New England states when this country was then only a wilderness. He was a descendant of John Guild, who came to America in 1636, from Scotland, and who, as the records show, was admitted to the church at Dedham, Mass., on July 17th, 1640. In 1861, following the discovery of gold in California, the deceased, in company with a number of other adventurous young men, left for the gold fields, where he spent several years. In religion he was a member of the Methodist church and in politics a staunch liberal. Surviving him is his widow, over seventy-five years of age, and five children: Mrs. John Tuffs, Muskegon, Mich.; Mrs. John A. Root and C. O. Guild, Mallorettown; S. A. Guild, Brockville, and Leman A. Guild, of the British Whig staff, Kingston.

The funeral will take place at Mallorettown at 2 p.m. on Saturday.

### AIRREST FOLLOWS FIRE

Charge Against a Trenton Man—Inspector Investigates

Trenton, April 17.—At four o'clock on Tuesday morning the interior of the Strathcona House on Front street was set on fire in two places.

Apparently the discovery was promptly made, and the flames were extinguished before much damage was done. Application was immediately made to the provincial authorities and Wednesday evening Inspector Roburn was sent down. Yesterday the investigation was taken up by Inspector Roburn and Chief Moffett, with the result that Morris Stewart, an inmate of the house at the time of the attempt to burn the building, was arrested, charged with the crime. He will come up for a hearing to-morrow before Police Magistrate O'Rourke.

### Libel Actions Settled

Toronto, April 17.—"The Mail and Empire" versus "The News," and "The News" versus "The Mail and Empire" have decided to make it up and be friends. The one paper will not sue the other, or the other counterclaim against the other, for the two journals have decided to cry quits with one another. Sir John Willison's action against The Mail and Empire will not go to trial, nor will The Mail's voice of counterclaim be heard in the courts. The parties have withdrawn all the records in the action arising out of the report that Sir James Whitney was dead, and the libel actions are now defunct.

### Pope Receives Bruchesi
