LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will know. Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wreth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing it through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous and you appear years younger. Agent Geo. W. Mahood.

Acid Stomachs are Dangerous

Nine-tenths of All Stomach Trouble Said to be Due to Acidity.
A Physician's Advice on Cause and Cure.
A famous physician whose successful researches into the cause and cure of stomach and intestinal diseases have earned for him an international reputation, said in the course of a recent lecture that nearly all intestinal troubles, as well as many diseases of the vital organs, were directly traceable to a deranged condition of the stomach, which in turn was due nine times out of ten to excessive acidity, commonly termed sour stomach or heart burn, which not only irritated and inflamed the delicate lining of the stomach, but also set up gastritis and stomach ulcers. It is interesting to note that the remedy, the use of patent medicines as well as of medical treatment for the stomach, stating that he and his colleagues have secured remarkable results by the use of ordinary bicarbonate of soda, which by neutralizing the acidity of the food, removes the source of the trouble. He contended that it is as foolish to treat the stomach itself as it would be for a man who stepped in a tack to rub the tack in the foot without first removing the tack. Remove the tack and the foot will heal itself. Neutralize the acid and stomach troubles will disappear. Irritating medicines and medical treatments are useless so long as the contents of the stomach remain acid; remove the acidity, and there will be no need for medicine. The inflamed lining of the stomach will then heal itself. Sufferers from acidity, sour stomach or heart burn should get a small bottle of bicarbonate of soda from their druggist, and take a teaspoonful in a quarter of a glass of hot or cold water after meals repeating in fifteen minutes if necessary; this being the dose which the doctor has found most efficacious in all cases.

SCREAMED WITH PAIN

Nearly Died With Kidney Trouble Until "Fruit-a-tives" Gave Welcome Relief and Completely Cured The Disease.

CHARLES CALVEART, Esq., St. Thomas, Ont., April 1st., 1913

"In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. The pain was excruciating and my screams could be heard in the street. I tried many different remedies without any results and I was steadily growing weaker. One day, a friend from Ottawa came in to see me and when he found me in such poor health, said he would send me a sample of "Fruit-a-tives," which he did and I commenced taking them. They did me good from the start and in a very short time I was up and around. "Fruit-a-tives" completely cured me and I have enjoyed the best of health ever since.
I would not have any other remedy for Kidney Trouble and would strongly advise anyone suffering from this trouble to cure themselves with "Fruit-a-tives."
CHARLES CALVEART
It is simply wonderful, the relief that "Fruit-a-tives" gives in Kidney and Bladder Troubles. In the great majority of cases of "acid urine," pain in the back, "kidney cramps" and Rheumatism, the kidneys are not actually diseased. They are merely overworked. That is, they are doing more than their share of the work of ridding the system of waste matter. In most cases of Kidney and Bladder Trouble, there is also Constipation and faulty Skin Action. "Fruit-a-tives" relieves the Kidney Trouble by correcting the action of the Bowels and Skin. This marvelous fruit medicine acts directly on the liver kidneys and skin, and is the only medicine in the world that does act on all three of these great eliminating organs. "Fruit-a-tives" will always cure Kidney Trouble when caused by poor skin action, constipation and acid indigestion. See a box, 6 for \$2.50, trial size 25c., at all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.
