### CLAIMED HE WAS ASSAULTED

Foreigner Declared He Was Hit on Head With Beer Bottle

A Bulgarian, employed in a local industry, complained to the police that he was hit over the head with a beer bottle when on his way home.

However, some of his fellow-countrymen differ with him in this respect, as they claim that no person used a bottle on him, but that he slipped while walking and fell on the bottle. The foreigner wanted to have his assailant arrested, but owing to the fact that he cannot identify the man, witness he claims threw the bottle, there was no action taken.

Ferguson's Throttling

Loyalty to party requires G. Howard Ferguson, M.P.P., to officiate as a traitor to himself. The ability of Mr. Ferguson should not be frittered away in the manufacture of rulings that deprive the Ontario opposition of its right to a wide-open enquiry.

The Proudfoot enquiry was throttled by the strong-handed chairmanship of G. Howard Ferguson, M.P.P. The same authority is being operated as a curb on the activity of the public accounts committee. The rulings according to the strict letter of the law. The impatience of the Whitney government and to lessen the possibilities of Mr. Ferguson's own future usefulness. There will be fewer blunders in public life when representatives of the people refuse to put themselves on the road to the scrap heap in the process of attempting to prevent an enquiry into the performance of bunglers and blunderers.
