Death of a Sydenham Lady.
 Sydenham, April 22.—Death came
 early last Sunday morning, claim-
 ing a much-loved and respected Syden-
 hamite in the person of Mrs. Sidney
 Hicks. During her brief illness—of
 three weeks she was attended by Drs.
 Hogart and Third at Kingston gen-
 eral hospital. Her friends entertained
 hope for her recovery until the day
 previous to her death, which was a
 severe shock to the community. The
 deceased was forty-eight years old.
 The greater part of her life was spent
 in and near Sydenham. All who
 knew her saw in her life an example
 of Christian devotion, neighborly love
 and kindness. There are left to
 mourn her husband, one sister, Mrs.
 C. Leonard, of Hartington, and three
 brothers, Isaac Carscallen, of Harrow-
 smith; Newton, residing at "Inceson-
 t," and Ernest, of Brooklyn, N.Y.

 Hicks spent many years. The Ladies
 Aid of which she was a member sent

TRIED TO OBTAIN \$7,500
 Forged Letter Saying Sir William
 Bass Needed Funds
 London, April 24.—A remarkable
 story was told at the Marlborough
 street police court when Alfred Raw-
 linson was remanded on a charge of
 uttering a cheque for \$7,500 in favor
 of Sir William Bass, Bart., and at-
 tempting to obtain from Washington
 Stringer \$7,500 by means of the
 cheque.
 The accused, it was stated, forged
 a letter to Mr. Stringer purporting
 to be from Sir William Bass, and
 reading: "My wife and I are in a
 difficult position. We had to go to
 moneylenders for the enclosed
 cheque, and my account has been gar-
 nished. It is vital for us to have
 the cash this morning. Would you
 be so kind as to send us by bearer
 your open cheque for the amount and
 pay ours into your account."
 Mr. Stringer discovered that the
 letter was a forgery and had Raw-
 linson arrested.

Plumes Were Clipped Off
 London, Ont. April 24.—A lady
 visitor from Chicago is mourning the
 loss of several beautiful bird of para-
 dise plumes, which were clipped off
 her hat in a picture theatre by a
 man who sat behind her, and whose
 request for the removal of her hat
 she had ignored. The loss was not
 discovered until the lady reached
 home.

USE "TIZ" FOR SORE
TIRED, ACHING FEET
 "TIZ" is wonderful for sore, burn-
 ing, swollen, sweaty, calloused,
 red and corns.
 "How 'TIZ'
 does help
 sore feet."

Good-bye sore feet, burning feet,
 swollen feet, sweaty feet, smelling
 feet, tired feet.
Good-bye corns, callouses, bunions
 and raw spots. No more shoe tight-
 ness, no more limping with pain or
 drawing up your face in agony. "TIZ"
 is magical. Acts "right off." "TIZ"
 draws out all the poisonous exuda-
 tions which puff up the feet. Use
 "TIZ" and wear smaller shoes.
 Ah! how comfortable your feet feel.
 Set a 25 cent box of "TIZ" now at
 any druggist or department store.
 Don't suffer. Have your feet rid-
 den of that never-swell, never
 hurt, never get tired. A year's foot
 comfort guaranteed or money re-
 funded.

"LYNCH HER" MOB CHIEF
 Insulted Old Glory in I.W.W. Meet-
 ing
 New York, April 21.—Under the
 command of Police Commissioner
 Woods police reserves strove for an
 hour and a half in Park Row yester-
 day afternoon to protect I.W.W. or-
 ators from injury. The orators, one
 of whom was Becky Edelsohn, who
 became an I.W.W. having by throw-
 ing her arms around "Wild Joe"
 O'Carroll when he was being beaten
 by the police. A riot in Union
 Square, were hushed upon denounc-
 ing the United States flag as some-
 thing not worth going to war for, or
 defending under any conditions.
 Police had to hold off 3,000 in-
 furiated persons who surged up to the
 Franklin statue determined to mob
 the speakers for their remarks. The
 meeting ended when the police be-
 came exhausted from pushing the
 mob back and arrested two of the
 orators on charges of disorderly con-
 duct. Miss Edelsohn and Sam Har-
 man, the prisoners, were released in
 the custody of their counsel to await
 a hearing in the morning.
 "It is all a frame-up by the cap-
 italists in which the blood of good
 working men will be spilled to pro-
 tect the investments in Mexico of
 Hearst, Rockefeller and the Guggen-
 heims."
 This was the assertion on the part
 of the woman orator, which started
 the near riot. Cries of "lynch her,"
 "Kill the I.W.W.," and similar out-
 bursts from the quickly gathering
 mob brought the police on the run.
 The crowd was further infuriated
 when the speakers called them "cow-
 ardly tools of the wealthy."

CLOCKS THAT CAN TALK
 Novel Device Installed on Railway
 System in Berlin
 Railway travelers in Berlin are no
 longer allowed to run any risk of los-
 ing their trains or getting into the
 wrong train in the future, for at all
 the principal stations underground,
 "talking clocks" are to be installed
 for their benefit. These consist of
 electric timepieces combined with
 phonographic apparatus.
 When properly adjusted people
 waiting on the platform will hear
 every quarter of an hour the exact
 time called out in loud, strenuous
 tones. Passengers also will be warn-
 ed of the approach of the train by
 the necessary entries in a book of en-
 gagements. Herr Selan, the inventor
 of this wonderful device, will
 put on the market clocks which can
 speak English, French, German,
 Italian and indeed almost any lan-
 guage. He is an engineer and re-
 sides in Berlin.

IS LEO M. FRANK INNOCENT?
 Detective Agency Says Another Mur-
 dered Mary Phagan
 Atlanta, Ga., April 24.—That Leo
 M. Frank, under sentence of death
 for the murder of Mary Phagan,
 fourteen years old, factory employee,
 is not a pervert and is innocent of
 the murder for which he has been
 convicted, is the substance of a re-
 port made public by the head of a na-
 tional detective agency, who has
 been investigating the case for sev-
 eral weeks. The detective was em-
 ployed by friends of Frank after the
 latter's conviction.
 The report asserted that Mary
 Phagan was killed by a "pervert of
 homicidal tendencies of the most pro-
 nounced type" and charges a negro,
 formerly employed as a sweeper at
 the National Pencil factory, with
 the crime. The hearings on the ex-
 traordinary motion for a new trial
 and to set aside the verdict will be
 heard to-day before the superior
 court.

STATUES IN MONTREAL
 Sir George Cartier Memorial Will
 be Most Elaborate.
 Montreal, April 24.—Three mem-
 orial statues, the combined cost of
 which will exceed \$200,000, will be
 erected in Montreal this year. They
 are those to King Edward VII on
 Phillips Square, to Sir George Car-
 tier on Fletcher's Field, and to Adam
 Dollard, Sieur, des Ormeux, of Viger
 Square.
 The Cartier memorial, costing over
 \$100,000, will be the most elaborate
 of the three.
 The statue of King Edward VII,
 for which \$80,000 has been collected
 in amounts ranging from five cents to
 \$1,000, is now being cast in Paris. It
 is the work of Philippe Robert, the
 well-known French sculptor. The stone
 base for the statue is already com-
 plete.

WINE WAS OVER PROOF
 Two Collingwood Hotelmen Fined
 \$200 Each.
 Collingwood, April 24.—For selling
 wine that analysis showed was 12
 per cent. over proof William Mueller,
 proprietor of the Tremont House,
 and Fred Dunbar, tenant of the
 Queen's Hotel, here, were each fined
 \$200 and costs by Police Magistrate
 Hoag. The wine was purchased from
 a London firm under a guarantee
 that it did not contain over 21 per
 cent. of proof spirits, the guarantee
 being produced in court. The de-
 fendants will probably try to recover
 from the vendors.

X-rays More Powerful
 Berlin, April 21.—Dr. Dessauer an-
 nounces the completion of a series of
 successful experiments at Frankfurt-
 on-the-Main. He uses a tube, by a
 method which he has devised. X-rays
 are to be made twenty times more
 penetrating than ordinary rays, and
 almost as effective as radium in the
 treatment of disease.
 It is not often the fanciful, dainty
 positions that women hold. In Ger-
 many there are feminine street clean-
 ers.
