

Folding Ensign Cameras For Roll Films

The compact neatness of these cameras is very remarkable. They slip easily into the pocket, and with their black polished base board, black bellows, black shutter, and covering are better looking and better finished than any cameras that have ever been sold at such low prices.

THE TOWN OF GANANOQUE

Death of Mrs. John Gillespie — The Clayton Ferry.

Gananoque, April 25.—Another esteemed and highly respected resident of this section passed to rest on Thursday in the person of Mrs. John Gillespie, who has resided many years in this neighborhood. The funeral takes place from the residence of her son, T. H. Gillespie, Mount Pleasant Farm, this afternoon to Gananoque cemetery.

Capt. D. J. Kenny expects to put his ferry launch Vennek in commission on the Gananoque-Clayton route again at the opening of the season, which will probably be some time next month. He will, in all probability, get the contract once more for the carrying of the mails between these ports.

The Willing Circle of Kings Daughters, which has for several years past made use of the celebration on Dominion Day to replenish their coffers by holding a tag day on that date, have decided to make a slight change this year and conduct a sale of flowers for the celebration of Mothers' Day on Sunday, May 10. G. E. Hurd left for Kingston during the past few weeks to accept a situation. Miss Mary Hale, of Queen's, is holidaying here with her parents, Mr. and Mrs. William Hale.

MARTIN-McCREADY NUPTIALS Solemnized at St. Romauld, Quebec, April 21st.

A wedding of interest to Kingstons was quietly solemnized, on Tuesday morning, the 21st inst., at the Church of St. Romauld, St. Romauld, Quebec, when Mary Yvonne daughter of Mr. and Mrs. Henry McCreedy, New Liverpool, Que., became the wife of Henry James Martin, son of Capt. and Mrs. Charles Martin, Balclava street, Kingston. The ceremony was performed by Rev. H. Des Roches, uncle of the bride.

The bride, who was unattended, looked very charming as she entered the church with her father, who gave her away. She wore her travelling gown of Alice blue, with shepherd's hat to match. Her only ornament was the groom's gift, a pearl and cameo necklace, and she carried roses and lily-of-the-valley. Mon. J. Gagnon, uncle of the bride, played the wedding march.

The bride and groom left for New York, Boston and other eastern points. On arrival in Kingston, they will take up residence on Bay street, near Frontenac Park.

DIED AT NAPANEE

W. H. Kinnierley Was a Veteran American Soldier. William H. Kinnierley, a well-known resident of Napanee, died on Thursday morning, at his residence, Piety Hill. Deceased was a veteran of the American war and was in receipt of a pension for many years. He leaves, beside his widow, a grown-up family. The funeral will take place on Saturday afternoon.

Last week the little three-year-old daughter of F. H. Kelly had the misfortune to be knocked down by a carter's rig and run over. She sustained a broken leg through the accident.

On Tuesday morning last the firemen were called out to extinguish a small blaze in W. H. Milling's grocery. The fire was noticed about four o'clock, by fishermen returning home. The fire was soon extinguished. Very little damage was done. It is thought that the origin of the fire was defective wiring.

The Late Thomas Grahen The remains of the late Thomas Grahen, formerly of this city, who died in Edmonton on Saturday morning last, did not arrive in the city on Friday afternoon over the Canadian Pacific railroad, as had been expected. The remains were taken to Toronto, and had to be brought down on the night train over the Grand Trunk railroad.

On Friday afternoon about fifteen relatives and the undertaker were down at the C. P. R. station waiting for the remains, which were supposed to arrive at 3.20 o'clock. When they reached here on Friday night they were taken to the home of Mrs. O'Gorman, Montreal street, whence the funeral took place on Saturday morning at ten o'clock to St. Mary's cathedral and thence to St. Mary's cemetery.

CONSIDER THIS EVIDENCE The fact that they are not low priced is proof that Invictus Shoes are being made "right" The supply of leather is decreasing as rapidly as the demand is increasing, with the result that leather of any kind, but particularly good leather, has become very high-priced. As a matter of course Invictus Shoes now cost more to make, but the price you pay only represents a fair value of the finest shoe ever made in Canada. "THE BEST GOOD SHOE" as an honest term, applies to Invictus because the makers have faith in the attitude of Canadians toward good footwear, and they feel warranted in maintaining the quality of Invictus Shoes with price as a secondary consideration. Prices Men's Invictus, \$5.50, \$6.00. INVICTUS SHOES OBTAINABLE AT Shoe Repairing ABERNETHYS Travelling Goods

EXTOLS WATER AS A DRINK At Meals or Any Other Time, it is Healthful, Doctors Say. The old belief that it is not healthful to drink water while eating, was exploded by Dr. F. B. Hawk, a Jefferson medical college professor, in a paper before the American Philosophical society. He declared that much benefit is derived from drinking as much water as is desired during regular meals. He also urged the value of plenty of liquid whenever it is craved, and showed that it is essential that care be exercised that only pure water is drunk. Its use in plentiful quantity by human beings and animals assists greatly in the elimination of waste matter, it was said. Dr. Hawk spoke particularly on the value of plenty of pure water on the digestive tract, but also explained experiments which showed that it also helps many of the other organs to perform their functions. He did not think it well to drink extremely cold water. Particularly while eating, he said, iced water is bad. For bread and pastry, White Rose flour.
