Two and a Half Hours on Operating Table	
Specialist Could Not Remove Stone In The Bladder	
GIN PILLS PASSED IT	
"During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the Bladder.	
He decided to operate but said the stone was too large to remove and had to be crushed. I returned home and was recommended by a friend to try GIN PILLS.	
They relieved the pain. I took two boxes and went back to the specialist. He said the stone was smaller but he could not remove it although he tried for two hours and a half. I returned home and continued to take GIN PILLS, and to my great surprise and joy, I passed the stone.	
GIN PILLS are the best medicine in the world and because they did me so much good, I will recommend them all the rest of my life!"	
J. ALBERT LESSARD sold a box—5 for \$5.00—at all dealers, and money back if they fail to give relief. Sample free. National Drug & Chem. Co. of Canada, Limited, Toronto.
