TO THE CRICKET FIELD ON MON-DAY EVENING.

There was a Very Large Turnout- ing To Invite An Outside Regiment to Kingston for the King's Birthday, With the weather man "fixed" regard to holding off the rain and electric storm until some time after the volunteers had been dismissed at the armiessies, the - 14th regiment had, on Monday evening, the mos successful initial battalion parage of the season in the past few years Threatening had been the weather alating Pill for Women. 35 a box or three for throughout the day, but, allowing for 10, 3fold at all Drug Stores, or mailed to say a couple of showers, the rain held off until the officers and N.C.O.'s were meeting in their respective messes and then down it came in real earnest, with the electrical "fireworks."

The old 14th certainly made a fa vorable impression on its first marer out of the training season of 191 and everything augurs well for a profitable and attractive season's work. Judging from the spirit which prevades from the officers down to the individual "private in the rear rank," there is no evidence of the riflemen getting "weary in

There were upwards of 350 on rade, all ranks. Major H. J. Dawson, the second in command, who was in charge, declared himself as well pleased with the parade; to were his officers, and so were citizens. Large crowds . witnessed the march-
