The Regretful Chinese

The troubles of Mexico to-day began with the deposition of President Diaz. A Chinese envoy represented his country at the ceremony of Mexican independence just before the revolutions began. He saw the theatre. "Beautiful!" he said; "but what a pity it is not finished!" He looked at the parliament house. "Magnificent, but what a pity not finished!" A third building still in construction drew the same regret. Then he was introduced to President Diaz, very old and very deaf. "A wonderful man," he said. "What a pity he finished!"

Unintentional Frankness

Pearson's London Weekly.

The Bishop of London, who has been "going for" music hall immorality, recently told a story of a visit he paid to Buckingham Palace to see King Edward.

As he was going in he passed the late Lord Salisbury coming out, but the statesman did not seem to know him.

In the course of conversation he mentioned the meeting to King Edward.

"Oh, Lord Salisbury never recognizes anybody," replied the king and going to a bureau, he took out a new photograph of himself and handed it to the bishop. "What do you think of that?" he asked.

"A very excellent likeness, sir!" replied the bishop.

"Well," said the king, "when I showed it to Salisbury he looked hard at it for a minute and then said:

"Poor Buller! I wonder if he is really as stupid as he looks!"

BY HIS OWN EFFORTS

FROM POVERTY TO WEALTH IN LESS THAN YEAR'S TIME

"Broke" Last July in Oregon, Miner Invades Alaska and "Cleans Up" Sum of \$83,000.

Portland, Ore., May 5.—Broke less than a year ago and working at odd jobs cleaning basements and yards in this city and now worth \$83,000, all of which was secured through his own efforts, is the experience of W. B. Connell, an Alaska miner.

To H. A. Davis, deputy city attorney of this city, is largely due much of the credit for the good fortune which has befallen the lucky miner. Connell came to Davis last July with the story that he knew Judge Davis, the local attorney's father, who was formerly a judge in British Columbia. He had a hard-luck story and pleaded for work. Davis gave him some odd-jobs cleaning the yard and basement in his home, for which he paid the man \$2.

After the work was completed the stranger asked for \$5 for railway fare to Seattle; from which place he intended to go to Alaska. The man appeared to be honest, and Davis gave Connell \$6.

That was the last heard of the man until a few days ago, when in a letter received by Davis, written from the White Horse River, Yukon territory, Connell said that he had reached Alaska and had gone to the Chisna gold fields and there had located three claims.

"I have sold the three claims," writes Connell, "to a New York syndicate for \$83,000; \$12,000 cash, \$49,000 in three months and the remainder in six months. So, taking everything into consideration, I have not done so awfully bad since last July, when I was flat broke."

"I have a notion to quit the mining game, as \$83,000 will keep me if I use it as it should be used."

MONTHLY REPORT.

Kingston Young Women's Christian Association.

The monthly business meeting of the board of directors of the Young Women's Christian Association was held Monday, the president, Mrs. John Wright, presiding. Total membership to date is 311. Reports of the various committees were read.

Mrs. Carr-Harris conducted a series of services during Passion Week. A musicale was enjoyed by all members on April 3rd. At the gymnasium exhibition over \$42 was realized. Informal socials have been held by the various clubs. The Girls' Fellowship club, Junior Girls' club, T. N. B. A. club, have entertained guests at the association building with games and refreshments. Talks on home nursing, dress, how to buy meals, etc., have been given in the mills. The committee on camps for girl-guides during the month of August is still investigating cottages for rent along the river and lake shore.

In view of the recent tragedy the board is looking into the expense of having the building wired with electricity. The ladies also decided to eliminate the annual banquet this season, invitations to be issued for the annual meeting only on May 17th. Mrs. Carr-Harris, Mrs. Donald Moss, Miss Edith MacCallum, Miss Birdie Jameson, Miss Etta Henderson were chosen members of the nominating committee for 1914-15.

Mrs. J. N. C. MacCann, Miss Isabel Moss, Mrs. Edwin McLelland, Mrs. Muirhead and Miss May Macdonnell were chosen a committee to plan a tea and sale to be held some time in May.
