

## CITY COUNCIL SESSION

### PLANS FOR RECEIVING THE DUKE OF CONNORGH

The Bagot Street Dump to be Given Attention—City Can Get no Stone From the Government for Roadways

Owing to the absence of Mayor Shaw, who was attending the Town Planning convention in Toronto, Ald. Couper presided at the City Council meeting on Monday evening.

In attendance were: Aids. Couper, Clugston, Graham, Hanley, Harrison, Hoag, Hughes, Kent, Litton, McCann, Newman, Nickle, O'Connors, Peters, Richardson, Stroud, Sutherland and White.

Ald. Couper was moved into the chair on resolution of Ald. Richardson.

These communications were referred to committees:

C. C. Folger, general manager civic utilities, asking funds for the extension of a gas main on Victoria and Chestnut streets.

William Holden and others for extension of street watering area on Montreal street to James street.

Frederick C. Reid, Miss O'Brien and W. H. Medley, asking for the removal of trees.

Medical Health officer re nuisance caused by dump grounds.

Enoch Godwin claiming damage to his house by blasting.

City auditor re city auditor re pay rolls Kingston Shipbuilding Co.

A letter was received from Foley and Gleason stating that owing to the city's delay in some excavation work on Princess street, between Bagot and Montreal streets, they had to lay off their excavating gang at noon on Friday, the 22nd.

It was explained that this notice was given by the Ottawa contractors as a protection to themselves. The sewer referred to had been finished and street paving excavation was continuing.

Ald. Stroud moved that the city engineer be instructed to have a water pipe extension to the dump at the north end of Bagot street at once; that the dumping refuse be from 7 a.m. till 6 p.m. This resolution was carried.

### The Finance Report

These recommendations of the Finance Committee were adopted:

That on the communication of the 101st Old Boys' club of Vancouver re the visit of the educational tour of the Young Australia league around the world, that this city reply that they will co-operate in furthering the plan, and that the member for Kingston be sent a copy of their letter with a request to support the same in the house of commons.

That the request of the Board of Works to have this committee provide funds for the purchase of a house and lot from Walter P. Smith for \$1,300 and a lot from Alexandria H. Smith for \$1,400 for the extension of Thomas street, be granted. This amount has not been provided for in the budget.

That this committee be authorized to pay the expenses in connection with the visit of H.R.H. the governor general and party on June 2nd, the programme being as follows:—The mayor and aldermen meet and welcome H.R.H. at the Grand Trunk Railway station at 3 p.m.; automobile ride to Macdonald Park where his royal highness will inspect the guard of honor; address of welcome; patriotic songs by the school children; when the mayor will present the aldermen, their wives and citizens to his royal highness.

That the Board of Education be requested to co-operate with the City Council in the reception to H.R.H. the governor-general and to have the school children attend at Macdonald park about 3.30 p.m.

That the following accounts be paid:

Board of Works—Pay list to May 12th, \$2,308.86; S. Anglin and Co., lumber, \$35.89; The Boeckh Bros. Co., brooms, \$7.95; British Whig Publishing Co., printing, \$56.50; The Bay of Quinte Railway, freight, 75c; William Cockburn, smith work, \$5.49; Frontenac Lumber and Coal Co., cemeat, \$787.19; W. —Frontenac Floor and Wall Tile Co., refund of deposit, \$300.

Insurance—J. S. R. McCann, premium, \$4.50.

## THIN-BLOODED MEN AND WOMEN

### Need the Rich, Red Blood Dr. Williams' Pink Pills Actually Make.

Thin-blooded people do not remain so from choice but from indifference; in some cases from despair. People who are pale, languid, with palpitation of the heart, some difficulty in breathing and a tendency to be easily tired are suffering from thin blood. They need only the resolution to take the right treatment and stick to it until cured. The remedy that can be relied upon is Dr. Williams' Pink Pills for Pale People. With every dose they make new blood, and new blood means health and strength. The red cheeks, good appetite, increasing weight and strength that follow the use of these Pills prove their great value to thin-blooded people. Here is an example: Mrs. R. Steele, Alton Road, P.E.I., says: "Following child-birth I took a pain in my head which grew so bad I had to call in a doctor. He told me that my blood had turned to water and that I was in a serious condition. He treated me four months, but still the pain remained, and my condition was growing pitiable. I lost my appetite and was so weak and run-down that I could no more than walk across the room. I was as pale as a corpse, and the doctor told my friends he had but little hopes of my getting better. A cousin who came to see me urged me to try Dr. Williams' Pink Pills and I sent and got a supply. In about a month after beginning their use I had much relief, and by the time I had taken six more boxes I was fully cured and felt as well as ever I did in my life. I have never had a twinge of the pain since, and feel that I owe my life to Dr. Williams' Pink Pills, as they cured me after the doctor had failed."

Sold by all medicine dealers or sent by mail at 50c. a box of six boxes for \$2.50, by The Dr. Williams' Medicine Co., Brockville, Ont.

### Grim Retribution For Thief.

Marseilles, May 27.—Rabbits which had been inoculated with the virus of rabies, tuberculosis, typhoid and other deadly diseases, were stolen, last night, from the laboratory of a bacteriologist in the suburbs of Marseilles. The bacteriologist had been experimenting in the production of vaccines. The police are making every effort to recover the animals before they are sold or eaten, but so far without success.

### Left \$200,000.

Paintersville, Ky., May 27.—It was announced here, yesterday, that the will of Col. John C. C. Mayo, Kentucky's capitalist and democratic national committeeman, who died in New York, will be probated here June 1st. His entire fortune was left to his widow. Friends of Mr. Mayo say it will be at least \$200,000,000.

### Some men waste a lot of their time looking for words of encouragement.

### COMMISSION HAS RIGHT

#### To Change From Direct to Alternating Electric Current

The following is the opinion of the city solicitor, submitted to the City Council on Tuesday evening, with reference to the changing of direct to alternating electric current on the part of the Utilities Commission:

"I am of the opinion that the commissioners have the power to change from direct to alternating current, and request consumers of power to change their motors from direct to alternating without being under any obligation to pay the consumers anything whatever. Of course the consumers can refuse to take the power if they want to."

"As to whether the power plant can discriminate and serve some consumers with the direct current and others with an alternating current, I am of the opinion that such discrimination cannot be allowed, and that if direct current is supplied to one consumer, then it must be supplied to all buildings within the municipal limits upon land lying along the same line of supply wire, that is, if there is a sufficient supply of the public utility."

## WOLFE ISLAND NEWS.

### Marriage of Miss Lena M. Bolton at Dewar Lake, Sask.

Wolfe Island, May 25.—Mr. Taylor, of Wycliffe College, Toronto, gave an address in the interests of the Bible Society in the Methodist church on Sunday evening, May 17th. He spoke in Trinity church in the morning. Several from the village attended the funeral of the late Mrs. Irvine, at St. Lawrence, on Tuesday last. Mrs. (Dr.) E. A. Ferguson and little son spent a few days last week with the doctor's sister, Mrs. A. W. Stewart. Miss Wood, accompanied by Miss Bertha Rattray, spent the week-end at her home in Sylvania. Rev. William Sager, Perth Road, was the guest of Rev. A. W. Stewart, on Friday.

Recent visitors: Charles Mee, of Rochester, N.Y., at J. C. Cleary's; Miss Daisy Maxwell, B.A., of Kingston; Mrs. A. C. Wagar, Parham, and Mrs. Hartman, Kingston, at the Methodist parsonage. Miss Lillian Woodman has returned from Hartington.

A quiet wedding took place at the home of Mr. and Mrs. W. H. Bolton, Dewar Lake, Sask., on Thursday, April 30th, when their third daughter, Lena May, was united in marriage to Stanley B. Carroll, of Dewar Lake. The ceremony was performed by Rev. J. S. Caldwell, of Alaskan, Sask., brother-in-law of the bride, assisted by Rev. Leonard, of Hossier Valley. The presents received by the bride were numerous and costly, showing the high esteem in which she is held by her many friends. The Ladies' Aid of the Wolfe Island Methodist church, of which Mrs. Carroll was secretary prior to her departure for the west a year ago, sent an address, accompanied by a piece of cut glass. The happy couple left in their own car for Flaxcomb, where they took the morning train for Saskatoon and other eastern points.

### CURED BY SUN'S RAYS

#### Remarkable Cases Reported to Medical Congress in Vienna

Vienna, May 27.—Remarkable sun cures of tuberculosis and bone diseases were shown at a meeting just held of the Vienna Medical Association. It was asserted that serious affections, such as abscesses, ulcers, bone fissure, deep wounds and burns, which surgeons had been unable to cure, were completely healed by exposure to the sun. Children treated in this manner were said to be restored to health.

### To Naturalize Industry.

Odessa, May 27.—It is authoritatively stated that the imperial government has decided to nationalize the Russian tobacco industry. M. Tsereteli, the minister of finance, is about to appoint a special commission to examine and report upon the scheme not later than June of next year. It is not expected, however, that the monopoly will come into force before January 1, 1918. It is understood that all vested trade interests will be justly considered.

## KILL THE FLIES IN YOUR HOUSE NOW

Toronto's Medical Health Officer says: "If you come across any flies in your house kill them now." Therefore all good housekeepers should commence using WILSON'S FLY PADS early and continue their use through the season.

Remember that every ten-cent packet of WILSON'S FLY PADS will kill more flies than three hundred sheets of sticky paper.

Follow the directions carefully to get the best results.
