

Boys' Wash Suits

Put the boy in wash suits for summer wear. There are brooks to wade in and mud pies, grasshoppers, angle worms to look after. Wash suits are a comfort for the boy and a relief for his mother. Russian blouse and sailor styles, a great variety of choice wash fabrics. Sizes 2-12 to 7 years.

Prices \$1.50 to \$3.25

Blouse waists, tapeless, fit boys 9 to 14 years, 50c, 75c and \$1.00.
No wash goods sent on approval.
We guarantee our wash suits to wash in a satisfactory manner. The line is certainly worth seeing.

LIVINGSTON'S
BROCK STREET

A little out of the way, but it will pay you to walk.

Big Special Dress Sale

Saturday, 8.30 O'clock
\$1.98 & \$2.98

A big special purchase of New York Dresses which came to us at a very low figure. They were bought at a very low price through a two-months' closing of a big factory due to labor troubles. Just one thought regarding these dresses. They will be in our window all day Friday. See them if possible; it is the best bargain ever offered by us in dresses.

Dresses selling regular up to \$4.50.

Saturday \$1.98

Dresses selling regular up to \$7.00.

Saturday \$2.98

Nothing cheap but the price. The collection of quality remains long after the price is forgotten.

See them in the window.

R. WALDRON

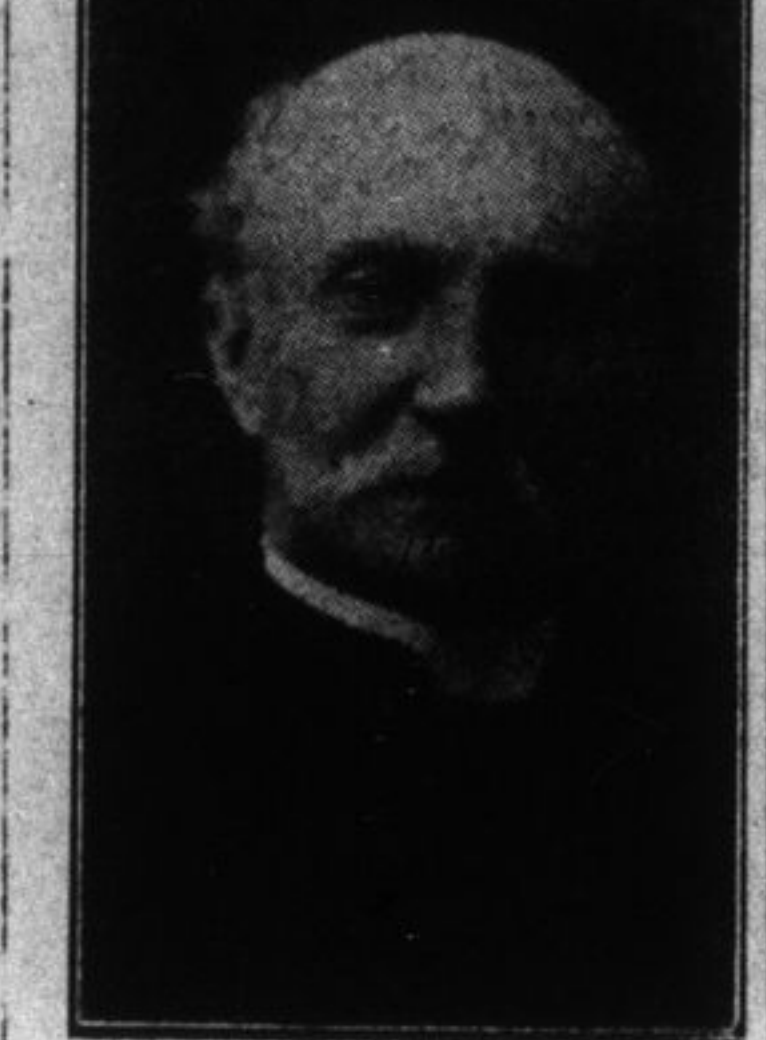

HERE FROM SCOTLAND

REV. DR. AND MRS. MACKIE IN KINGSTON ON VISIT.

Were Given Warm Welcome By Old Friends Upon Their Arrival — Dr. Mackie Will Preach In His Old Pulpit Sunday Morning.

Rev. Dr. John Mackie, pastor emeritus of St. Andrew's church, and Mrs. Mackie arrived in the city on Thursday afternoon from Scotland, to pay a visit to their old home. They arrived on the one o'clock train from Montreal, and quite a number were at the station to welcome them. During their stay in the city they will be the guests of Dr. and Mrs. James Third, Wellington street.

Two years and a half ago Dr. Mackie resigned his charge at St. Andrew's to return to his former home in Scotland, and this is his first trip to Kingston since leaving. Both Dr.

REV. JOHN MACKIE, D.D.

and Mrs. Mackie are looking well and enjoying the best of health and expressed themselves as being very glad to be among "dear old friends again," as Dr. Mackie put it. They had quite a stormy passage over, but, nevertheless, they enjoyed it.

Quite a few members of the congregation were at the station to welcome Dr. and Mrs. Mackie, who will be tendered a reception by the congregation on Friday evening, and on Sunday morning, Dr. Mackie will preach in his old charge.

Dr. and Mrs. Mackie spent a few days in Montreal with their old friend, Rev. Dr. James Barclay, before coming on to Kingston.

GIFTS TO REV. JAMES WALLACE

Who Leaves Lindsay for British Columbia Post.

Lindsay, May 28.—After a pastorate of over eleven years in Lindsay, the Rev. James Wallace left yesterday to take an important mission work along the British Columbia coast. In his departure the congregation of St. Andrew's church lost an excellent minister and the town of Lindsay a highly respected citizen. Rev. Mr. Wallace has been appointed by the general board of missions of the Presbyterian church to take up work among the sailors and lumbermen.

The congregation of St. Andrew's church presented him with a well-filled purse of gold; the brethren of A.F. and A.M. No. 77, presented him with a beautiful Masonic ring, he being a past master; the officers of the 45th regiment, of which Mr. Wallace was chaplain, made him the recipient of a gold fob and shawl suitably engraved; and the curiers of Lindsay also presented him with a beautiful engraved gold-headed cane. Mr. Wallace is a Queen's graduate and well-known in Kingston.

Have a Look at the Fruit.

Apricots, apples, bananas, black cherries, red cherries, grape fruit, limes, lemons, oranges, pineapples, peaches, etc., all of the best quality, at Carnovsky's.

Mrs. Edward Shapchinsky and Miss Ida Manion, Napanee, spent Thursday visiting friends here.

THE LATE MRS. H. H. COOKE

A Well Known Lady Died on Wednesday Evening.

On Wednesday evening at 8.40 o'clock, Emma Perry, wife of Herbert H. Cooke, 449 Princess street, passed to rest after an illness extending over twelve months. The late Mrs. Cooke, who was forty-one years of age, was a daughter of Mrs. Harriett J. Perry, formerly of Napanee. For the past twenty years she had resided in Kingston. Thirteen years ago she was married to Herbert H. Cooke, who survives. In religion she was a Methodist, and a member of Queen street church, of which choir she was a member for many years.

She is survived by her mother, three sisters and one brother. The sisters are Mrs. D. W. Storr, of Poughkeepsie, N. Y.; Mrs. James Fraser, of Benton Harbor, Michigan; Mrs. John Cole, Los Angeles, Calif.; and Earl F. Perry, of Springfield.

The funeral takes place on Friday afternoon from her late residence, Rev. G. I. Campbell, pastor of Queen street church, will conduct the service.

RIDING WHEEL ON SIDEWALK.

Military Officer Has Been Summoned to Police Court.

The police have started a crusade against people who ride their bicycles on the sidewalks. There has been a great deal of this going on in the city for some time, and the police are determined that it must stop. Male and female riders will find themselves in trouble if they take a spin on the sidewalk.

A local military officer has been summoned to appear before the magistrate on Friday morning, charged with riding his bicycle on the sidewalk. A police constable caught him in the act and had a summons issued. He is the first to walk the carpet. From now on all bicyclists who are caught by the police will receive a summons to appear before the magistrate and give an explanation. Many complaints have been made about people riding on the sidewalk and quite a few people have been injured from time to time as a result of the bicyclists riding on the walk.

FOREIGNERS LAID OFF

And Their Jobs Given to Workmen of Kingston.

To show that Foley & Gleason, contractors for the new pavement on Princess and King streets, are determined to live up to their verbal agreement with the city, all the Italians, on Thursday morning, as they appeared for work, were given their time. There are now fifty local men at work on the streets and the work is progressing rapidly.

The gang laying steel is now at the corner of Princess and King streets. Many people are curious to know the reason for spaces about three feet wide that have been left in the cement track foundation. The Whig, upon inquiry, learned that these "would be used in connection with the "track-grates" to draw the water from between the tracks.

Frontenac Cheese Board

The Frontenac cheese board met Thursday afternoon. There was boarded 795 boxes of colored and 44 boxes of white cheese, as follows: Colored—Elm Grove, 50; Forest, 190; Glenvale, 35; Howe Island, 36; Bay View, 34; Ontario, 30; Sunbury, 75; St. Lawrence, 36; Silver Springs, 24; Thousand Islands, 55; Elginburg, 70; Verona, 75; Wolfe Island, 48; Glendower, 13; Collins Bay, 30; White—Glendower, 9, and Frontenac, 35.

The offerings of Glendower, Verona, Elginburg, Sunbury and Forest were bought by Daniel Smith at 12-16 cents, while Mr. Alexander bought the remainder of the colored at the same price. The white was not sold.

The Visitors Chosen.

The Women's Aid Society of the Kingston General Hospital held a well-attended meeting in the board rooms and passed the current accounts. There was very little other business to attend to except that the visiting ladies for the following month were elected to be Mrs. George A. McGowan and Mrs. F. Clark. The next meeting, which is the last before the beginning of the fall meetings, will be held next month and the business of the hospital for the summer will be dealt with.

Milk Wagon Hit by Car.

On Thursday morning, about ten o'clock, a milk wagon owned and driven by Harry Pickering was hit by street car No. 26, at the corner of Division and Princess streets. The motorman tried to stop the car but could not avoid the accident. The wagon was badly damaged and had to be taken to a local repair shop. Mr. Pickering luckily came through the accident without being hurt.

Cadets Inspection Off

Owing to the non-arrival of the uniforms for the school cadets, the inspection arranged for at the cricket field on Friday afternoon has been called off. The date for the inspection will be arranged later. It would be better to wait the actual delivery of the uniforms before setting a date.

The steamer Ramona went into Davis' dry dock on Thursday morning to have a new propeller placed on.

The steamer John Randall left the dock on Tuesday morning. In a day or so two excursion steamers from Rochester, N.Y., are expected to be here to enter the Davis dock for repairs.

As a marked appreciation of Sir Wilfrid Laurier's forty years of public life, liberal members in the House of Commons, on Thursday afternoon, presented the leader with a gold watch and chain suitably inscribed.

Henry K. Shaw and party, accompanied by a sheriff and two deputies, have gone to the mountains in Concord to spend some weeks fishing.

NAVAL RESERVE CORPS

SCHEME IS NOT A NEW ONE IN KINGSTON

Kingston Yacht Club Asked For Privilege of Forming Such Corps Many Years Ago But Government Turned Down Proposition—Plan Favored by Local Yachtsmen.

The scheme for the establishment of a naval reserve corps throughout Canada, as decided upon by the government, is not a new idea by any means with the members of the Kingston Yacht Club.

Several years ago, when B. M. Britton represented Kingston in parliament, he asked on the floor of the house if the Kingston Yacht Club could be given permission to form such a corps, but at that time the offer was turned down.

And it was rather unfortunate, too, that the scheme should have met such a fate, as there was much enthusiasm on the question among the members of the club, and organization was practically completed, officers having been selected and the necessary money raised to put the corps in first-class shape.

The legislation for the forming of these naval corps was brought about as the result of a petition which was signed by nearly all the yacht clubs in Canada. The petition was in Kingston and was signed by members of the local yacht club. The scheme has met with the approval of many local yachtsmen.

The idea is to have a corps composed of about 1,200 men. The first corps of the kind will be formed at Victoria, B.C.

Although it is not known at the present time it is likely that the Kingston yacht club will fall into line and that the city will have established a naval reserve corps.

The Montreal yachtsmen report that the scheme is not a new one there, and that it is regarded with favor. Capt. Riley, a prominent yachtsman in Montreal, states that his father made such a proposal as this thirty years ago to Hon. Mr. Prefontaine.

His plan was to establish what would be known as "river scouts." The swimming clubs, boating clubs and yachting clubs were to provide volunteers. No action was taken, however, and the scheme fell through.

It is felt that a great many Canadians, now acquainted with aquatics along the line of sport, would leap at the chance of joining a naval reserve both for the pleasure they would derive from it and for the educative value of expert marine training under skilled government officers.

Colebrook Farmer's Accident

Colebrook, May 27.—E. Sexsmith, of Emory Hall, conducted services on Sunday, 17th inst., in the place of Rev. W. D. P. Wilson, who had a special call to preach at Enterprise.

H. R. Purcell, returning from Napanee, met with a serious accident. When at Gandon East some boys exploded fire crackers, frightening his horse, which ran away with Mr. Purcell, breaking the buggy and harness and injuring the animal badly. Mr. Purcell escaped with a few bruises.

Mrs. C. N. Sutton has returned home after spending over two weeks with her sick husband near Belleville. She reports him much improved and on his way to recovery. The Misses Edna and Beatrice Coudy, of Montreal, spent over Sunday and Monday with their parents, Miss Anna Brey, is visiting in Brookville.

Mrs. H. P. Lucas has returned from her visit at Centreville, and Enterprise.

Mr. and Mrs. Hudgins, of Selby, visited their daughter, Mrs. Edward Purcell and family.

Wolfe Island Lawn Socials

The regular Monday evening lawn socials at McLaren's, Wolfe Island, will start Monday evening next, June 1st, and continue each Monday throughout the summer. O'Connor's orchestra will supply music for dancing, the steamer Wolfe Islander making special Monday night trips, leaving Kingston at 8 p.m. sharp, and returning at 12.30 a.m. These popular socials promise to be a bigger success than ever this coming season.

Further strong arguments against the proposal to place inland water rates under the railway commission were advanced Thursday morning by representatives of large Canadian shippers before the joint committee of the senate and commons.

Stanley Trotter, president of the city baseball league, has called a meeting of the executive for Friday evening, in the Y.M.C.A. building.

If you propose to be a guide take your followers from the direction of danger.

The Pleasures of Summer

May be fully enjoyed only by those prepared to meet the warm weather.

At the present moment corsets play the central role in the drama of dress. These new French models with their long low lines are the foundation of perfect gowning.

Women who know have been using them with marked success this spring, and we are now ready with the **SUMMER MAKES OF**

"French Model Corsets"

\$1.50, \$1.25, \$2 Pair

We are also prepared with the Best Summer Corset at

One Dollar

yet brought out.

New American Brassieres

All women who are particular about their dress will concede these new Brassieres with their extra large arm shield, non-rust hook and eye fastening, are the correct thing for the present mode.

50c to \$1.50 a Pair
