COOKE'S BASEBALL TEAM DEFEATED ST. GEORGE'S.

In the first baseball game in the Sunday School League—Game Played in Public School League.

The Sunday School Amateur Association's junior baseball series was officially opened at the cricket field on Friday evening, when Cooke's and St. George's met in the first game. After a hard battle the boys from D. A. Shaw's school pulled out winners by 6 to 5. For a time it looked as though the Presbyterians would win out by a larger margin, but St. George's pulled together during the last inning and put four men over the home plate. During the first inning Stewart Toland made one of the most sensational hits of the game when he hammered the ball for a home run with one man on base. The ball went down in the city park.

Both teams played exceptionally good ball considering it was the first game in which many of the players had taken part this season.

The games in this series promise to be more interesting than on former occasions. The young men, who are members of the S.S.A.A. executive, are giving considerable time to make the baseball series a credit to the association. A collection is to be taken up at all the games so as to defray the expenses of the league. The teams lined up as follows:

- Cooke's—Toland, c.; Smith, p.; Paul, lb.; Somerville, 2b.; G. Stewart, s.; Shaw, 3b.; Simmons and Douglas, r.f.; Kennedy, c.f.; W. Simmons, l.f.
- St. George's—Rae, c.; Stinson, p.; Hall, lb.; Baker, 2b.; Thompson, s.; Twigg, 3b.; Butler, r.f.; McLaughlin, l.f.
- Umpire—George Holland.

Public School League Game.

The boys of the O.C.L. added another scalp to their collection yesterday afternoon, when they went through Frontenac school for 25 runs to 8. O.C.L.'s record is clear so far, having played three games and won all of them. The game yesterday was not up to the usual form, being too one-sided. O.C.L. is developing a great little team, and will give the mighty Centrals a hot go for the pennant. The usual big crowd of men and boys were at the cricket field to watch the fun. Toland handled the game and gave good service. At the beginning of the season five K.C.L. boys volunteered to umpire through the entire schedule and up to date have been right on the job for every game, thus taking a great load off the management of the league.

A working little game is in prospect for Monday when Central and Louise meet.

O.C.L.—Ada, c.; Brouse, p.; Towell, lb.; Mills, 2b.; Nickle, s.; Orr, 3b.; Wilkinson, r.f.; Scruton, c.f.; Hood, l.f.

Frontenac—Sherman, c.; Esford, p.; Gilchrist, lb.; Revel, 2b.; Johnson, s.; Kees, c.f.; MacDonald, l.f.; Sugden, r.f.; Tavia, 3b.

Score by innings:
O.C.L. 4 2 6 0 11 3 0—25
Frontenac 1 0 3 1 0 0 0—5

Renaud, of the Race Horse association, of Ontario, has been obtained to officiate and act as starter in the horse races to be held here on June 3rd. Mr. Renaud has been here twice and according to the opinions of the horsemen of the city he is one of the squarest and most impartial of professional judges they have ever had under.

Second Game on Tuesday.

The second game in the S.S.A.A. junior series will be played at the cricket field, on Tuesday evening, at 6.20 o'clock, when St. Paul's and St. George's will meet for the first time. St. Paul's, who entered the series for the first time this season, are looked upon as having a first-class team. The Sydenham boys will have a number of new players. A collection will be taken at all the games to defray expenses.

City League Games To-day.

Fine weather greets the third games of the city baseball series slated for the cricket field this afternoon. Nationals and Park Nine will play in the junior series commencing at 1.30 o'clock. Athletics and Ponies meet in the senior exhibition commencing at three o'clock.

DEATH OF HORSE.

Believed to Have Been Work of Foul Play.

A few days ago a man named Payne lost a valuable horse, which died in a most mysterious manner. Mr. Payne stables his horses in a barn on Division street. After the animal died the owner, desiring to know the exact cause of death, had a local veterinary surgeon perform a post-mortem examination upon the animal. As a result it was clearly ascertained what caused the death, when a nail was found sticking in the horse's kidney. How the nail got there is more than Mr. Payne can make out, but he believes it is a case of foul play. He says that one morning last week, on going to the stable to attend to his horses, he found the door of the barn open, but, at the time, did not think anything of it. A few days later, one of the horses showed signs of illness.
