### CELEBRATION EVENTS

#### HORSE RACES, BASEBALL, ROAD AND CYCLE RACES.

**Fabre, of Montreal, Defeated Duffy, of Hamilton—Parade of the 14th Regiment in the Morning.**

The horse races, at the fair grounds on Wednesday afternoon, were intensely interesting and, considering the rain, the track conditions, were even better than was expected. The committee in charge were exceedingly fortunate in securing the services of W.B. Renaud, late of Ottawa, but now of New York city, to act as starter. Mr. Renaud has not, for three years, acted as starter, but as a judge. He, however, obliged the officials in charge by acting as starter yesterday in the absence of another. There were no entries for the 2.15 class. A lad of about sixteen years of age, the son of Thomas Stewart, of Deseronto, drove "Jimmie Pointer" and "Jap" in the various heats and made a great hit with the crowd.

The winners in the 2.30 class were: Judge Murphy (time 2.29), owned by George Darragh, city; second, Merry Chimes, owned by C. Cole, of Cape Vincent, third, Jap, owned by T. Stewart, of Deseronto; fourth, Paddy McCue, owned by J. Spafford, of Seeley's Bay.

The winners in the 2.50 class were: Jimmie Pointer (2.39), owned by T. Stewart, of Deseronto; second, Nellie Dillon, owned by A. Loyd, of Bath; third, Willie Dillon, owned by Mr. Dillon, of Seeley's Bay; fourth, Angus Mack, owned by J. E. Vaisaw, of Picton.

#### Motor Cycle Races.

The motor cycle races held at the fair grounds proved to be one of the big drawing cards of the celebration. Some citizens could hardly believe that a motor cycle could go at such a rapid rate on a track like that of the fair grounds.

Two races were pulled off. One was five miles, or ten times around the ring, and the other ten miles, or twenty times around.

C. H. Croft, of Toronto, won both races. His time for the five miles was 6 mins. 51 secs. He covered the ten miles in 14 mins. 3 secs.

J. A. Lemore and J. Barn were second and third respectively in each race. The Excelsior motor cycle was used by the three men.

#### Fabre Won Road Race.

Fabre, of Montreal, won the five-mile road race in 25 minutes, 29 seconds, while Duffy, of Hamilton, was second, and Vickers, of Kingston, third. The time made was really very good considering the condition of the track. The runners reported the track to be very heavy in some places.

During the first round, Duffy led, but he was soon overtaken by Fabre, who led the way for the next eight rounds.

On the last time around Duffy passed Fabre, but it was only for a few minutes, as Fabre started to sprint and came in some distance ahead of Duffy.

Vickers, who finished third, is deserving of great credit for the showing he made. Although the other two runners lapped him on one round, he stuck to his guns and finished. Fallon, the fourth man who started was forced to give up.

#### Athletics 12, Victorias 10.

The baseball part of the celebration was to a certain extent carried out successfully. The match in the afternoon between Victorias vs. Athletics was won by the latter aggregation, the score being 12 to 10.

Up until the end of the fifth inning, the score stood all in Victorias favor, that aggregation then having five runs of a lead. In the sixth inning, however, the Athletics evened matters up. The eighth decided the game when the Athletics scored three runs to Victorias one.

McCammon pitched a good game for Victorias, and Little for the Athletics until the seventh, did fairly well, but in order to win out "Teddy" Saunders replaced him at this stage.

Athletics—Little p. Cotman c, Spence 1b, Stokes 2b, Saunders 3b, Toland ss, Coyne lf, Davidson cf, Wilson rf.

Victorias—McCammon p, Stansbury c, Walsh 1b, Somerville 2b, "Spiker" Dick 3b, S. Dick ss, Laird lf, Nicholson cf, Shultz rf.

Score by innings:

#### Military Parade.

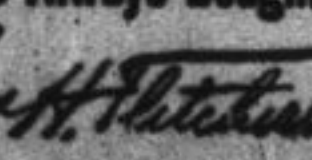

Owing to the rain on Wednesday morning, the military parade which was to form up at the cricket field, had to be called off. The 14th regiment held a street parade. The march was by way of Montreal, Brock, Clarence, King, Brock, Montreal, Queen and Bagot streets to the artillery park where the "fue-de-joie" was fired. When the regiment left the armouries the rain was coming down, but the parade was held nevertheless.

#### Rain Held Off Well.

The celebration committee members were a happy lot when rain, which started falling at 7.30 a.m., ceased at ten o'clock and the sun began a gallant struggle to peep forth. No more rain fell until six o'clock, the afternoon being quite fine, although somewhat cloudy. It is estimated that there were 7,000 people at the fair grounds for the afternoon events, all of which were brilliant. As a result, the committee may come out even. This celebration cost more than any other ever held in Kingston.

### DIED IN WALLA WALLA, WASH.

The Late Alexander Bennett, a Native of Kingston.

Mrs. A. Bennett, of 156 York street city, received the sad news from Walla, Walla, Wash., saying her nephew, Alexander, was dead, of pneumonia. Mr. Bennett was fifty years of age, and for the last fifteen years had been employed at one place. Before that he had been in the army. Mr. Bennett was born in Kingston and went to Walla Walla Wash., in 1888 with the 14th cavalry but had seen seven years of active service before that.

Besides his mother he leaves a brother, Thomas, both of Walla, Walla, and a sister, Mrs. F. Jerboe, of Spokane, but who is in Walla, Walla now. The service was attended by a large number of friends of the family and the floral offerings were numerous. Musical numbers by St. Paul's choir were favorites of the deceased: "Nearer My God to Thee," and "Somewhere the Sun is Shining."

Mr. Bennett was a member of the Loyal Order of Moose, the Eagles, the B.I.L.A. and the Improved Order of Red Men. Interment was made in Walla Walla and a large number of friends went with the remains to their last resting place.

#### MOTORCYCLE HAD COLLISION

With a Horse on Prison Road Wednesday Morning

William Woods, clerk in Hoag's drug store, and Walter Pulow, Clergy street, had a thrilling experience on Wednesday morning. While riding on motorcycles on the prison road they collided with a horse which was crossing the roadway. At about seven o'clock the two young men were out for a pleasure trip. Woods was driving the machine while Pulow was sitting in the side carriage. They were going down the prison road at a fairly good rate when the horse suddenly crossed in front of the machine and as a result there was a collision. The horse was thrown off its feet while Woods and Pulow were both thrown on the road. Outside of a few scratches, the two young men were none the worse of the accident. The machine was not damaged to any extent. The horse which was struck was owned by some gypsies who were camping over night.

#### CHILD FELL IN TUB OF WATER.

At Victoria Street Home, But Was Fortunately Revived.

On Wednesday afternoon, while playing, the three-year-old daughter of Mr. and Mrs. Edward Reynolds, 256 Victoria street, fell into a tub of water and would have been drowned had it not been for the prompt action of one of the women in the home. The child had not been in the water for very long.

It happened that S. S. Corbett and his coachman were going to hours at about five o'clock, when they noticed the woman taking the child out of the water. Both of them assisted in bringing the child around although it took about twenty minutes to do so. Dr. H. H. Duff was called.

#### FIVE GOLD RINGS MISSING

Valued at \$500 and Taken From a Local Hotel.

Mrs. Sheriff, wife of H. W. Sheriff, of the British-American hotel, is mourning the loss of five gold rings valued at \$500. One of the rings had seven diamonds and was worth \$200. On Wednesday morning Mrs. Sheriff was in the bath room. She took off the rings and left them in the room by mistake for a couple of hours. When she went to get them they were missing.

The police have been notified and are making every effort to get trace of the missing rings.

#### Why a Convention?

The Kingston Conservative Association has called a gathering of the faithful for Friday evening to nominate a candidate to oppose Ald. T. F. Harrison, the liberal standard-bearer. As Dr. A. E. Ross, M.P.P., has already announced himself to many as the tory candidate, and is canvassing the electorate, some of the curious are asking why a convention is being held when the tory executive, the bosses of the party, have already decreed that Dr. Ross, who favors the bar, shall be the candidate.

#### BAND CONCERT GIVEN

To Mark the Close of King's Birthday Celebration.

In spite of the inclement weather citizens turned out en masse at the band concert given in Macdonald park on Wednesday evening to mark the close of the King's Birthday celebration. It takes more than a shower of rain to keep the people of Kingston away from a good band concert. It was a pity the weather men sent along the showers; otherwise the treat would have been enjoyed a great deal more. Early in the evening the weather was quite threatening and at eight o'clock, the time set for the concert, it commenced to sprinkle, and by nine o'clock it was raining quite heavily. The band played several choice selections, the latter programme being of high merit.

The park presented a very pretty scene. Various colored electric lights were strung all over the place, the electric display being on an elaborate scale. The illumination of the park brought forth many warm comments and an abundance of praise for the committee having the arrangements in charge.

#### INJURED AT FAIR GROUNDS

A Perth-Road Farmer Fell on the Race Track.

There was only one slight accident at the fair grounds on Wednesday, and this was due to no fault on the part of the committee. Just as the last horse of the final race was rounding the bend near the stable, William Peters, a farmer on the Perth road, started to cross the track towards the machinery hut. Suddenly he fell to the ground with a ball out, bleeding profusely, just below his left ear. He was unconscious for quite a little time. Both Dr. Ross and Dr. Hanley happened to be near the man as he fell, and he was soon revived. His daughter-in-law fainted when she heard of the accident, but was soon revived.

#### Long Faces, Eh!

The Peterboro Examiner says: Kingston barbers have advanced the price of shaves, doubtless due to the increasing number of professors and thoughtful students in that place.

## To Put On Flesh And Increase Weight

A Physician's Advice.

Most thin people eat from four to six pounds of good solid fat-making food every day and still do not increase in weight one ounce, while on the other hand many of the plump, chunky folks eat very lightly and keep gaining all the time. It's all both to say that this is the nature of the individual. It isn't Nature's way at all.

Thin folks stay thin because their powers of assimilation are defective. They just absorb enough of the food they eat to maintain life and a semblance of health and strength. Stunting won't help them. A dozen meals a day won't make them gain a single "stay there" pound. All the fat-producing elements of their food just stay in the intestines until they pass from the body as waste. What such people need is something that will prepare these fatty food elements so that their blood can absorb them and deposit them all about the body—something, too, that will multiply their red blood-corpuscles and increase their blood's carrying power.

For such a condition I always recommend eating a Sargol tablet with every meal. Sargol is not, as some believe, a patented drug, but is a scientific combination of six of the most effective and powerful flesh-building elements known to chemistry. It is absolutely harmless, yet wonderfully effective and a single tablet eaten with each meal often has the effect of increasing the weight of a thin man or woman from three to five pounds a week. Sargol is sold by good druggists everywhere on a positive guarantee of weight increase or money back.
