SCHOOL CADET CORPS

INSPECTED AT THE CRICKET FIELD FRIDAY AFTERNOON

By Col. T. D. R. Hemming and Major G. H. Gillespie—The Boys Did Well—Addresses Delivered Complimenting the Various Corps

Evidence that the work of the cadet corps in the public and separate schools, and collegiate institute is shown in the fact that 237 were on parade for inspection at the cricket field on Friday afternoon by Col. T. D. R. Hemming and Major George H. Gillespie. The different cadet corps paraded from their school grounds to the cricket field where the inspection took place about 3.45 o'clock. The corps faced Park avenue.

After the inspection, Col. Hemming made a short speech in which he complimented the work which had been done under the conditions which some of the corps had to contend with. In some cases the inspecting officer stated that the uniforms had only been issued this week.

Col. Hemming stated that every boy who was a member of the cadet corps of the school which he attended had had to be proud of the fact. It was the intention of those in charge of the work to see that every boy is trained to a man and a good citizen. In closing his remarks the colonel said that he hoped the majority of the boys were inspected would attend the camp at Barrfield commencing on July 6th.

Mayor Shaw also complimented the cadets for their splendid showing. He took occasion to remark that while in Kingston last Tuesday, the Duke of Connaught stated that he was proud of the work of cadets whom he had the pleasure to inspect while in Canada.

During the march past the band of the Royal Canadian Horse Artillery furnished music which was greatly appreciated by the spectators.

The cadet corps from St. Mary's separate school carried off the honor of having the largest number out for the inspection, its number being 65. Macdonald school was second, with 61; Louise third, with 60; Collegiate fourth, with 53.

In some cases the attendance from some of the schools was not large on account of the non-arrival of parts of the uniforms. In some cases boys wore their street caps.

Although there are two companies of cadets at Kingston collegiate institute, there was only the one company on parade. Lieuts. Bliss, Barnum and William Nickle acted as section commanders.

Capt. W. Y. Mills of the 14th regiment, acted as brigade major.

Major George Gillespie, the organizer of the cadet corps of the division, is deserving of great credit for the showing which the boys made on Friday afternoon.

During the inspection, the inspecting officers were accompanied by Mayor Shaw, Col. G. H. Ogilvie, Major W. H. Macene, chairman of the public school board, and Rev. Father Hanley, chairman of the separate school board.

The following is the list of officers who were in charge of the different corps:

Peterboro, June 6.—When Edward Hilland arrived at his home he discovered his wife in the cellar in an unconscious condition and showing from burns which she had received when in placing a coin in the gas meter that her hand had come in contact with the electric wire. Skin Trouble on the Scalp

Skin Dried and Cracked and Hair Fell Out—Cured by Dr. Chase's Ointment.

Eczema is annoying and distressing at any time, but doubly so when it gets into the scalp and causes the hair to fall out. Here is a grateful letter from a lady who was cured by using Dr. Chase's Ointment.

Mrs. Hector Currie, Tebermory, Ont., writes:—"I was cured of a disagreeable skin disease of the scalp by using Dr. Chase's Ointment. The trouble started with itching and pain in the scalp, the skin would get dry and crack, and at times would bleed, and the hair would fall out. I tried three doctors without benefit, and suffered for three years. Reading in the almanac about Dr. Chase's Ointment, I began its use, and am now completely cured. The hair has grown again, and I am as well as I ever was. You are at liberty to use this letter, for I am glad to recommend so excellent a treatment."

Dr. Chase's Ointment has no rival as a cure for itching skin disease.
