## REDUCTION OF MEMBERS

WILL BE DISCUSSED BY BOARD OF EDUCATION LATER.

Cleared Slate of Grist Routine Business and Adjourned Until September—Trustee Waugh Resigned at Meeting Held on Thursday Night.

The motion of Trustee J. G. Elliott, that application be made to the City Council to reduce the number of trustees to ten, as per clause 4, of the act respecting Boards of Education, assented to April 13th, 1909, will be debated by the board after the summer holidays.

Owing to the small attendance at the meeting on Thursday night Trustee Elliott stated that he would not press his motion, and as the board adjourned until September the trustees would have time to take up the matter and be in a position to debate the question.

The new act calls for the election of nine trustees from all over the city, with one representative to be elected by the separate school board.

For the information of the board, Trustee Elliott had the secretary read letters from different boards working under the new act. Replies were received from Peterboro, Berlin, Sarnia and Windsor and in each case the new plan was reported to be working satisfactorily.

The board cleared the slate of a good deal of routine business at the meeting. The chairman, W. H. Macnee, was in the chair and the other members present were Trustees F. R. Anglin, J. H. Bissett, Dr. G. W. Bell, P. B. Chown, W. J. Chapman, James Craig, J. G. Elliott, Robert Meek, H. P. Metcalfe, F. Monk, A. W. McLean, W. J. Renton and W. A. Sawyer.

Trustee Waugh Resigned.

Dr. Freeman Waugh wrote the board resigning his position as trustee.

On motion of Trustees Birkett and Chown the resignation was accepted.

Miss Macdonell, secretary Kingston Daughters of the Empire, wrote the board, enclosing a cheque for \$125 advanced by the Kingston chapter, to be used by the board for the purchase of uniforms for the school cadets, to be refunded when the government grant is received by the board. A letter was also received from Major George Gillespie, enclosing a cheque for \$90.90, the receipts from the recent ball held by the Daughters of the Empire for the same purpose.

Trustee Renton moved that the cheque for \$125 be accepted.

Trustee Elliott stated that evidently the board had misunderstood the offer in regard to the giving of the money as it was understood that it was to come as a gift. He felt that the money should be returned, and that the board meet the expense. He accordingly moved an amendment that the money be returned with thanks and that the board finance the expense incurred.

Trustee Anglin agreed with Trustee Elliott. He said he was under the impression that the money was to be received as a gift.

Trustee Meek moved that the matter be referred to the finance committee for settlement and as Trustees Renton and Elliott agreed to this, the matter was left with the finance committee.

It was reported by the secretary that Thomas Lambert, awarded the contract for the supply of uniforms, had rendered an account for \$88.45.

The board will take up the following resolution forwarded by the Children's Aid Society:

"That we request the Board of Education to consider the expediency of lighting the vestibules of the public schools and the Collegiate Institute in the interests of good morals."

A communication was received from the deputy minister of education, stating that the minister of education had approved of the appointment of Principal Inman, of the model school. The management committee was given power to act in the matter.

Mayor Shaw wrote the board, tendering thanks for the part the members of the board had taken in the recent reception to Their Royal Highnesses the Duke and Duchess of Connaught and Princess Patricia.

Management Committee.

The following recommendations of the Management committee were adopted:

That a set of relief maps be procured for the collegiate institute from the Atlas School Supply company, of Chicago at a cost of \$115.

Your committee awarded the contract for 300 uniforms for the school cadets to Thomas Lambert, at a cost of \$3.50 per uniform, less 35c if put-tees were not ordered. Mr. Lambert has agreed to accept payment as the different government grants are received.

That the resignations of Ida Hughson and Eleda Singleton, members of the public school teaching staff, be accepted.

That in accordance with the recommendation of the public school inspector another class be opened in September next, and that the property committee be instructed to provide the necessary accommodation. The increase in attendance over this time last year is \$7.

The inspector submitted a report to your committee on the teaching staff of the public schools. Your committee recommends that all the grade teachers be re-appointed for another year.

That vacancies on the public school teaching staff caused by the above resignations and the non-acceptance of re-appointment by Elizabeth Walsh, be filled by the appointment of Jennie Pattison, of Penetanguishene; Georgina Elder, of Kingston, and a third vacancy to be filled in the recommendation of the inspector, and that Isabel Baxter, of Kingston, be engaged as teacher of the new class to be opened; all four appointments to be under the rules and regulations of the board.

That Mary Robinson, of Kingston, be appointed temporary teacher during the model school term, at the rate of the initial salary in the new schedule.

Of the communication of the deputy minister of education re the complaints made to the board by the Rev. F. G. Robison, your committee recommends that the secretary forward to the department copies of all reports regarding the matter which have been adopted by the board.

## Report of Officials.

The report of the inspector, J. Russel Stuart for May showed the total enrollment at the end of the month was 2,444 or ninety more for May 1913. The total daily average attendance was 2,217, an increase of 30. The total number enrolled in the kindergarten was 236.

E. O. Sliter, principal of the Collegiate Institute, submitted his report for the month of May, which showed 395 pupils on the roll, an increase of two more than May, 1913, an average attendance of 367, the same as that of May, 1913. A fact worthy of special mention in Mr. Sliter's report was that during the month none of the teachers were reported late or absent.

Miss Jean McCallum, school nurse, reported as follows, for the month of May: Inspections made, 636; instructions given, 30; consultations with parents, 39; home visits made, 33. Miss McCallum stated that the health of the pupils for the month was exceptionally good.

On motion of Trustees Meek and Craig it was decided to ask the Dental Society to return their agreement made re school inspection and that it be left with the secretary and inspector for a revision.

On motion of Trustee Meek the instructors of the cadet corps will be asked to confer with the management committee and that the question of remuneration for the instructors be considered.

Letters were received from Elizabeth Walsh, Neita Singleton and Ida Hughson resigning their positions on the teaching staff.

Inspector Stuart reported that the sum of \$325 had been collected in examination fees.

On motion of Trustee Elliott the board decided to adjourn until the regular meeting in September, the chairman to call a special meeting if necessary, and that the officials of the board be granted their usual holidays.

## BOARD OF EDUCATION

WILL DONATE TROPHY FOR SCHOOL BASEBALL LEAGUE.

Granted the Sum of \$25 for the Purpose and Instructed Management Committee to Act in Matter—Question of Recreation for Pupils Will be Further Taken up.

That the members of the Board of Education are in sympathy with school sports was shown at the regular meeting of the board held on Thursday night, when on motion of Trustees J. G. Elliott and W. A. Sawyer, it was decided to donate the sum of \$25 for the purchase of a suitable trophy for competition among the various schools in the public school baseball league. The management committee was given power to act in the matter.

The board received a communication from A. J. Pettigrew, vice-president of the Y.M.C.A. cabinet, stating that the public school baseball league had no trophy to offer in the baseball competition, and asking that the board donate one.

Trustee Meek lost no time in favoring this scheme as soon as the letter was read. He said the board was not doing enough along the lines of recreation for the pupils. He felt that the board would, at a later date, have to deal with the subject in a practical way. He pointed out that recreation for the pupils in the public schools was rather limited.

Trustee Elliott then moved the resolution to donate the sum of \$25 for the purpose, and it was carried by a unanimous vote, the members feeling that the board should do something to promote good sport and recreation among the scholars of the schools.

## TEA AND SALE HELD

At the Residence of Mrs. C. C. Nash, Albert Street.

At the home of Mrs. C. C. Nash, 366 Albert street, on Thursday afternoon, from three until six o'clock, a successful tea and sale was held by the Ladies' Aid of Brock Street Methodist church, for the purpose of raising funds. The visitors were received by Mrs. Nash, assisted by her sister, Miss C. Purvis. After being treated to a cup of tea and other light refreshments, served by Mrs. W. Stevenson, Mrs. H. Day and Mrs. J. Webster, from a table tastily gotten up on the beautiful spacious verandah, the visitors were shown inside, where a successful sale was carried on from a homelike table in charge of Miss De Witte. From this sale-table and the others which all went to make up a grand whole, a goodly sum was realized.

Mrs. Nash was heartily thanked for her kindness in allowing the ladies of the church to have the use of her residence for this good cause.
