Second Quarter. Lesson XIII. June 28, 1914.

REVIEW: THE SEEKING SAVIOR

(I) In his effort to make converts to his truth, Jesus was far from sparing the avenues of approach which their social natures furnished. He was even willing to take the criticism which his course incurred. But no single instance did Jesus compromise Himself or His message. He banqueted with the Pharisees, but he never forgot, or to have done so, would have been a profane and sweet humanness in Jesus' appearance after His resurrection, else He would not have been taken as a traveler for business by the disciples who were to be re clothed after death.

The Young People's Devotional Service

CIVIC REFORMS THAT YOUNG PEOPLE CAN PROMOTE
Worship, however, is associated with civic righteousness and social service is an offense to God.

REPORTS FROM YARKER.

Rain Came in Time to Help Along the Crops.
Yarker, June 24.—Owing to the large amount of hubs being cut here for the wheel works a new shed had to be erected near the site of the old wheel factory.

Rev. Mr. Cooke, returned missionary from India, who has been for twenty years in that country, gave an interesting talk on the work of the missionary in India.

The late Wellington Babcock, who committed suicide at Odessa, carried on a blacksmith shop here for some time. He was known as a very quiet man, but of late years had become addicted to the morphine habit, which likely accounted for his strange behaviour in the taking of his own life.

Kathleen Kavanaugh, of Brownville, N.Y., is at William Dunn's, Mr. and Mrs. Browning, of New York city, at J. V. Burns', Bessie Walsh, of Toronto, is at J. Watts'. Mrs. Burpee is at J. C. Connolly's.

At the nomination of candidates for the legislature, held at Tanworth, Monday, J. B. Anderson and W. D. Black were nominated to contest the riding of Addington. Mr. Black is the government nominee and Mr. Anderson is the independent conservative, who is in sympathy with the closing of the bar-rooms of Ontario.

TORY TORONTO AT BAY.

There will be a fight in each of the Toronto ridings and the atmosphere which prevailed at practically all of the nomination gatherings made it manifest that it would be no sham fight. Crowds of electors gathered at the various centres and vigorously cheered the candidates of their choice. So far as the sentiments of the voters were displayed at these proceedings, it would look as though "Tory Toronto" for the first time in its history, is seriously to be challenged by the forces of temperate reform.

HINDUS APPEAL TO COURTS.

Habeas Corpus Proceedings Over Vancouver Contingent.
Vancouver, B. C., June 24.—The battleship of the Hindus was transferred to the courts yesterday when motion was made for a mandamus to compel the immigration authorities to bring down the ruling in the case of Wazir Singh. As Inspector Reid has not yet been served with papers in connection with the case, and as sufficient time had not been given counsel to prepare affidavits, it was agreed that the motion should stand over until tomorrow for argument. In the meantime, efforts will be made to serve notice on Inspector Reid and to prepare the affidavits.

Had No Power Over the Limbs

Locomotor Ataxia, Heart Trouble and Nervous Spells Yielded to Dr. Chase's Nerve Food.
It would be easy to tell you how Dr. Chase's Nerve Food cures locomotor ataxia and derangement of heart and nerves, but it may be more satisfactory to you to read this letter. Mrs. Thos. Allan, R.F.D. 3, Simsbury, Ont., writes: "Five years ago I suffered a complete breakdown, and frequently had palpitation of the heart. Since that illness I have had dizzy spells, had no power over my limbs (locomotor ataxia) and could not walk straight. At night I would have severe nervous spells, with heart palpitation, and would shake as though I had the ague. I felt improvement after using the first box of Dr. Chase's Nerve Food, and after continuing the treatment, one day I was able to walk, eat and sleep well, have no nervous spells and do not require heart medicine. I have told several of my neighbors of the splendid results obtained from the use of Dr. Chase's Nerve Food." Dr. Chase's Nerve Food, 50c a box, for \$2.50, all dealers, or Edman, son, Bates & Co., Limited, Toronto.

The Motorcycle Tire that WON
Three of every four new motorcycles sold this year in Canada and the United States will be Goodyear-equipped.
Consider the significance of that fact. It means that in four short years Goodyear motorcycle tires have won their way to the front by sheer force of superior quality.
And the leadership is not lightly won and held. Before such overwhelming preference must come utmost efficiency.
What Men Want
In motorcycle tires, men seek action and service—
Remember that Goodyears hold every world's record for speed and durability. They want tires that represent leadership—
Remember that the same value
price than other standard makes, why not buy Goodyears first? They are made with a double-thick anti-skid tread. Made to hold the leadership they have won.
