PRONTENAC BREWERIE

MONTREAL

Alexandria Bay, N. Y. July 2-Fifty-one miles an hour! Even today this speed is considered going some, whether it is made by motorcycle, automobile, railroad rain or aeroplane, but by boat it is considered remarkable.

That is the speed that A. Graham Miles has attained at Alexandria Bay during the past few days with his D. Q. V., which is to contest for the Thousand Island Yacht club in the gold challenge cup races to be ought out on Lake George in Aug-

This speed was made in spite of the act that the little boat has not yet been tuned up to a pitch that is satisfactory to the owner. With 250 horse power, the P. D. Q. V., has plenty of power, but the engine is not yet working its full capacity.
