We have just opened a kiln of stock brick and we want the contractors and builders to come out and see them. It won't cost anything to look at them and you don't have to buy them if they don't suit you, but we invite inspection and challenge comparison. They can also be seen at J. O. Hutton's and McKelvey's hardware stores. See our new hollow brick for inside work. They certainly are dandies. We will also have a tile ready for the market in about two weeks. Give us a call. The greatest damage has occurred along the Bay of Quinte shore, from Adolphustown to Bath, where the worms have been marching and cleaning out everything. The grasshoppers are very thick this season, doing as much damage as the army worm in some localities of Fredericksburg and Richmond.
