Ontario High School History of Canada

By Professor W. L. Grant, of Queen's University

Quotation from THE PREFACE—
"The writer of a History of Canada which is to be used by teachers and pupils differing widely in religion, in racial origin, and in party affiliations, must avoid alike the obtrusion of his own prejudices and predilections, and the presentation of a story colourless and insipid. How far I have been successful I must leave to my readers to say."

This New History of Canada contains 420 pages, fully illustrated, bound in cloth. PRICE ONLY 19 CENTS.

A Copy should be in every home.

COUNTY JAIL HELPED IN SPORTING CIRCLES

CASH REVENUE DERIVED FROM JAIL LABOR LAST YEAR.

Some Interesting Statistics Taken From Annual Report of Inspector of Prisons for Ontario.

Some very interesting statistics are given in the forty-sixth annual report of the Inspector of Prisons and Public Charities in Ontario which has just been issued.

The report states that the cash revenues from jail labor during 1913 was \$1,530.50 and this was earned at Kingston in the making, and the balance at Perth.

There are forty six jails in Ontario, with five provincial lock-ups. The total expenditure for jail maintenance in Ontario for 1913 was \$203,926.76; this is a decrease of \$861.94. The average cost per day for each prisoner was 24 3/4 cents and for the year previous it was 24 1/2 cents. There were 19,250 prisoners committed during the year; an increase of 2,265 over the previous year.

During the year there were thirty-one commitments for murder and the year before there were twenty-four; in 1913 there were 12 commitments for manslaughter and in 1912 there were seventeen. There were 491 persons committed for insanity, a decrease of 21 over the year previous.

The prisoners sentenced to the penitentiary during the past year show an increase of 112 as compared with the previous year and the number transferred to the Central prison was 147 more than in 1912.

The habits of those committed to jails is given as follows in 1912. There were 16,985 commitments; temperate 3,747; percentage 22.06. In 1913 there were 19,250 commitments; temperate, 3,770; percentage, 19.59.

Ten and one-third per cent. of the prisoners committed to the jails during the past year could not read or write.

During the year eighteen persons made their escape and of this number five were recaptured. There were eighteen deaths in the jail during the year.

ALWAYS A RAINY TIME

When the Yarker People Have Their Annual Picnic.

One of the largest picnics ever held by the Yarker Methodist Sunday school in co-operation with the Sunday schools of Tamworth, Camden East, Enterprise, Sydenham and Harrowsmith was held on Thursday afternoon at Lake Ontario Park.

The train arrived in the city at 10.30 a.m., and a street car was waiting to take those who wished to Lake Ontario Park. The continuous rain, however, kept a number of those who would otherwise have gone to the park in the city. Those who remained in the city hired automobiles and took in the sights and had their dinner down town. Races had been planned for the children at the park but owing to the inclement weather these were postponed.

There were over two hundred on the excursion. The train left the city at five o'clock. The leaders of these picnics have been having a disagreement with the weather man as this is the third consecutive time that rain has interfered with their plans.

At Lake Ontario Park.

In spite of the damp weather at Lake Ontario Park, on Thursday night, a well-pleased audience was present to enjoy the changed programme. Miss Ward, in her changed songs, brought even more applause than in the first half of the week. The pair of dancers, Evans and Wagoner, have changed their programme, and, if possible, gave a better entertainment than the first part of the week. These boys are hard workers and deserve the applause accorded them. The pictures were completely changed and were of the best class.

Tourists in Town.

Several American tourists were in Kingston on Thursday. Some of these included Mrs. T. P. Webb, Mrs. L. Akin, Mrs. M. J. Hoem and M. J. Hoem, Jr., all of Philadelphia; Mr. and Mrs. A. C. Robbins Albert Robbins and Mrs. Mr. Eckhart, Los Angeles; Mr. and Mrs. F. E. Eckhart, Ruth Eckhart, George Eckhart, Emery Punsey Alvin Ramsey and C. Edwards, of Auburn, Ind.; Mr. and Mrs. O. Kick, of Pasadena.

Hydro Electric Exhibit For Fair. H. J. Bushell, manager of Kingston Only Fair, has received word from Hon. Adam Beck, chairman of the Hydro-Electric Commission, to the effect that he will require a space of forty feet square in the building at the fair grounds for the electric display at the township fair, which is to be held on September 30th and October 1st. The chairman is sending one of his best men to Kingston to look after the display.

Engagement Announced

The engagement is announced at Massena, N.Y., of Miss Sue Letitia Browning, elder daughter of Mr. and Mrs. Barnett J. Browning, Massena, to Thomas deCarle McNish, only son of Mr. and Mrs. George McNish of "The Cedars," Lynn. The wedding will take place early in August. Miss Browning was a graduate nurse of the Brockville General Hospital last year.

A Unique Exhibit.

Campbell Bros., the Princess street hat makers have in their window a display this is very interesting. It shows felt hats in the different stages of manufacture and the materials used in them. It has been viewed by hundreds of people and will be on exhibition a few days longer.

Work Going Ahead.

The erecting shop of the locomotive works is rapidly being completed. The workmen are engaged in bricking in between the steel frames.

PONIES AND VICTORIAS WILL MEET ON SATURDAY.

And Also on Monday Morning—Duffy Ran His First Professional Race in Kingston on June 3rd.

The local baseball fans will see some good ball games played in the city this week-end. On Saturday the Napoleos will meet the Regiopolis in a very important game, as the result will definitely show what the teams' standing is and what their final chances for the honors will be.

The senior game on Saturday and the morning game on Monday is between Ponies and Victorias. These games will both be hard contests, as the result on Saturday means a great deal to the Ponies; another loss will practically put them down and out. The game on Monday will be close, as the winners meet the Havana Red Sox at Lake Ontario Park in the afternoon. This is one of the fastest colored teams in the world and besides furnish endless amusement to the fans.

Duffy's First Pro. Race.

The Montreal papers announce that Duffy, the Canadian winner of the Boston Marathon, will run his first "professional" race in Quebec at the end of this week. This statement is wrong, the Whig claims, as Duffy and others ran their first "professional" race in Kingston on the 3rd of June last. Duffy was expelled from the amateur ranks for receiving money at Kingston. Hence, the professional debut of Mr. Duffy was made at Kingston.

More Baseball Grounds Needed.

It was plainly shown on Wednesday evening that Kingston was badly in need of additional grounds where baseball games can be played. That evening a number of young men had arranged for a friendly game at the cricket field, but when they arrived at the field they found that the junior diamond was occupied by the St. George's School League players. The senior diamond was also in use by some of the senior City League players. As the diamonds at the cricket field are city property, the teams which are on the job first are entitled to the ground.

It is understood that the men who have been in charge of the Mercantile Baseball League in past years have had to drop the idea of having a series on account of being unable to get a place to play the games. It has been suggested that the City Council see that the diamond in the fair grounds is put in condition for teams to practice on.

Junior S. S. A. A. Games.

There promises to be some interesting games in the junior S.S.A.A.A. baseball series due to the defeat of Cooke's on Wednesday evening. Had the Presbyterians won out, they would have been winners of the silverware. Sydenham will meet Cooke's the first next week, while St. Paul's will play St. George's.

Arranged A Game.

The manager of Kingston's Only Fair, has arranged with the president of the S.S.A.A.A. for an exhibition game of baseball to be played at the fair to be held at the end of September. The winner of the senior series and the second best team will be picked.

Rideaus Won Again.

Queen streets and Rideau streets had another baseball match at the Artillery square on Thursday night with the result that the Queen streets went down to a score of 9 to 3. Another game will be played tonight at the Rideau street grounds at 6.30 p.m. The batteries were: Rideaus, G. Clarke and Corrigan; Queen, E. Watts and A. Angrove. G. O'Reilly umpired.

Going to Lake George Races.

Next week will produce some anxious moments for the local motorist enthusiasts while the races are on for the Gold Cup trophy which, this year, are to be held at Lake George. On Wednesday Dr. J. J. Hart's yacht P. D. Q. IV. was shipped to this lake to take part in the races and the P. D. Q. V. owned by A. G. Miles, who summers at Alexandria Bay was also shipped the same day. In all there are to be about ten boats in this series of races which extends over Wednesday, Thursday and Friday of next week.

The feeling in the city is that Dr. Hart with his new speeder will stand a fair chance of winning. He is to have with him some of the best mechanics that can be secured and if he does not take first place it will not be his fault. Last year Dr. Hart, although he did not win, ran about the best of the whole number of contestants. When passing in front of the wharf at Alexandria Bay his engine appeared to be the easiest running while some of the others were missing fire and other ailments customary to engines not running quite true. If Dr. Hart is instrumental in winning the cup next year, no doubt, the races will be held in the local harbor. James Conway has already left the city for the scene of the races and Dr. Hart leaves on Saturday for the same place.

WILL ASK FOR TENDERS.

For Laying of Cement Walks in Portsmouth.

Charles Andre, who recently received the contract for the new sidewalk in Portsmouth has asked to be relieved of the same, having found that he contracted for the job at 160 per cent a figure, and the council has decided to relieve him of it. Mr. Andre has completed one hundred feet of the walk, and new tenders will be called for at once for the balance of the work, which amounts to about five hundred feet.

A special meeting of the council will be called in the course of a few days to deal with the tenders. Closing Weese & company's sale of pianos, etc., followed by sweeping auction at night.

Sale of Men's Low Shoes

All Men's \$5.00 Low Shoes \$3.49

WOMAN CHASED YOUNG WOMAN

When She Caught Her Talking to Hubby on Street.

A woman chased a young lady she caught talking with her husband, near the corner of King and Union streets, at 10.15 o'clock on Thursday night, and created a good deal of excitement.

The matter was reported to the Whig by a citizen who happened to be passing this corner at the time. He says that the actions of the woman in the case gave the impression that the man was her husband. He says that as he reached the corner he noticed two women walking along the street together. Just at this time a young lady walked along the street alone, and was met by a man. The two had no sooner greeted each other than one of the other women already referred to dashed across the street, calling out to the girl, saying that she knew her and knew where she lived, and making uncompromising remarks about her.

The girl took to her heels and ran into a nearby house for protection, and the man ran down Union street towards Ontario at a speed which would have done credit to even "Tom" Longboat in his best days. The young woman stayed in the house for some time and the women then went on their way. They did not follow the man.

It is stated that there were wigs on the green when hubby and wife met at their home a short time afterwards.

Straw Hat Bargains.
Men's \$2 snap brim straw hats; now only, \$1, at Campbell Bros.

FREE! FREE!

How would you like to have a Massey Silver Ribbon Bicycle, with a coaster brake and mud guards FREE?
We gave one absolutely free to Mr. J. Allmark, of Portsmouth, last year as he guessed nearest to the number of bicycle parts in a jar we placed in our window.
This year we give away absolutely free a \$45.00 Massey, the same as last year, with the exception that every boy or girl has the same chance as the man or woman. Last year every dollar's worth of goods purchased entitled the purchaser to a guess. This year every purchase, whether it is a cent's worth of fish hooks or a \$500.00 motorcycle is good for one guess.
Look in our window for the jar of bicycle parts.
