DOG SHOW ON MONDAY

FINE LOT OF CANINES WERE ON EXHIBITION.

There Were Over Two Hundred Entries, and Judges Had Busy Time — A List of the Prize Winners in the Various Classes.

Dogs big and small and of every class were at the cricket field on Monday morning, for the dog show which was the first of the kind ever held in Kingston, and which was voted by all who were connected with it as a great success. There were in all two hundred and ten dogs judged, and this made some work for the judges. The work of judging was started at 9 a.m. and it was 1 p.m. before the last dog had been shown. And it was indeed a fine collection of canines which was brought forward. In fact many citizens were heard to remark that they did not know that Kingston had such a collection of good dogs. The dogs were brought to the show by their owners on a leash and as each class was called they were taken into the ring and judged.

During the show Mayor Shaw and W. F. Nickle, M.P., delivered addresses in which each congratulated the committee on the great success of the show, and expressing the hope that it was but the first of many such shows which would be held in the city. Following is a list of the prize winners:

BASEBALL ON MONDAY

HAVANA RED SOX DEFEATED PONIES 17 TO 8.

The Colored Students Amused Big Crowd at Lake Ontario Park—Ponies Won Morning Game With Victorias.

The Havana Red Sox have come and "went" leaving an awful looking score against the Ponies but not one score-head. They left Watertown, their headquarters, at 11 o'clock on Monday morning, motoring to Cape Vincent. They came in a motor boat to the city, arriving at 4 o'clock. At Lake Ontario Park before a large crowd they appeared in their red and white uniforms. They opened proceedings by singing "Lead, Kindly Light." "Old Pop" Watkins and George Sullivan had a long talk together; the former played here twenty-two years ago with the Cuban Giants.

The visiting colored students showed their class in the first innings, when Dandridge, who holds down third sack, scored for them. In the third innings the fireworks started. The ground rule—second base when the ball goes into the crowd—was worked overtime. Three of these kind were put over in quick succession. Five runs were secured in this innings. This kind of play was common. Some of their double plays are smooth. The first baseman was the star. He caught them off his ear, off his toes or any other old place. The visitors were singing and talking all the time and kept the crowd in good humor. The game, although characterized by heavy hitting off Derry, at times was interesting. The lineup:

Havana Red Sox—Dandridge 3b, Thomas s.s., Allen 1b, Discen c., Thompson c.f., Garry i.f., Hill 2b, McDonald r.f. (a spare pitcher, but was not used in the box), "Smookey Joe" McClamney p. and the famous old ball-tosser, "Pop" Watkins, as coach. Ponies—J. Stewart i.f., Kelly s.s., Allen 3b, W. Evans 1b, Kennedy r.f., C. Stewart c.f., Toland 2b, J. Evans c. Derry p.

Score by innings: R. H. E.
Red Sox . . . 105900002—17 22 4
Ponies . . . 100000340—8 10 3
