ST. LUKE'S DEFEATED BETHEL BY FOUR RUNS TO ONE.

James H. Macnee Won Bang-and-Go-Back Motor Boat Race—Baseball Notes and Scores.

In one of the fastest and most interesting games played in the senior S.S.A.A. baseball series, St. Luke's won from Bethel on Friday evening by a score of 4 to 1. The game which lasted for five innings was pulled off in thirty-one minutes which is record time.

The pitchers for both teams played an excellent game, striking out a number of the best batters. The sensation of the match was pulled off in the fourth innings, when Timms, who plays centre field for St. Luke's, hit the ball for a home run, with one man on base.

The teams: St. Luke's—Joyner, 2b; Barry, c; Carroll, ss; Murray, 1b; Ashworth, rf; Sharpe, 3b; Timms, cf; Graves, lf; Polk, p. Bethel—Metcalfe, lf; Thompson, 3b; G. Veale, 1b; McWilliams, 2b; Holland, p; Marston, rf; Worth, ss; Hunter, cf; Veale c.

League Baseball On Friday. International—Toronto, 5; Jersey City, 4; Providence, 7; Buffalo, 3; Baltimore, 7; Rochester, 1; Montreal, 10; Newark 2. Canadian—Brantford, 4; Toronto, 3 (ten innings); Ottawa, 6; London, 3; Hamilton, 5; Peterboro, 8.

Motor Boat Race. The motor boat races—the bang and go back kind—were run off at the Yacht club on Friday evening. There were seven boats entered, but four were disqualified for returning in faster time than it took to do the first half.

Gun Club Shoot. The Kingston Gun club had a successful shoot on Friday evening. The results were: G. F. Walker obtained 115 out of possible 125; P. G. Todd, 42 out of 50; W. A. Mitchell, 27 out of 50; A. B. Sherman, 22 out of 40; E. S. Webster, 28 out of 50.

S. S. A. A. Game. On Monday evening at 6.20 o'clock St. George's and St. Luke's will meet in a senior S. S. A. A. baseball game. The game should be a hummer on account of the two teams leading the league.

Keep Back Of Ropes. If the baseball fans who attend the games in the city baseball league at the cricket field would keep back of the ropes it would help the players considerably. On many occasions when a foul ball goes into the crowd, it is impossible for the players to get their hands on it.

A Bowling Game. There was only one bowling game at Queen's on Friday, W. H. Wormwith's team defeating W. H. Montgomery's team.

AND PROVINCIAL POLICE HAVE A LINE ON HIM.

This is the Latest Report Concerning Dr. C. K. Robinson—Extradition Papers Will Have to Be Taken Out If He Does Not Return to Canada.

While Provincial Inspector of Police Miller was in the city he made a search of the home of Mrs. Robinson, mother of Dr. C. K. Robinson, the young doctor who is wanted in connection with the death of Miss Blanche Yorke. The young doctor was not in his home, so this set at rest the minds of a great many people who have been asking if the house had been searched, keeping up criticism which was lined against the police since they commenced to work on the case.

Inspector Miller was accompanied to the home by Constable Samuel Arnel, of the local police force. The doctor's aged mother is almost prostrated over the case.

That Dr. Robinson is on the American side not far from Kingston and that the provincial police have a good clue is the latest report here. Extradition papers will have to be taken out to bring him back to Canada.
